ANNUAL RECEPTION

One of the most pleasant social events of the year is the annual reception given by the Christian Associations in Ladies Hall, Thursday evening, Sept. 21, at 8 o'clock. Every student and friend of Alfred is invited to attend this reception and to enjoy that good cheer and hospitality which has become a synonym for Alfred.

We have weekly meetings at seven o'clock on Sunday evening either in Burdick Hall or in one of the fraternity houses.

Discussion groups meet where the men live, and follow a course outlined by the International Committee. It is hoped that a distinguished speaker, or social or business matters will bring the whole Association together about once a month.

The Purposes of the Association

To give the College men an opportunity to get together and discuss questions vital to our Christian life.

To promote vital Christian spirit in our institution, and to furnish the channel through which this spirit may express itself.

To maintain all influences which tend to improve the moral atmosphere of the campus.

To help us be all-round men, physically, mentally and spiritually strong.

The regular prayer meeting is held each Sunday night at 7:15 in the Association room on the first floor of the Brick. These meetings are informal. There are no denominational limitations. Each girl is invited to come and make Y. W. an important factor in her college education.

Purposes of the Association

To develop true Christian womanhood.

To lay a fine moral and spiritual foundation for Christian influence.

To interest those not already interested in Christian work.

To promote a high social spirit among the young women of the college.

FACULTY RULES

Assembly

On Wednesdays at 10 o'clock there is a general College Assembly before which one of the instructors presents a prepared address. One-half a term hour credit will be allowed for attendance at Assembly. provided absences do not exceed two for the term.

Student Advisers

Each student on entering college will be assigned to some member of the Faculty who will act as his adviser until May 1 of the student's sophomore year. At that time the adviser will report to the faculty the student's choice of major and minor. The professor who has charge of the student's major work will then be his adviser.

Registration Rules

Students will register at the Registrar's office on the first day of the term. A fee of two dollars will be charged for late registration.

Failure to return a registration card within a week from its date will also be reckoned as late registration.

Students are expected to register for no more than 17 hours, but if a student has no standing less than B in the preceding term he may register for 18 hours. Students who have a grade of A in more than half of their work may register for more than 18 hours upon the approval of the Faculty.

Physical Training and Assembly may be taken in addition to the maximum of 17 hours.

Regulation concerning standings to be maintained by students to entitle them to the privilege of registration the following term:

Freshmen are required to have an average grade of 0.

Sophomores are required to have an average grade of .15.

Juniors are required to have an average grade of .25.

Seniors are required to have an average grade of .30.

For graduation it is required that a student have an average standing throughout his course of 1.

These standings are indicated by the index system.

Students desiring to drop a subject for which they have registered must obtain permission of the instructor and report to the Office. If however, a subject is dropped after the first two weeks of a term it is reckoned as a failure.

Standings

The standings of students are reported to them only by letters, and not by percentages. A signifies 90 per cent and above; B, 80 per cent to 90 per cent; C, 70 per cent to 80 per cent; D, 60 to 70 per cent; E, conditioned failure; F, failure.

D is reckoned as a passing mark; but of the one hundred ninety-two hours re-

quired for graduation one hundred thirty-five hours of the work of each student must have a grade of at least C, and his major work must have an average grade of B.

No credit is given, except by special vote of the Faculty for one term of any course which the instructor has designated to be pursued for a full year.

A "condition" or E grade shall be given whenever a student has failed to do work of a passing grade, but has done sufficient work to be able to complete the course without repeating the class work. A condition may be removed any time during the following term. Upon report from the instructor that the condition has been removed the office will change the grade from E to D.

An *incomplete* (designated by the letters "Inc") shall be given to the student whose work has been of passing grade but who has not completed the full amount of work required, by the end of the term. An incomplete may be removed during the following term, when the student has satisfactorily completed the required work. In the term in which the incomplete is being removed the student shall register for the same and shall pay with his tuition an "incomplete fee" of \$1.00 per hour credit to be obtained for the course.

An incomplete or a condition which is not removed during the next following term of residence in the college shall automatically be changed in the office to a failure (F) grade.

Examinations

Final examinations are held at the close of each term in addition to an occasional written test during the term. Fees will be charged for all examinations taken by those not regular members of classes, or at other times than those appointed for the class examination.

Seniors whose term standing during the third term is A or not less than B in any subject shall be exempt from final examination in that subject.

Absences and Excuses

Application for excuse for necessary tardiness must be made to the instructor in the course in which the tardy mark is received. Two unexcused tardinesses count as one unexcused absence.

It is expected that no student will be absent from any college class except in cases of necessity. Necessary absences may, however, be allowed under the following regulations:

1. The Dean of the college and two members of the college Faculty, one of whom shall be a woman, shall constitute a committee known as the Committee on Absences, to whom application for excuse must be made.

2. At the end of each week each instructor shall report on the proper blanks to the committee all absences from class with a statement of cause, if known.

3. Applications for excuse must be made by the student in writing upon blanks provided for the purpose and must be presented to the committee within two days after the expiration of the absence. The excuse, if granted, is sent to the proper instructor by the committee; if not granted, it is returned to the student.

4. The committee will consider two kinds of applications for excuse: First, ordinarily reasonable excuses, if the number previously granted does not exceed the number of recitation periods per week; second, excuses in excess of this number for serious illness or other exceptional cause only. All excuses are granted with the understanding that any work missed will be made up to the satisfaction of the instructor.

5. Hereafter all cases of student illness must be reported in person or by proxy or by telephone within twelve hours of the appearance of such illness, either to the Dean or to one of the college medical officers, Drs. Russell or Miriam Ferguson.

Only such applications for excuse for illness as are validated by one of the college physicians will be granted. For the purposes of validation of such applications the services of the medical officer will be without charge to the student.

Any student ill of a contagious or of an infectious disease who does not report within the twelve-hour period will be subject to college discipline.

6. At the end of every term the instructor reports the students' scholastic attainment in letters to the office. For unexcused absences in any course the instructor observes the following table:

Recitations per week	Reasonable Excuses Granted	Unexcused absences lowering the grade one letter
1	2	2
2	2	2
3	3	3
4	4	4
5	5	5

Unexcused absences lowering grade two letters	Unexcused absences to make the grade failure (F)
3	4
4	5
6	7
8	9
10	11

7. When the number of unexcused absences in any one course equals the number of recitations per week, the committee shall notify the delinquent student.

8. Managers of student organizations and athletic teams, previous to their absence from college, must file with the committee a list of the members of the organi-

zation or team, with a statement of time the team expects to be absent. Such list is for the information of the committee and is not in lieu of any excuse or application therefor.

Social Regulations

There is a college Committee on Student Life which has advisory supervision of activities in which the interests of the students in general are involved. This committee is guided in its action by the following general regulations concerning:

(A) Committee on Student Life.

1. It shall be the duty of this Committee to supervise student life in dormitories. This shall be understood to include the right to make suggestions at all times to the matron of the Ladies Hall and the housekeeper at Burdick Hall, who shall be under their supervision, as to the administration of their respective houses.

2. The Committee shall have complete supervision over the boarding and rooming places of all college students both within and without the dormitories.

3. The Committee shall have supervision over all student social functions and amusements. Students desiring to promulgate any entertainment, party, class or lyceum affair, dance, etc., (this to include the so-called vacation dances), shall first make application to the Student Senate as provided in the student constitution. All permissions so granted shall be submitted to this committee for approval.

4. The Committee shall be a regular medium of intercourse between students and Faculty. It shall be its duty and privilege at all times to advise with the Student Senate and make suggestions to them bearing on matters of student conduct and self-government. The Senate is invited to confer with this Committee on any or all matters of student interest.

5. It shall be the duty of the Committee to hold itself in readiness to advise individually with students concerning their social and personal problems. One member of the Committee, a woman, shall act as adviser of women.

(B) Dancing.

1. That there shall be no dancing together of men and women in any University building, except Alumni Hall and then only when approved by the Student Life Committee.

2. That upon request from parent or guardian a student will be prohibited from dancing.

3. That all dancing shall be subject to the supervision of the Committee on Student Life.

(C) Rooming.

1. A register of proper accommodations for students is maintained and supervised by the Committee on Student Life.

2. Men and women shall not room in the same building except with approval of the Committee on Student Life.

3. Young ladies shall be expected to engage rooms and board at the Ladies Hall unless they can show cause to the contrary.

4. Young women may not call at Burdick Hall or at any of the men's club houses or meet young men at the houses where they room. Young men and young women are absolutely forbidden to go to each others' rooms for any purpose, except by special permission which may be granted to brothers and sisters.

(D) Chaperonage.

All evening picnics and automobile rides and all evening out of town parties, or groups of two or more, of which men and women together form a part, must be arranged for beforehand with the Committee on Student Life, and provision made for proper chaperonage. This regulation applies to all college students except seniors.

(E) The above social regulations hold for holidays, Christmas, Thanksgiving, and Easter vacations and Commencement Week and also apply to the day before the beginning of any term and after the close of the term.

Library

The Library is open for regular work from 8 A. M. to 12, and from 1:30 to 5 P. M. on week days. It is also open from 3 to 5 P. M. on Saturday and Sunday and from 7:30 to 9 P. M. on Monday, Tuesday, Wednesday and Thursday, at which times neither books nor magazines can be drawn, as this time is for study and reading only.

For further information in regard to the Library, see "Library Regulations."

Athletics

1. All students unless excused by the Director of Physical Training on the advice of a physician, are required to do one hour in physical training each term during the freshman and sophomore years, under the supervision of the Director. The required work for the freshman year shall include lectures and gymnasium practice. Sophomores shall elect either advanced gymnasium practice or athletic sports supervised by the department of physical training.

(I) Eligibility regulations.

1. In order to be eligible to athletic teams a student must take ten hours of work in College or fifteen hours in the Agricultural School.

2. If any student playing on an athletic team shall fall below a passing grade, the instructor shall notify the chairman of the athletic committee of the same before the beginning of the following week. In case the student shall be reported in two or more subjects he shall not participate in any athletic contest until the instructor shall have notified the chairman of the committee that the student has attained such grade. When the student is deficient in only one subject, he may be allowed four weeks from the time that he is reported to bring his work up to the passing grade before being debarred from the team. In-

structors shall notify the committee of the removal of such conditions as soon as possible.

3. No member of the faculty of Alfred University shall participate in any inter-collegiate or inter-scholastic contest.

4. The second team shall consist of only those men who have regularly participated in practice against the varsity. The second team shall be under the jurisdiction of the coach, and no group of men other than the above stated shall represent the University in any form of athletics.

(II) General Regulations.

1. At the beginning of each season the graduate manager shall file with each instructor a list of names from which the personnel of the team shall be chosen. Names shall be added to or taken from this list only after the graduate manager has notified each instructor of the change.

2. The coach shall have complete jurisdiction of the team in all matters of conduct. He shall be required to suspend from the team for a time commensurate with the offense, any student guilty of immoral, ungentlemanly or unsportsmanlike conduct.

3. Each manager of an athletic team on the Monday previous to an out-of-town game must file with the Committee on Absences of the College and with the Director of the Agricultural School a list of the members of the team he intends to take, and also a statement of the time the team

must be absent; and in case any one player will not receive excuses for his absences from classes the Committee or the Director will give the person notice to that effect.

4. No body of students exceeding four in number (two in basket ball) shall take part in any games played out of town, outside of the regular schedule approved by the athletic committee.

5. Match games shall not be played on either Saturday or Sunday except when by special permission of the athletic committee games may be played on Saturday night.

6. All games shall be scheduled so that teams may go to and return from the contest between Monday morning and Friday evening.

7. No more than one game of basketball, baseball or football shall be played in any one week, except when the team can profitably play a series of games on any one trip away from home. Extra games may be played on days when classes are not in session. (See rules 3 and 4).

8. Five games shall constitute a baseball season, ten games a baseball season and six games a football season.

9. The Faculty permits the following teams to make a schedule:—football team, women's basketball team, men's basketball team, baseball team, track team and tennis team, also the corresponding second teams.

10. Second teams shall not play more than four out-of-town games, (basketball teams may play six games).

The second violation will be followed by a report to the committee.

Section 2. The committee shall have the power to summon the accused persons and witnesses, and conduct a formal investigation. In case of conviction for the first time, the committee shall recommend to the faculty that the term's mark for the subject or subjects in which the student has been convicted of violating the Honor System shall be cancelled and his or her name shall be posted in Kanakadea Hall and in

Section 3. All evidence possible shall be procured in every case and in no event shall a man be tried the second time for the same offense, except in the light of new and important evidence.

ARTICLE V

Section 1. Each student must, in order to make his or her examination or test valid, sign the following pledge: "I pledge my honor that I have neither given nor received aid in this examination," or the declaration "I do so declare."

Section 2. Members of the faculty shall insist that the above said declaration or pledge be attached to every examination paper. Any examination paper lacking this pledge shall be considered void by the instructor in charge. The instructor must notify any student whose paper lacks the pledge and give the student the opportunity of signing the said pledge.

ARTICLE VI

Section 1. The Student Senate shall keep and preserve a record of all cases acted upon. In no case shall a member of the Student Senate make mention publicly or privately of any case brought before the committee except through action of the committee as a body.

UNIVERSITY ORGANIZATIONS

Glee Club

The College Glee Club is an organization consisting of sixteen men and a director, the positions being competitive. Each year the Club makes an extended trip, giving concerts under the auspices of various schools, churches and other organizations.

Kanakadea

The Kanakadea is the Alfred Year book, published annually by the Junior class. The Board of Editors is chosen from the Juniors with one representative from each of the other classes.

Footlight Club

The Footlight Club is an organization to promote the best in dramatics. Its members are elected from those who show the most ability for acting, and a try-out play is held the first part of each college year. At least once every year some suitable play is selected and given by the club.

Chorus

The University Chorus, consisting of about a hundred voices, gives an opportunity to all who wish to improve themselves along musical lines. Each year one or more concerts are given in which much valuable experience is gained by the students.

Ceramic Society

The Ceramic Society is a student branch of the American Ceramic Society. It consists of all the upperclassmen and the faculty of the New York School of Ceramics. The society meets regularly and discusses Ceramic problems and other items for self improvement.

Ceramic Guild

Organized by the Art Department as a means of advertising the school by acquainting the people with a pleasing and creditable grade of pottery and as a means for the disposal of student work the Ceramic Guild gives regular exhibitions which have been very successful in the past.

General Athletics

Athletics are the spice of college life. Without them there is little to keep up college spirit at Alfred or any other College. Athletics do not pay financially, yet for the good of the College they must be kept up by the students. Successful teams are the best physical training department a college can have.

It is the duty of all to support athletics and of every one who can, to get on the field and do his part to make the season successful. Football, baseball, basketball, tennis and track are played here. Nearly everyone is capable of taking up at least one of the above forms of exercise and should show his spirit by trying out for the teams.

A departure in athletics was witnessed in the year 1915-16, when the hitherto separate athletic interests of the college and agricultural departments were combined into an all-university association.

Under the new arrangement, athletics are controlled by the Athletic Council, consisting of twelve conciliors; two upper classmen—one a man and one a woman—and two underclassmen from each of College, Ceramic School and Agricultural School. The Council formulates the general policy to be pursued, with suggestions from the faculty committee, while the execution of the plans is effected by the graduate manager, who has broad powers. Under the graduate manager are managers and assistants, elected by the Council for work in specified sports.

Financial support is secured through membership payment of dues and receipts from games, although the amount from all sources is not sufficient to prevent hampering our athletics. Every college student becomes a member of the association upon payment of his tuition bill, which includes an athletic tax of \$3.00 a year, making all

bona fide members with all rights to hold office under the association's supervision. By vote of its student body, Agricultural School assesses itself.

Football

is the college game. It is possible for a small college with the proper spirit to get out a winning football team. This has been proven at Alfred. With the students all pulling together and each one doing his share it will be possible for Alfred to have more winning teams this year. Come out freshmen and try for the team.

Basketball

Though not very successful at Alfred the court game is very popular and with a little hard grinding work Alfred ought to be able to produce a good team.

Tennis

There is much interest in tennis in recent years. Three courts are in excellent condition and more are planned for. It is being looked on with favor as a varsity game. Every year a tournament is held which creates great interest.

Interclass Track Meet

Interclass day gives every one an opportunity to show his class spirit and to win his class numerals if he failed to do so by playing on the class teams. Great interest is shown when all the classes meet and compete with each other for supremacy on the track and field.

Intercollegiate Track

Because of the short season of sport in the spring, baseball has been discarded in favor of intercollegiate track. Every able-bodied man has possibilities in this sport.

Interscholastic Day

For the last fourteen years, Alfred has held an interscholastic track meet at which high schools from central and western New York and Pennsylvania have been represented. Greater interest is shown in this event each year and large crowds come a great distance to see the meet. All the principal field and track contests are held and also two prize speaking contests—one for men and one for women.

Der Deutsche Verein

This organization holds jolly sociable meetings bi-weekly where a more practical knowledge of German is obtained besides an admiration for the German language and literature.

The Agora

Consisting of students of classical languages, the Agora aims to cause a further appreciation of Latin and Greek and seeks to study interesting facts about classical literature and civilization ordinarily missed in class work.

The English Club

Primarily organized with the purpose of studying contemporary literature the English club serves as a means of develop-

ing critical and appreciative reading of literature. Its informal discussions make its meetings entertaining and gives an opportunity for self expression.

The Mathematical Society

A very popular society aiming to enjoy the entertaining and recreational sides of mathematics as well as some of its serious problems. It now also includes a chess club where active and powerful opposition can be met by anyone desiring it.

FIAT LUX

The "Fiat Lux" is the University paper, the medium through which the news, announcements, strivings and attainments of the students are presented.

The life of and the interest in the paper depends for the most part on its news value, which is a function of hearty student co-operation. Report to the editors all activities of general interest, hand in suggestions for editorials or articles; if a bit of news from an alumnus is received, make it possible for the subscribing alumni to know of it. "Fiat Lux" can only live up to its name and give light to all concerning Alfred through the interest and help of all.

COLLEGE SONGS AND YELLS

The following are some of our songs and yells which every student should learn as soon as possible:

By the Old Steinheim A-Dreaming

By the old Steinheim a-dreaming,
When the sun is in the west,
When the bird notes are the sweetest,
And the village is at rest;
When the wind is in the pine trees,
And the Chapel bell is still,
There is rest for mind and spirit,
At this haunt upon the hill.

—Chorus—

You may go where'er you please
From the north to southern seas,
And you'll find no music sweeter
Than the wind in old pine trees;
How each restless thought it stills,
How the heart with rapture thrills
When the green comes back in spring-
time

To the dear old Alfred hills.

Tell us not of larger colleges
With greater wealth endowed,
For despite their great attractions,
Of A. U. we still are proud;
Scarce we understand the reason
But the very soil seems dear,
And we always breathe the freer
In this pure, clear atmosphere.

—Chorus—

Now the violet is blooming
And I dream the oriole calls,
And my heart is faint and restless
Far from classic paths and halls;
When the heart is only longing
Little sympathy it finds,
And I sigh for dear old Alfred
And the wind among the pines.

Alma Mater

Nestled away 'mid the Empire State hills,
'Neath the watch-care of sentinel pines,
Where the murmuring song of the brook
hums along,

And a favoring sun ever shines;
In a valley so fair where the forest trees
share

Dominion o'er hillside and glen,
Stands the pioneer college of Western New
York—

Alfred, the mother of men.

—Chorus—

Hail to thee, Alfred, thou guide of our
youth,

Sweet, benign mother, all hail!
Sing on thy anthems of duty and truth;
May thy clear ringing music ne'er fail.

She was founded in toil, cemented with
blood,

And nurtured thro' yearnings and tears,
Her treasure the hearts of brave heroes who
stood

Undaunted throughout trying years;
Each stone was a prayer and her battle-
ments there

Have mem'ries of purposes strong.
Staunch daughters and sons are her mon-
ument fair,

And they lift up the grateful song.

—Chorus—

Others may boast of prestige and size,
Of numbers and treasure and fame;
But Alfred's pride lies in manhood's clear
eyes,

And womanhood's high, stainless name.
Old Alfred, we say; Alfred now and for
aye—

Kenyon and Allen and Main,
And the gallant young leader we honor
today,

Her honor and power maintain.

Tune—Amici

Where the hills of Allegany
Stand as guardians 'round,
Nestling fondly in the valley,
Lies our college town.

—Chorus—

Alfred, hail! our Alma Mater,
Thee we'll always praise,
Sons and daughters ever loyal,
Songs to thee we'll raise,

College days will soon be over,
Far from thee we roam,
But we think of thee, old Alfred,
Ever as our home.

—Chorus—

Ray! Ray! Song

Way up in Allegany
'Neath the shade of sheltering pines,
There stands a little college
That's for training noble minds,
And when they get together
On the gridiron, field and track,
You hear the students give their yell
And bring the victory back.

—Chorus—

Oh! Ray! Ray! Ray! Ray! Ray!
Hear the students yell,
Ray! Ray! Ray! Ray! Ray!
Notes of victory tell,
Oh! Ray! Ray! Ray! Ray! Ray!
Better move along
When you hear the students
Sing their Ray! Ray! song.

Oh here's the little college
That will help you do your best.
Her girls are true, her men are strong,
They always stand the test,
And when they get together
On the gridiron, field or track,
They put their shoulders to the wheel,
And bring the victory back.

Our love for Alma Mater dear, we'll pledge

Hurrah for old Alfred.

Hurrah, Hip! Hip!

Hurrah, Hip! Hip!

She's hale and hearty yet,

O! may her luster never fade, her glory
never set.

Hurrah boys, for Alfred and victory.

One long Ray yell we'll give you boys,
to cheer you for the fray,

We'll fly our flags and sing our songs,
and float our colors gay.

You do your best, we'll do the rest,
to help you win the day,

Hurrah boys for Alfred and victory.
