

VARSIITY DEFEATED

Mansfield State Normal Accumulates Thirty-three Points While Holding Her Lighter Opponent Scoreless

Alfred suffered her first defeat of the season Thursday when the Mansfield Normal came out on top of a 33-0 argument. The game was a distinct surprise to the Alfred followers who had looked for a lower score if not a victory for the home team. However, the actual showing made by the team is not best exemplified in the score—the game being much more evenly contested than the score would indicate. At every stage Mansfield seemed to get “the breaks” of the game, all being instrumental in the piling up of a total. Mansfield played man’s football almost entirely, although her four successful forward passes were the crux of the whole game, and led directly to three touchdowns. Alfred was unable to do anything on the offensive as the opponents’ linesmen continually broke through and nailed the runners with small gains. Alfred’s pluck in the face of bad breaks and adverse decisions was very praiseworthy and deserving of a lower score. That Alfred was not discouraged by this reverse was shown by the fighting spirit that she has maintained since the game and by the warm reception that the students accorded the team at the station upon its return.

For Mansfield, Wilcox at full-back and Foley at end were the stars, while Buck’s line plunging and Bliss’ punting were commendable from Alfred’s point of view.

First Quarter

Mansfield received and started a march up the field. A trick play did not gain but the old

shoe string forward pass was good for 35 yards. Alfred held for downs, but was penalized, the penalty making first down for Mansfield. Swealey then went through left guard for a touchdown. The goal was kicked. Alfred received on her 10 yard line and advanced 10 yards. Pfaff made 5 yards and the referee took the penalty and the gain also. Bliss couldn’t gain, and on the next play, punted 40 yards. Mansfield could not gain on a line play and Pfaff intercepted a forward pass on Alfred’s 20 yd line. Crawford made 8 yards, Buck making it first down. Alfred was penalized 20 yards and forced again to punt. Mansfield made first down. On the next play Crawford intercepted a forward pass. Buck made 5 yards and the quarter ended with the ball on Alfred’s 20 yard line. Score, 7-0.

Second Quarter

Alfred could not gain and Bliss’ punt was blocked, Mansfield making a touchdown on the next play. Alfred received and King advanced the ball 20 yards. Pfaff made 2 yards, Bliss 2 yards and on the shift play Buck made first down. Buck could not gain. Pfaff made 4 yards and then first down. Alfred was again penalized 15 yards for holding, and was forced to punt. Mansfield could not gain and punted to Crawford on Alfred’s 10 yard line. Bliss punted 50 yards and Mansfield started down the field and hurdled to their third touchdown. Alfred received and the half ended. Score, 20-0.

N. Y. S. A. FOOTBALL

Friday next, the Ag squad will journey to Warsaw where they will buck up against the fast Warsaw High School team.

We hope for a good team this year and the game with Warsaw will be a test, so this means hard practice and faithful work for the men all this week.

The management was very much in hopes of having a team here to play last Friday, but owing to the unexpected cancellation by Hornell, it was impossible. Evidently Hornell changed her mind for a reason.

Capt. Maure is running the team in fine shape and if anything happens he can be relieved by Griffin, whose regular station is at right half.

Acker, who is working out in the back field, is going well, while Kull, a new man, will develop into a snappy half-back.

The big-man position will be held down by Bob Broad, the old reliable, just as satisfactorily as ever.

The laurels for the ends rest between Adams, Decker, Wilson, Barry and Kenyon, all of whom are working well and show much speed.

At tackle we have Platt, Sanford and Lumis working like machines. We have much weight in Prangen, Blackmore, Zeliff and Anderson as guards. With a little more practice they will be able to master the opponent’s line at will.

Humphrey no doubt will be on the line most of the time, but can relieve Allen, the veteran center, in case it is necessary.

Beebe and Willey will be located around end or backfield and to advantage, for they are fast and husky.

No positions are decided upon as yet and all men are asked to come out to practice regularly. Coach Fisk is on the field every night working hard and a good team is anticipated.

SPECIAL TRAIN FOR HOBART GAME

The football management has completed arrangements with the Erie to run a special train from Wellsville to Hornell on Election Day. This will give all the fans a chance to see the Alfred-Hobart game. Return trip will be on the 5:50 train. A band has been engaged to accompany the team and students during their stay in Hornell.

The special train will leave Wellsville at 1 o’clock and; Andover at 1:18
Alfred at 1:38
Almond at 1:47
arriving at Hornell at 2:00.

The fare from Alfred will be 25 cents. It is hoped that every member of the student body of College and Ag School will go to Hornell and help roll up a big score against Hobart.

Student tickets will be on sale this week. Buy your tickets here and thus cut down the work at the gate in Hornell on Election Day.

ALUMNUS OFFERS MEDAL FOR JOURNALISM

The following letter was received by Prof. P. E. Titsworth, in response to an inquiry as to the conditions to be met for winning the medal for journalism offered by an alumnus who prefers to remain anonymous.

I have your letter of the 20th, and hasten to send you instructions regarding the “Press Club Medal.”

I wish you would state that this medal is to be given by an alumnus member of the K. K. K. to the fellow doing the most to further the interests of all varsity activities in the newspapers of the country other than the Fiat Lux and the Sun. This will include athletic, literary, and general activities.

Any person to compete in this contest must keep a record of the number of inches of newspaper or other publicity matter that he may cause to be published.

N. Y. S. A.

AG GIRLS ENTERTAINED AT MORGAN HALL

Last Wednesday night the Misses Wood entertained the Domestic Science Department of Ag School at Morgan Hall.

That the old and new students might become better acquainted, a two-minute conversation with each one was indulged in and proved very entertaining as well as amusing.

Miss Foster rendered piano selections after which all joined in singing school songs.

Refreshments were then served to the guests before the spacious fireplace.

The happy crowd left Morgan Hall feeling that the evening was one long to be remembered and declaring the Misses Wood ideal hostesses.

COUNTRY LIFE CLUB

Thursday evening, Oct. 22, the second regular meeting of the Country Life Club was called to order by President Stout. The program, which was slightly longer than that of the first meeting, was as follows:

Song—Keep in the Sunlight Aggies Club

Vocal Solos—

"The Moon Droops Low"

"Little Irish Song"

Prof. Wingate

Reading Mr. Hoefler

Gleanings Mr. Sherman

European Conditions Mr. Frank

Parliamentary Practice Mr. Clarke

During the short business meeting which followed, a motion to have the program commence at 7:45 instead of 7:30, was passed. In her report as critic, Miss Langworthy commended Mr. Frank on the originality of his article.

The last number on the program caused no little amusement. It also showed how "rusty" we all are on parliamentary practice.

The meeting was adjourned after the reading of the minutes. Following the adjournment several more members were enrolled. The total membership is now something like 63. Our membership is still increasing. Let's keep it up.

AG JUNIORS ON PINE CREST

Last Tuesday evening the social activities of the Junior class began with a rousing good time on Pine Crest, one of the highest places of amusement in Alfred.

After the friends and members of the class had assembled at Ag Hall, they wended their way to the top of the hill. On the way up they had a little encounter with a few freshmen, who however, did not carry out their intentions. As soon as the top was reached, many willing hands aided in gathering wood and a glowing fire was going in a short time.

While waiting for the fire to die down, the class president, "Dick" Humphrey, welcomed the class and friends. He then called on Miss Cheeseman who, as usual, gave an interesting little speech, finishing with a story; Miss Barkhouse and Mr. Fisk also gave short speeches. After a few more stories the fire was declared ready. "Red hots," rolls, and doughnuts were passed while toasted marshmallows with cookies and cider completed the "feed."

After a flashlight, and a few more cheers, the happy crowd descended to the town.

C. L. M. C. A.

The Country Life Men's Christian Association met last Sunday evening in Ag Hall with a large and enthusiastic attendance.

The topic, "Vacation Experiences," led by Harold Stout, brought out some very lively and interesting incidents from several different members of the association. Many different points relating to Christian Association work were made evident, especially from the new members. A committee was appointed to develop topics for the remainder of the first semester.

It is hoped that the attendance may be doubled next week. This association is the only one which meets Sunday evenings and the

membership should be large, especially of Ag students. Come and bring your friends.

NOTICE

On Thursday evening, Oct. 30, the Country Life Club will be entertained at a Hallowe'en party given by Mrs. Stillman, matron of the Farmers' Club at the school dormitory at the State Farm. All students of N. Y. S. A., whether or not members of the Country Life Club, are cordially invited to be present. A good time is assured. Plan to be present.

N. Y. S. A. CAMPUS

Judge Thiel is the new cheer leader.

William McClure and Wayne Stout, N. Y. S. A., '13, are visiting friends in town.

Gardner Oehser of Forestville, N. Y., registered this week for a course in N. Y. S. A.

Ag students should remember the Hallowe'en party at the Farmers' Club next Thursday evening.

Bernice Sherman had the misfortune to sprain her ankle while in physical training class last Friday.

Luther Plumer is a new member of the R. I. U. There are now fourteen members in this popular boarding club.

It is reported that Benjamin Franklin has been obliged to discontinue his studies in N. Y. S. A. He left for his home on Thursday of last week.

Plan to be at the post office Friday morning to help give the Ag team a rousing sendoff. The Warsaw game will be a hard one and let's show the team we're with them.

CHAPEL ADDRESSES

Tuesday, Oct. 20, during the regular chapel period Miss Angeline Wood gave a very interesting address on "Cultural vs. Vocational Education."

Educational institutions are sometimes criticized because of the fact that they fit young people for earning a living only. Miss Wood explained that the Ag

Varsity Defeated

Continued from page one

Third Quarter

Alfred received and Buck made 40 yards through the entire Mansfield team. Crawford could not gain and Mansfield was fined half the length of the field for slugging. Alfred could not gain and tried a place kick which failed. Mansfield received the ball. A forward pass to Foley was good for a run of 60 yards and a touchdown. Alfred received and Bliss advanced 15 yards. Buck made

4 yards, Pfaff 2, and Bliss made first down. Alfred could not gain and Bliss punted. The ball see-sawed back and forth being, at the end of the quarter, on Alfred's 10 yard line.

On the third play Wilcox made a touchdown. This ended the scoring and in the last quarter, the Varsity clearly outplayed Mansfield.

Alfred received and Buck advanced 30 yards. Buck made 4 yards, Bliss made 4 but was penalized and Bliss punted. Alfred was penalized for illegal tackling, and when Wilcox hurdled, Mans-

field was penalized 15 yards. An attempted drop-kick failed, the ball going to Alfred on her 20 yard line. Mansfield got the ball on downs. Mansfield punted and Crawford advanced 30 yards. Pfaff and Bliss made first down. Two plays failed and Bliss punted. Two passes failed and the game ended with the ball in mid-field.

Touchdowns—Wilcox 2, Foley 2, Hiscox 1.

Notes on the Game

It was a hard game to lose.

A change of officials in the second half was appreciated by the followers of the purple and gold.

Mansfield has the strongest team in her history but that is not sufficient reason for Alfred's showing.

A Mansfield report of the game in the Elmira Star-Gazette says Alfred outweighed her opponents ten pounds to a man. We'd like to know!

Four auto loads made the trip from Alfred and showed excellent spirit in the face of a high adverse score and the somewhat unsportsman-like attitude of the Mansfield crowd.

Prof. Waldo A. Titsworth, who accompanied the team on the trip said in regard to the game: "I cannot see how Mansfield rolled up such a high score—certainly the game was not as one-sided as

the score would indicate. Luck was an important factor in the result." This summed up the views of all the Alfred people in attendance at the game.

Alfred's tendency not to play air-tight ball every moment was again in evidence in the four long and fatal forward passes that Mansfield "pulled off." Let us see to it that nothing like this happens Election Day.

It was a gala day in Mansfield.

FIAT LUX

PUBLISHED WEEKLY BY THE STUDENTS OF
ALFRED UNIVERSITY

Alfred, N. Y., October 27, 1914

Editor-in-Chief

Aaron MacCoon, '15

Associate Editors

Finla Crawford, '15

Horace Hall, '15

Hubert D. Bliss, '17.

Harold Stout, N. Y. S. A., '15

Manager

Grover Babcock, '15

Assistant Manager

Lowell Randolph, '16

TERMS: \$1.50 per year.

Address all communications of a business nature to

GROVER BABCOCK

Make all checks payable to Fiat Lux, and all money orders to Grover Babcock.

FIAT LUX neither accepts nor solicits liquor or tobacco advertisements.

Entered as second-class mail matter at the Post Office in Alfred, N. Y.

This paper is, of course, in accord with that policy of the faculty which requires that a student be up in his studies in order to participate in a game, but we think that the student body is justified for its rather severe criticism of the action which prohibited, at the last moment and without warning, two men from making the Mansfield trip. We feel that, in view of the condition of athletics in Alfred, it is necessary for the faculty to co-operate with the students to the extent of warning any who may be behind in their work. It would create a better atmosphere both in building up our athletic standing and in the attitude between student and professor.

The attention of the Alumni is called to the fact that no Alumni editor has yet been elected. According to the constitution governing Fiat Lux, the Alumni should elect a contributing editor whose duty it is to furnish alumni notes for each issue. It is advisable to select someone living in Alfred who can keep in direct touch with our office.

The Fiat is in possession of two copies of "The Summary," the weekly paper published by the inmates of the Elmira Reformatory. The editor-in-chief, whose convict number is 33,593, is a graduate of a New York State college and in addition has done post-graduate work in the University of Oxford, England. The paper consists of condensed news items, sporting page, items of comment on the Reformatory and a very commendable editorial page. The work throughout is of high class and shows not only in the editor, but among his associates, ability which might gain each one a position of importance if rightly directed.

While the Mansfield game was a disappointment, we must not let it interfere with our efforts to place Alfred in her athletic class. We have made noticeable progress and one reverse only goes to show that we must go at it with all the more determination. We have a good coach, good material and a big cause, so let us not hesitate in increasing our activities, both in practice and support. Let the experience gained through our defeat, and the result of next week's work be fruitful in our game against Hobart on Election Day.

Rochester is starting off the year with a larger paper than last year's. It is an excellent and progressive publication and one we are glad to have on our exchange list.

OUR EXCHANGES

We invite your attention to the fact that our exchange list is growing. All of these publications merit the attention of Alfred students. They may be found on the library shelf reserved for them. Thus far our list includes: The Thielensian (Thiel College), The Bulletin of the New York Military Academy, The Starkey Seminary Monthly (Lakemont), The Milton Review (Milton, Wis.), The Pharetra (Wilson College), The Otterbein Aegis (Westerville, Ohio), The Niagara Index, The Rochester Campus and The New York Topics and International Courier.

ANNOUNCEMENT

Owing to the fact that next Tuesday is Election day, the issue of the Fiat Lux will appear on Monday, in a four page edition.

ST. BONA WILL BE PLAYED AT WELLSVILLE

The athletic directors voted last Tuesday night to have the football manager close negotiations with St. Bonaventure, for a game at Wellsville, Nov. 19. St. Bonaventure is an old and bitter rival of Alfred and the best kind of a game is assured.

JUNIORS AWARDED CUP

At Assembly Wednesday morning the scholarship cup of the Twentieth Century Alumni Association was presented to the class of 1916. The presentation was made by James Pitts, '15, president of the Student Senate, and the response by Ethel McLean, '16, president of the class. The cup is offered for the purpose of arousing more competitive scholarship work between the two under classes. This is the second time it has been competed for, on both occasions being won by the Junior class. The class of 1916 is to be congratulated upon its possession of the cup for the coming year.

GERMAN CLUB

Zulieka Richardson, '17, and Elmer Hunting, '16, entertained the members of the German Club at Miss Richardson's home on West University street, last Thursday evening.

Aaron MacCoon, '15, read a paper prepared by Lawrence Babcock, '15, on "German Government," after which German games were played. Delicious cider with pumpkin and apple pie and cheese constituted the refreshments. The committee is to be especially congratulated upon the ingenuity displayed in the games and "stunts" provided.

The next meeting, which will occur one week from Thursday evening, will be in charge of Arlotta Bass, '15, and Olive Thomas, '16. Miss Thomas will present a paper on "German Schools and Student Life."

CAMPUS

Remember the special train.

Several parties are being organized to celebrate Hallowe'en.

Eva Williams, '16, was a week-end visitor at the home of her sister in Almond.

F. B. Bowman, '17, spent Saturday at his home in Elmira. He was accompanied by H. D. Bliss, '17.

Mrs. C. J. Michler and Miss Christeen Michler were the guests of Mabel Michler, '15, last Thursday.

Are you going to the Hobart game? Sure! Every student needs to be in Hornell on Election Day.

Ford Barnard, '16, was called to his home in Corning last Friday by the death of his grandmother.

For those who have never been here before at this season: "Gumshoe" has fifteen deputies on Hallowe'en.

Academy will be closed Wednesday, Thursday and Friday of this week because of the Teachers' Convention at Wellsville.

Marian Elliott, '17, entertained at cards last Friday evening. Twelve guests were present to enjoy the charming entertainment provided.

Don't forget the special train Election Day.

W. E. Buck, '16, spent the week-end in Canisteo.

Hazel Parker, '17, week-ended at her home in Wellsville.

Miss Mabel Hoffman of Corning was the guest of her friend, Ruth Harer, '18, over the week-end.

Students owe the Sun Office a debt of gratitude for the service rendered on the day of the Mansfield game, when returns were received at the office at the end of each quarter and a bulletin posted reporting the score.

Pres. Davis returned Friday from the University Convocation which was held Thursday and Friday at Albany by the State Educational Department. Since his return he has been confined to his home by grip. He leaves tonight for Syracuse on business.

Those who attended the Alfred-Mansfield game at Mansfield: Arthur Granger, '15, Horace Hall, '15, O. L. Vars, '15, L. M. Babcock, '15, E. L. Burdick, '16, Lowell Randolph, '16, C. C. Hopkins, '17, E. E. Saunders, '17, H. B. Saunders, '17, S. H. Davis, '17, Hazel Perkins, '17, Martha Cobb, '17, Nellie Wells, '17, Rose Trenkle, '17, Meredith Maxson, '18, Clesson Poole, '18.

You are cordially invited to attend the prayer meeting of the C. E. Society held every Sabbath afternoon at 4 o'clock in the church. Come and enjoy the meeting with us, feeling entirely at liberty to participate therein.

(Signed) Lookout Committee.

The mass meeting noted in last week's issue was not held as it was thought best to confine the enthusiasm for the game to the "send off" Wednesday evening. As it was, the "send off" was the best demonstration of recent years in Alfred and shows the interest that is back of athletics this year.

NOTICE

A silver collection will be taken after Assembly tomorrow in order to defray the expenses of the band which has been secured to accompany the student body to Hornell next Tuesday. Be prepared to come across and don't be afraid of the amount, as it has been necessary to hire several players from out of town.

ASSEMBLY ADDRESS

Professor Binns of the Ceramic School spoke at the Assembly last Wednesday upon, "The Demands of Modern Industry." The speaker showed how necessary it is that the faculty know how the students are spending their time outside of school hours to enable them to answer questions concerning habit and character, asked by prospective employers. Loyalty, in the biggest sense of the term, was emphasized as the most necessary business virtue.

Y. M. C. A.

Sunday evening the Y. M. C. A. was addressed by Prof. Bole, who gave an illustrated lecture on: "The Religion and Superstition Among the Porto Ricans." The subject was well handled and proved very satisfactory from an educational point of view.

Next week Prof. Norwood will address the Association. The young men who do not attend this series of lectures that President Barnard has arranged, are missing a wonderful chance for valuable information. Let the attendance be increased to hear Prof. Norwood next Sunday evening from 7:15 to 8.

BOOTHE C. DAVIS, Pres.

**AT THE END OF THE GREAT
WAR**Dr. James R. Day, chancellor of
Syracuse University, in Leslie's:

The final issue is plain enough. When Great Britain undertook the cause of her allies, Belgium and France, the defeat of Germany became certain and beyond question. Germany might win some battles, but she would not win the last one. With Russia closing in from the east it became madness for Germany to fire a gun. It meant that Germany would lose her colonies, her commerce, her industries and the flower of her young manhood and that the regning dynasty would lose its throne. Great Britain has the greatest territorial extent, the greatest population, the greatest taxable wealth and the greatest income of any nation. The result will be the return of Lorraine and Alsace to France, the repair of all damages and the payment of expenses to Belgium, a great war indemnity to Great Britain, France and Russia, and a great revolution in Germany that will send William II to join Napoleon III. Emperors and kings will not make war any more. This is the last war among great Christian nations for the arbitrament of contentions among rulers. War and peace will be placed in the hands of the people, who will rule with constitutions, written or unwritten, respected by their rulers. The

kings that remain will be of the harmless and helpful character of the king of England. This hope is the only thing with which we can justify this terrible war and get any comfort from it. There should be only one throne in the world and that is the throne of God. No man ever was great enough to rule other men.

When the work of this great war is consummated in the overthrow of the absolutism of militarism at its only source of danger, we shall emerge into a millennial epoch—the beginning of a new creation.

FOOTBALL SNAPSHOTS

Cornell's victory over Brown, 28-7, was a surprise in respect to the larger score amassed by the big red team.

Hamilton defeated Hobart 14-3, which does not give much of a line on the latter in view of the past performances of both teams.

Washington and Jefferson furnished the big sensation of the week by defeating Yale 13-7. Yale's early-season poor form seems to be as much in evidence this year as in the past.

The defeat of Michigan at the hands of Syracuse, 20-6, was a bitter blow to the followers of the blue and yellow. Even though she makes a showing against Harvard, her claim to championship class would be greatly discounted.

Pennsylvania State College gave Harvard a close call in their 13-13 tie argument. As it was, the Pennsylvania team outplayed her opponents. It was the first real test of the larger teams, some of which did not come up to the standard that their supporters had expected.

CERAMIC SOCIETY

The New York State Ceramic Society met last Thursday evening at the home of Prof. Bole. After a short business meeting Prof. Montgomery presented a paper touching upon the various clay industries of northern Pennsylvania. He dwelt briefly upon the manufacture of electrical conduits and tapestry brick, and then took up the manufacture of promenade tile. The paper was particularly good from the fact that not only clay technology was considered, but also the economic and geological features of that section.

The next meeting of the society will be held at the home of Prof. Binns, on Thursday, Nov. 5th. The subject for the evening will be "Slag Brick Manufacture" and the speaker, P. W. Burdick, '15.

LIBRARY NOTES

Two new magazine racks have been added to the equipment of the library. They contribute greatly to the attractiveness and convenience of the reading room.

One hundred new volumes covering science, history, literature and biography have been received.

ALUMNI

Marina VanCampen, '13, of Canaseraga, was a week-end guest of Bess Bacon, '15.

Arthur Baggs, ex-'12, of Marblehead, Mass., is a guest of his parents, Mr. and Mrs. V. A. Baggs.

UNIQUE TEA AT SYRACUSE

A Chinese tea, the first of its kind ever given in Syracuse, was held on Friday, October ninth, at Winchell Hall. From four until six o'clock Miss Ping Tsung Sung '17, the first Chinese girl to be enrolled as a student, received with the president of the Sophomore Organization, Miss Dorothea Miller, and Miss Louise Leggett, who held the same office last year.

The reception rooms of Winchell Hall were decorated in true Chinese fashion and the refreshments were ordered especially for the occasion from the Quong Yuen Shing Company of Chinatown, New York City. The serving of Chinese delicacies proved a curious treat to American girls.

Large numbers attended. The seniors and sophomores and the juniors and freshmen went in pairs. In spite of the varied details of the plans, the tea was strictly informal.

Deliver Friday.**CHORUS**

A fine representation of the music lovers of Alfred turned out to Chorus Practice last evening. It is not too late for new members.

See Director Wingate if you wish to join. The Chorus meets each Monday evening from seven to eight o'clock. A fee of two dollars for the year is charged each member and the music books are free.

College students receive one hour credit for the year. Come and join if you sing. (Adv.)

UNIVERSITY BANK

Students are cordially invited to open accounts with us. The Banking Habit is a good habit to cultivate. The Bank stands for security and convenience in money matters.

ON THE HOMEWARD TRACK

"Dad, I was simply great in the relay events," boasted the boy from college.

"That's fine, son! We'll make use of them talents. Your ma will soon be ready to relay the carpets."—Penn State Froth.

NEW YORK STATE FOREST NOTES

The New York State College of Forestry at Syracuse has closed registration for the college year with 244 men. Those men have registered for four and five year Professional Courses in Forestry and represent 46 counties in the State and 11 States outside of New York. Some of the largest county representations come from Onondaga, Kings, Erie, New York, Suffolk and Dutchess. The following states are represented: Connecticut, Massachusetts, Michigan, Minnesota, New Jersey, Maryland, New Hampshire, Ohio, Pennsylvania, Vermont, and the District of Columbia. China and Russia are represented as foreign countries. Beside the 244 men in the professional courses at the College of Forestry at Syracuse, there are 19 men taking the one year of practical work in the State Ranger School at Wanakena.

The State College of Forestry at Syracuse will continue during the coming winter the studies of forest conditions in various counties in the State which it began two years ago. Very effective studies of distribution of forests and of utilization of forest products have been carried on in Onondaga, St. Lawrence, Cattaraugus and Greene counties. Especial attention will be paid during the coming year to counties which are in a sense on the dividing line between forest areas proper and agricultural land. The College feels that it is very essential that a definite stock be taken of the forest resources of the State, as a definite knowledge of the adaptability of lands of the State to forestry will mean much in the carrying on of reforestation and forest management. These studies are being supplemented by a State wide reconnaissance survey of the flora of the State by Dr. William L. Bray, Forest Botanist. This reconnaissance is nearly complete and will result in an effective report.

CORNELL TRACK CAPTAIN INJURED

Oliver A. Reller, '15, captain of the Cornell track team and a prominent candidate for the senior class presidency, has suffered injuries in a motorcycle accident which may prove fatal and in any event will probably keep him off the track for the remainder of his college career.

With Victor Anneke, '17, Reller was returning to Ithaca from a ride in the country when the machine struck a boulder, throwing both men onto a stone pile. It is thought that Reller's skull is fractured, his right arm broken and besides innumerable bruises about his body, he is probably suffering from internal injuries.

Reller took a second place in the intercollegiate last May and his loss will be greatly felt.

LYCEUM COLUMN

ALFRE-GHANIAN SESSION

Saturday evening the Alfre-ghanian Railroad Company took a large company of members and guests on an extended, "See America First" tour. The train started from New York City after the guests had visited the department store of John Wanamaker and secured all the necessary supplies for the trip. The first regular stop was Washington, D. C. Here, time was given for the passengers to attend the Supreme Court of the United States, where the case of Jones vs. Jinks, was being heard. This looked at the outset like an auction, but soon took the proper shape of a terrible scandal, and was at last settled out of court in a manner satisfactory to all concerned. Here considerable time was lost owing to the fact that the jury was slow in arriving, but it was made up in the next run. The next place of interest visited was New Orleans. While waiting for the train to continue its journey, the passengers discovered a moving picture show, in which some "Old Time" scenes were being depicted. First, the days of the slave when he was owned, sold, and ill-treated; second, the days of the war when white men fought for black men's rights; and last, the days following the war when the Planter freed his slaves and picked his own cotton.

The next stop was at the home of Hiawatha, the short visit being very enjoyable, and carrying us back to the days when we could see Indians skulking around, and when we expected every minute to be "Tommyhawked." San Francisco was next, and China Town our destination. The "Belles" of this novel community favored us with a festal dance, after which we left for Denver. Denver was, of course, the place to find Woman Suffrage. A woman will make her husband stay at home and care for the "Kids" and get the meals, while she is attending Suffrage meetings and going to the theatre with some other man. Hurrah! He found her out and asserted himself. Now she thinks

she does suffer. But she never dares to say so.

The next city to be honored by our presence was Chicago. Here the crowd got into a Calaret Show by mistake, but we are sure they won't be guilty of such a thing again. A person who was there told me that some of the boys were considerably "fussed" by some of the songs, that the "Dolls" sang to them. The rest of the people enjoyed the little "Song and Dance" however, and were loath to start for the next station which was to be Alfred. Here, nothing ever happens, at least we think so, but when they got back every one rushed for their mail, etc. The old familiar bunch was there to sing a song or two and crowd people into the road. The only thing that was missed from the landscape was the "Chief of Police" to keep the gangway open.

Every city that we visited seemed glad to see us and served refreshments on their "front lawns." The meeting broke up with "Tucker Wants a Wife" mingled with college songs. A good time was reported by all except the committee, and they have refused to have anything to do with the next joint session.

They were—Alfriedians: Bess Bacon, '15, Carol Stillman, '15, Lucy Whitford, '16, Ina Withey, '16, Marian Elliott, '17, Genevieve Hart, '17; Alleghanians: Ford Barnard, '16, Robert Greene, '16, Horace Hall, '15, Arthur Granger, '15, Ted Saunders, '17.

Mrs. Orlo Perry and Miss Ruth Phillips acted as cateresses.

ATHENAEAN—ORO

The Athenaeans were entertained by the Orophilian Lyceum at their room in the Chapel, last Saturday evening. A large attendance characterized the meeting, which was called to order by the Orophilian president at eight o'clock. Orlo H. Perry, '14, led in devotional exercises, and after a hymn by the lyceum, Aaron MacCoon, '15, delivered the president's address. Stanton Davis, '17, sang, accompanied by Elizabeth Davis, A. A. '15, and Otho Le G. Vars, '15, gave a clever talk. The literary program was concluded with a guitar and mando-

Young Men! Gather Around!

You're going to see the smartest lot of clothes this fall that have ever been put together for the benefit of the lively young chaps in this town. They're just the things that college men will wear; but you don't have to go to college to appreciate the merits of such clothes. They're right.

HORNELL, N. Y.

lin duet by Jack Beebe, N. Y. S. A., '15, and Cyrus Kruse, '16. Both musical numbers were encored. The meeting was then turned over to the entertainment committee, Otho Vars, '15, and Mark Sheppard, '17, who served cider, sandwiches and doughnuts. The rest of the evening was spent in games and "stunts."

Y. W. C. A.

About forty were in attendance Sunday night at the Y. W. meeting which was in charge of the Missionary committee. Mildred Saunders and Ellen Holmes led in the discussion. Miss Binns, the advisory member, gave a most vivid portrayal of the need of missionaries, and from this she made a special appeal for help for the refugee Belgians and the missionary work in Southern Virginia.

Missionary meetings will be held every Wednesday afternoon from five to six. During this hour those present will sew on articles for a missionary box to be sent to Virginia. It is hoped that a large number will become interested in this worthy cause.

LOST

On North Main street between post office and residence, a heavy gold cuff link, set with a topaz. Finder please return to Aaron MacCoon, '15. (Box 7). Reward.
