AU 6th in North among colleges of 'best value'

ALFRED—Alfred University (AU) is a "Best Value" institution, ranked sixth in the North in the 2016 *U.S. News & World Report* Best Colleges rankings released Sept. 9.

U.S. News explained the regional institutions appearing in its "Best Colleges 2016 Guidebook" provide a full range of undergraduate majors and master's programs along with some doctoral programs. The 618 universities in the regional category this year are ranked against their peer group in one of four regions – North, South, Midwest, West – because, in general, said *U.S. News*, they tend to draw students most heavily from surrounding states. AU is among 15 institutions selected as Great Regional Schools at Great Prices in the North.

"I am very excited to be recognized as a Best Value University by *U.S. News & World Report*," said Jamie Marcus, AU Admissions director, adding, "however, I am not surprised because Alfred University is an amazing place where students receive an outstanding education that lasts a lifetime without being burdened by a lifetime of debt."

U.S. News and World Report takes into account a school's academic quality and the 2014-15 net cost of attending for a student who received the average level of need-based financial aid. The higher the quality of the program and the lower the cost to attend equates into students/families receiving the better deal, according to the magazine's methodology information.

The "Best Colleges 2016" guidebook will be available on newsstands beginning Tuesday, Sept. 29.

Alfred State moves up among 'best colleges'

For the ninth consecutive year, Alfred State has made the *U.S. News & World Report's* Best Colleges rankings, tying for 19th among the top regional colleges in the North for 2016, up from 22nd a year ago.

The college has also tied for sixth place among top public regional schools in the North, moving up from seventh place last year. Furthermore, Alfred State tied for 14th on the list of best colleges for veterans among regional colleges in the North, and tied for seventh on the freshman retention rate list for regional colleges in the North.

"We're delighted that Alfred State continues to perform well on the national scene and we're pleased with our faculty and staff for keeping us in incredible areas of ranking both statewide and nationally," said Alfred State President Dr. Skip Sullivan. "This is a testament to the great experience students have at Alfred State."

U.S. News & World Report's Best Colleges list is one of the most sought-after rankings among colleges and universities across the nation. The rankings include data on nearly 1,800 colleges and focus on academic excellence, with schools ranked on up to 16 measures of academic quality.

Voters in all three districts say 'no' to merger

By DAVID L. SNYDER
Editor, Publisher & Janitor

ALMOND—Alfred-Almond Central School District voters may have been more decisive than their counterparts in the Arkport and Canaseraga Central School Districts. But they all agreed. The answer is "No!"

Alfred-Almond Central School District voters came in droves to cast their "yes" or "no" votes with 134 voting "yes" and 582 voting "no."

In comparison, only about a third of the Alfred-Almond Central School voters showed up for the school district budget vote back in May.

A single defeat of the straw vote in any one of the three school districts would have closed the door on further discussions of the proposal. Voters, however, by unanimously voting "no" in all three school districts essentially slammed the door on the three-school merger plan. A two-school merger could be pursued, however.

Gov. Cuomo proposes statewide \$15 minimum wage

ALBANY—Workers and union organizers were cheering in New York City on Thursday, Sept. 10 as Gov. Andrew Cuomo announced his latest minimum-wage proposal.

The governor first announced that the state Department of Labor has officially approved the recommendation to raise the minimum wage for fast-food workers to \$15 an hour. But then he went a step further, saying that if fast-food workers deserve

a raise, then so do construction workers, home health-care aides and taxi cab drivers.

"Every working man and woman in the state of New York deserves \$15 an hour as a minimum wage," Cuomo said, "and we're not going to stop until we get it done."

Cuomo will ask the Legislature to pass a bill increasing the wage from the current \$8.75 an hour, phasing it in over three years in New York City and six

years for the rest of the state, the same schedule as the raise for fast-food workers.

Los Angeles and some other cities already have raised their minimum wage to \$15, but if state lawmakers act on Cuomo's proposal it would make New York's the highest statewide minimum in the nation. Mary Kay Henry, international president of the Service Employees International Union, said that will send a clear message to the

governors of every other state.

"New York is going to challenge the rest of the nation to deal with the grossest inequality in our generation once and for all," she said.

Some business leaders claimed that raising the minimum wage will force them to lay off workers and cut hours, but Vice President Joe Biden contended that putting money into the hands of working people actually will stimulate the econ-

omy and create more jobs.

"It's the right thing to do, and the federal minimum wage needs to be raised," he said. "It's been 10 years since Congress has increased it. People are further behind today than they were 10 years ago."

President Obama has called for raising the federal minimum wage to \$12 an hour.

OBITUARIES

Karen Gringhuis, 73, earned BFA from AU at age 55

KAREN GRINGHUIS
Enthusiastic potter
CHICAGO, IL-Karen

Gringhuis died on Tuesday, Sept. 8, 2015 from T-cell PLL, a rare and fatal lymphoma, at the age of 73.

Karen was an enthusiastic potter who, at the age of 55 earned her BFA from the New York State College of Ceramics at Alfred University. She studied under Val Cushing and did her best to carry on his tradition of open information and support of fellow artists.

Earlier, she had earned a bachelor of science and master's degree in business administration from Michigan State University in the 1960's.

She had previously shown her

work at Members Art Gallery, Rochester; Lil Street Studios in Chicago and The Gallery in Alfred.

She is survived by her devoted husband and care-giver of 50 years, Rick; her sister Dr. Janina Latack of Tucson, AZ; Andrew and Jessica Latack, her nephew and his wife and their two adorable dogs, Fern and Elle, all of Manhattan; and by her dear friend Carrie Crane, also of Chicago.

At Karen's request no services will be held. Funeral Information and condolences can be given at www.GluckertFH.com or (847) 253-0168.

Joyce Weimer had worked at Alfred State 37 years

JOYCE LEONARD WEIMER

Connected people to benefits

WELLSVILLE—Joyce Leonard Weimer completed the journey home to heaven on September 5, 2015 after five years of breast cancer. She was born December 14, 1951, married to Alyn Weimer on Friday, March 13, 1970.

When she was 21 when she asked Jesus to be her Savior. That became the center of her life from then on. They raised

two beautiful children, Tricia Herritt (Richard) Andover, and Ryan Weimer (Mary) Scio, who added to the family beloved grandchildren Wesley, Olivia and Carolyn Herritt and Jack and Benjamin Weimer.

She graduated from Bolivar Central, Rochester Business Institute and received her bachelor degree from SUNY Empire State College while working and raising her family.

Throughout her life she was active through her church, community service, employment, music, hobbies, reading, and people. Joyce could be counted on for fund raising from marching band to her United Way work. She was introduced the income tax VITA/EITC program to Allegany County United Way. She served statewide on CSEA Board of Directors and was state Insurance Chair for 25 years. While employed at Alfred State College for 37 years, she worked on both the Wellsville and Alfred Campuses. The Student Activities Center was her longest involvement organizing activities and the Wellsville In-

tramural program. She completed her career as the Director of International Education recruiting in Southeast Asia and Mexico for international students as well as coordinated on campus regulations and study abroad programs. For three years she organized and hosted the downtown Children's International Festival. Throughout her career she was active on several committees at Alfred such as Cultural Arts, Summer Orientation Co-Chair, Middle States, EAP Director, former CSEA union president and in other offices. Her involvement in organizations was all about connecting people to benefits, at no cost when possible.

She is also survived by a brother James Leonard (Sherry) Little Genesee and their children Jammie Swanson (Thomas) Hamlin; Pelle Ayers (Jerry) LeRoy; Tara Leonard (Spencerport); sister-in-law Joan Tucker, Scio, her children Troy Tucker (Rhonda) Danielsville, PA; Tanya Scholla (Doug) Scio and her 103 year old mother-in-law Margaret Weimer. Also surviving are Joyce's Aunt Marion Barney, Hallsport, and Uncle Art Leonard, Green Valley, AZ plus several cousins, nieces and nephews. Many special friends, Rock Lake Ontario family and her church families at the Allentown United Methodist Church and at the Wellsville C&MA Church. Her life was blessed.

She was predeceased by her parents, Ken and Violet Leonard, (Little Genesee) brother Kenneth Leonard (II); grandparents George Arthur and Gertrude Leonard; grandparents Harold and Osee Barney. Father-in-law Albert Weimer and brother-in-law CD Tucker, Scio.

A celebration of life will be held Sunday, Sept. 20 at the Lake Lodge, Alfred. Arrangements will be made by JW Embser Sons Funeral Home, Wellsville, NY. To leave online condolences please visit www.embserfuneralhome.com.

Memorials can be made to Allegany County United Way, PO Box 12, Wellsville, NY 14895 or Roswell Park Alliance Foundation, Elm & Carlston, Buffalo, NY 14263. Her ashes will rest in a green everglade on a piece of paradise on earth.

Baker's Bridge Historical Assn. will hear about dairy antiques

ALFRED STATION-The first fall meeting of the Baker's Bridge Historical Association will begin at 7:30 p.m. Monday, Sept. 21 at the "Meeting House" which is located at 5971 Hamilton Hill Road, Alfred Station.

Guest speaker will be Martha Roberts who will share a story of the outcome of a dream of her husband Jim which he had in the early 1990's. Over the years prior to this time, Jim and Martha had participated in many antique tractor and equipment shows and Mr. Roberts felt it was "time to do something for the ladies" at these events.

Martha grew up next door to her grandparents' dairy farm and at the time that their estate was being settled, the Roberts acquired many items which had been part of her grandparents' dairy business. In addition, they purchased other interesting memorabilia as well as receiving donated items from folks who knew of their expanding collection.

Jim, a tractor enthusiast, built a steel frame trailer, covered it with wood to make it look like a milk house, and moved many of the Roberts dairy antiques into MARTHA'S MILK HOUSE. During the next 25 years, the display trailer was taken to many places, and events as an educational piece of days gone by. Some of the items for "show and tell" are churns, butter items, setting cans, an 1865 "American Cow Milker," an ice cream sucker mold, bottles and tin wear.

For more information about the Baker's Bridge Historical Association, please refer to www.bakersbridge.org.

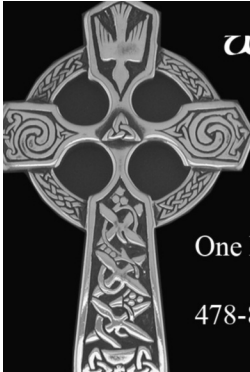

Unofficial Primary results

BELMONT—Unofficial tally for the Republican Primary on Thursday, Sept. 10 showed Joshua Bluhm led in the Republican primary for town supervisor in the Town of Genesee, but only by two votes. Bluhm collected 28 votes to William G. Dibble's 26. Genesee was one of four towns in Allegany County in which there was a primary for at least one office. Results were posted on Allegany County's website.

In Almond, Teresa L. Jaycox collected 76 votes for town clerk/tax collector to Kristina Hurd's 31.

Amity's GOP primary featured a four-candidate race for two Town Council seats. Donald Skinner and Brian M. Clendenin, with 62 and 45 votes, respectively, were unofficially the top two vote-getters. David J. Gominiak and Harold W. Mitchell collected 38 and 37 votes, respectively.

In Angelica, Sharon A. Presutti tallied 79 votes as a candidate for town clerk/tax collector. Melva C. Clark got 7 votes.

Clara Barton will visit Hagadorn House

ALMOND—A special treat is in store for area residents when they attend the Almond Historical Society’s Sept. 20 Open House. That Sunday afternoon at 3 p.m., Clara Barton, “Angel of the Battlefield,” will pay a visit to the Society’s Hagadorn House from her home in Dansville.

Roxanne Rice of Wellsville, who will impersonate Clara Barton, noted that she and her Wellsville family have been Civil War re-enactors for over fourteen years.

“I have always loved history, especially the American Civil War. My son Daniel got the family interested in re-

enacting after learning about Abraham Lincoln in kindergarten. Our family joined a Civil War re-enacting group soon after,” she explained.

Roxanne has been a member,

and is the Civilian Coordinator, for Cushing’s Battery 4th US Light Artillery out of Rochester. After reading the book, Clara Barton: A Woman of Valor, Roxanne felt that more people needed to know about this fascinating woman who seems to have been forgotten in our American history.

Roxanne sews all of her own period dresses and headwear. She did extensive research on clothing, fabrics, colors and styles of the Civil War era. Her goal is to look like she stepped out of a history book.

The Hagadorn House is located at 7 Main Street, Almond, at the red light located on the corner of Karndale Avenue and Main Street. The 1830s house will be open from 2 to 5 p.m., with Clara Barton’s visit set for 3 p.m.

The Norris family will be furnishing refreshments for the meeting.

AU Hispanic clubs ‘step up to the plate’

ALFRED-Alfred University’s Poder Latino looks to raise money for the American Heart Association with its Homerun Derby at 1 p.m. Sunday, Sept. 20 at the Harrington Softball Complex at AU.

Poder Latino is the Hispanic Heritage Club of Alfred Univer-

sity, and its mission is to bring the Hispanic/Latino culture to the Alfred community. With the help of Alfred State’s Latin American Student Organization [LASO], the Homerun Derby is part of the clubs’ kickoff weekend celebrating Hispanic Heritage Month.

Hispanic Heritage Month began on Tuesday, Sept. 15, and continues until Thursday, Oct. 15.

“We can’t take full credit for the idea,” senior club president Jasmine A. Ramón says, “LASO tried to put together the derby back in the spring, but the timing wasn’t right. We’re very excited to collaborate now!”

Both clubs are working together to put on the event with

the help of Alfred University’s NCAA Division III Super Regional Champion Softball Team.

The charity was chosen because, according to the American Heart Association, Latinos and Hispanics face a higher risk of cardiovascular disease. A Homerun Derby is also appropriate because baseball is a large staple of Hispanic culture in countries such as Puerto Rico and the Dominican Republic.

Anyone who is able to handle regulation sized bats and softballs is allowed to participate. It is \$1 for 3 hits, and \$3 for every 10. Donations are always welcome, and there is a \$25 gift card prize for the winner. Will you step up to the plate for a good cause?

SUNNY SIDE UP
By **ELLEN SHULTZ**

Dorothy Bouck worked at University

[Editor’s Note: Like most of the recipes she shared with our readers over the past couple of decades, Ellen Shultz’s Sunny Side Up columns are worth repeating.]

Dorothy Bouck worked many years for Alfred University in the offices of President Drake and President Miles, as well as in the University Library. Before that she taught business courses for the University and math at Alfred State College. She also served for more than forty years as the treasurer of the Union University Church.

In the early 1940’s Dorothy began to serve this cake and it quickly became a part of their family’s Christmas tradition. She referred to the inclusion of a can of Campbell’s tomato soup as “the secret ingredient.” Before serving it with the Fluffy Hard Sauce, she usually warmed it in the oven or microwave.

Mom’s Fruit Cake

- | | |
|------------------------|------------------------------|
| 2 c. sifted cake flour | 1/2 c. shortening |
| 3 tsp. baking powder | 1 c. sugar |
| 1/2 tsp. soda | 2 1/2 c. prepared mincemeat |
| 1/2 tsp. cinnamon | 2 eggs, well beaten |
| 1/2 tsp. cloves | 1 can Campbell’s tomato soup |
| 1/2 tsp. nutmeg | 1 c. chopped walnuts |

Sift together flour, baking powder, soda and spices. Cream shortening and sugar. Add mincemeat and mix thoroughly. Blend in the eggs. Add flour mixture alternately with the soup. Mix in the walnuts. Pour into a greased 9 1/2 x 3 tube pan. Bake at 350 degrees about 80 minutes or until done. Cool.

Hard Sauce: Thoroughly cream 1/2 c. butter with 2 c. sifted confectioner’s sugar. Stir one beaten egg yolk into the creamed mixture. Fold in one stiffly beaten egg white. Chill.

How much was spent on the three-school merger project?

Dear Editor,

Now that the school merger vote is over I would like to know just how much money was spent from start to finish on this project.

It seems to me that it would have made more sense to have had a vote first, to see if there was any interest at all in this project going forward. If yes, then go ahead and spend tax payer money on the study to come up with a final proposal, then have a final vote on the package.

This thing seems to have been

done backwards, with no respect for tax dollars spent. Unfortunately, this is typical of government, whether it be school, county, state, or Washington.

Repairing your car

Dear Editor,

True or false: Until your vehicle is out-of-warranty, it must be serviced by the new car dealer or the factory warranty will be void. Although you may have answered "true," the correct answer is "false."

It's the law that consumers can have routine repairs performed by their local independent repair shop or do the work themselves without affecting the warranty. The Magnuson-Moss Warranty Act, enforced by the Federal Trade Commission (FTC), prohibits a manufacturer from void-

ing the vehicle warranty because service was done by a non-dealer.

According to the FTC, "It's illegal for a dealer to deny your warranty coverage simply because you had routine maintenance or repairs performed by someone else. Routine maintenance often includes oil changes, tire rotations, belt replacement, fluid checks and flushes, new brake pads and inspections." It is also important to note that the "Magnuson-Moss Warranty Act makes it illegal for companies to void your warranty or deny coverage under the warranty simply because you used an aftermarket or recycled part."

The council strongly recommends adhering to scheduled maintenance requirements and keeping records and receipts for all vehicle service. If a warranty claim arises, these records will provide proof that maintenance has been performed in accordance with the manufacturers' recommendations and requirements.

Sincerely,
Rich White

REFUGEES OR IMMIGRANTS? WHAT IS REALLY GOING ON?

The "refugee" crisis has been dominating recent news reports. More than 5 million refugees are trying to get into Western Europe and the United States. Pope Francis has called upon western political leaders to accept thousands of these refugees. President Obama has announced plans to accept 10,000 more Syrian refugees in the coming weeks. However, the news media isn't really explaining what is going on. Most of these so-called "refugees" don't fit the traditional definition of refugee. They have not been targeted for religious, political or ethnic persecution. They better fit the definition of "immigrants."

From a purely humanitarian viewpoint, it appears there is definitely a crisis. Hundreds of thousands of people are fleeing from terrible conditions in their home countries. Most countries in the Middle East and Africa cannot provide the basics needed to sustain life. Most of these refugees/immigrants have been experiencing starvation, brutality, lack of medical care, and inadequate housing. They have decided that almost anything would be better than what was available in their homelands. Their own national governments are either the source of the problems, or are powerless to resolve the problems.

These refugees/immigrants think that moving to a wealthy country will solve their problems. Unfortunately, most of them lack the skills needed to succeed in a modern economic system. In addition, they don't know the language, culture or values of the countries they are trying to escape to. Add in religious, ethnic, cultural and social differences and you have a situation that is almost guaranteed to explode.

Millions of these refugees/immigrants have decided that their destination of choice is going to be Western Europe or the United States. The Arab nations of the Middle East have refused to let them in. The same is true for Central American refugees and Mexico. In most cases these refugees/immigrants are paying large sums of money to smugglers and other criminal types to get them to their chosen destination. The current humanitarian crisis actually represents the flip side of the refugees/immigrants intentional and calcu-

TOWN TALK

By DAN ACTON
Alfred Town Supervisor

Highlights of the August 13, 2015 Town of Alfred Board Meeting

The regular monthly meeting commenced with the pledge of alliance after which the board heard the concerns of a new resident in the Town regarding snow plowing and code enforcement. The board thanked him for attending then listened to and responded to the concerns brought forward.

The board next heard the report of code enforcement officer Steve Kilmer who recommended a one month time frame for completion of a fence at Alfred Collision. This will block the view to vehicles in the rear of the premises.

The highway superintendent reported that work on the new Waterwells Road culvert was almost complete. Board member Mary Stearns suggested that since the town pickup is on a one-year rotation, a removable Town of Alfred sign be acquired which easily could be transferred to a new vehicle.

The supervisor reported that the Village of Alfred intends to conduct a study to explore expanding the sewer district. A referendum would have to pass in any area that wanted to join the sewer district.

In recognition of recent conversations of possible dissolution by the Village the board reviewed Article 17-A of General Municipal Law dealing with the dissolution of a governmental unit. Dissolution entails a three-step process. If initiated by boards the first step is adoption of a dissolution plan by both governmental entities. In our case this would be the Town and Village. Second, a public hearing would be held, after which the plan may be modified. Third, a referendum would take place and the plan would have to be passed by both governmental entities. If the referendum passed in both entities (Town and Village), the plan would take effect; if it failed a four-year waiting period would be in effect before this process could be repeated.

As the last order of business guest Mark Klingensmith stated that Comprehensive Plan Surveys are available at the town website and a number of establishments in the Town and Village.

Complete minutes are available at the Town of Alfred Website.

They must have one more worthy up their sleeve,
These daughters of their lovin' Mother Eve.

Some say Liz Stanton oughtta do the trick;
Still others think Sue Anthony's our chick.
But neither of the two has yet a lock—
Cuz Eleanor is also in the dock.

Yet even they were not the sole contenders
For the beautifying of our legal tenders;
Ideas ranged from grand down to ridiculous—
I even saw a vote for Ms. St. Nicholas.

Bets Ross would have it sewn up in a jiffy;
Beyoncé, though, would be a bit more iffy.
To Sandra Day O'Connor, say good-night,
And several more went down without a fight.

Now, some might even save that space for Hillary;
But those who're thinking Caitlyn...don't be sillary.
Rosie'd give those riveters a voice,
But Wil' Mankiller? An inauspicious choice.

Then there's that Tubman woman—she's a plucky figger;
Though perhaps she should be on a bill much bigger.
She'll get her due—of that I have no doubts—
Cuz Andy...well, he's REALLY on the outs.

Joyce Carol Oates to speak in Wellsville

WELLSVILLE—The David A. Howe Public Library of Wellsville is thrilled to announce that on Friday, Oct. 2, award-winning writer Joyce Carol Oates will speak in the Nancy Howe Auditorium.

Oates has authored more than 100 books, including bestselling novels, short story collections, poetry, plays, essays, and memoirs.

Major works include We Were the Mulvaney's, Blonde, Them, and The Gravedigger's Daughter, to name but a few. Her latest memoir—The Lost Landscape: A Writer's Coming of Age—came out earlier this month and recounts the author's childhood

years growing up in Western New York.

The theme of her talk—the use of Western and Central New York as the backdrop in many of her works of fiction—will mesh well with this latest literary effort.

The visit, arranged by Head of Adult Services Nic Gunning, is being sponsored through the combined generosity of the Friends of the David A. Howe Public Library and Houghton College. The lecture begins at 7 p.m. Friday, Oct. 2. It is free and open to the public. Seats will be first come, first serve. Additional seating will be available in the Exhibition Room where the talk will be streamed live.

Following the lecture, the Friends will host a reception and book signing with the author in the library's main reading rooms. This is a ticketed event and will include a reserved seat at the lecture and admission to the reception, where hors d'oeuvres will be served and Houghton College will provide live musical entertainment. There will also be a cash bar. Tickets are \$35 each and only a limited number will be available. The ticketed reception will be held from approximately 8 to 10 p.m.

For more information about the visit, please contact the library at 585-593-3410 or via email at Wellsville@stls.org

McFadden will talk about Ku Klux Klan at AU

ALFRED—Laurie McFadden, Alfred University archivist and librarian, will examine the University’s Ku Klux Klan fraternity as the longstanding lunchtime series, the Bergren Forum, continues Thursday, Sept. 24, at 12:10 p.m. in Nevins Theater, Powell Campus Center. The program is free and open to the public.

In her talk, “Friend or Foe: The KKK at Alfred University,” McFadden will examine the fraternity and the time period in

which it was active on campus. Her findings will be used as a case study to illustrate the need for reactions and assumptions to be based on historical, not contemporary, context.

McFadden earned a bachelor’s degree in business administration from AU and a master’s degree in library science from the University at Buffalo.

The Bergren Forum is sponsored by the Division of Human Studies, the College of Liberal Arts and Sciences, and the

Provost’s Office. Guests are encouraged to bring a brown bag lunch; coffee and tea will be provided.

The series known as the Bergren Forum was begun by Rick Bergren, who taught at the University in the ‘70s, when he was inspired by learning of the gatherings that (AU) students in the 19th century were known to conduct in Alumni Hall to discuss community issues. After Bergren’s death in 1974, the University decided to continue the tradition in his name. Various faculty members have taken on the coordinator duties since that time. William S. Dibrell, professor of philosophy, is the current coordinator.

The DIY Farmer's Wife Approach

By KRISTINA SNYDER
Alfred Sun Columnist

Maryland Mom's Fried Green Tomatoes

A friend of mine, Krystal Cooper asked me for three green tomatoes a couple weeks ago and my response was "what on earth for?" She proceeded to inform me of the Maryland tradition of fried green tomatoes. So if you are looking for a use for all those green tomatoes that won't ever ripen, try out this snack alone, on salad or dipped in remoulade sauce.

Fried Green Tomatoes

Here's what you need:

3-4 green tomatoes
1/2 c cornmeal
Milk
1 1/2 c flour
t. salt & pepper
Vegetable oil

Mix together flour, cornmeal, salt and pepper. Add enough milk to create a thick batter. Heat two inches of oil in a large skillet. Batter each tomato slice. Carefully place in hot oil, until brown. To cool, drain in a colander to keep tomatoes from becoming soggy. Salt to taste.

If you have a household tip to share or questions for The Farmer's Wife, e-mail: Kristinamarie Snyder@gmail.com or write her at: The Farmer's Wife, 1724 Randolph Road, Alfred Station, NY 14803.

Pigskin Picks Football Contest

BOB GROGAN wins on Tiebreaker!

Robert Grogan of Canisteo edged Bob Baker of Alfred on the tiebreaker to capture Week 2 honors in the Pigskin Picks Football Contest. Each had just 3 misses. On the tiebreaker, Grogan picked Philadelphia to beat Atlanta 24-20, while Baker picked the Eagles to win 21-14. The Falcons prevailed, 26-24, so Grogan's entry was declared the winner.

Barb Welch of Arkport had only 4 misses, while finishing with 6 misses were Doug Lorow of Webster, Betsy Brooks of Alfred Station and Nelson Snyder, also of Alfred Station. All other contestants had at least 8 misses of the 20 games.

Each week, the participant with the best entry

receives \$10. At the conclusion of the 13 weeks, an entry will be pulled from among the hundreds of entries in order to award a \$50 cash prize.

It's easy to participate! Enter your guesses of winners of the 20 football games (found in the ads on these pages) and predict the score of the MNF game as the tiebreaker in the form below. Enter today! The entry form below is due by **5 p.m. Friday, SEPT. 25.**

Send entries to: Pigskin Picks, PO Box 811, Alfred, NY 14802 or take to the ALFRED SUN mailbox on the porch of the home office located at 764 Route 244 in Tinkertown. Good luck!

Hart Comfort House to hold volunteer training session

WELLSVILLE-Hart Comfort House will hold its next Volunteer Training at 5 p.m. Friday, Sept. 18.

The Hart Comfort House is a non-profit home that cares for people in their last three months of life. We do not charge for our services, therefore, we are mostly staffed by volunteers.

Our volunteers come from all walks of life. The one thing they have in common is the desire to help. We greet families, make meals, clean, provide an ear to listen, encourage, support, assist but mostly we Care.

For more information, please contact the Volunteer Coordinator, Cheryl VanCassele at 596-1045 or volunteerschac@gmail.com.

A.E.Crandall Hook & Ladder Fire Company Service and Activities

Summer spinning into Fall for emergency personnel

By **BECKY PROPHET and REBECCA WEAVER HAMM**
Of the A.E. Crandall Hooks

A.E.Crandall Hook and Ladder Company served the Village with both fire and ambulance coverage and the Town of Alfred with ambulance service throughout the summer. Calls for July and August included:

In July the fire company responded 15 times. There was also one mutual aid call to Greenwood for a structure fire. Alfred's ladder truck was an important component in fighting that fire and was crewed by Paul Weaver and Zachary Hamm.

In August there were 24 fire calls and two standbys.

Ambulance crews responded to 17 calls in July. In August the company had 21 calls, 9 of them on the weekend of Aug. 29-30, alone.

As the leaves turn and summer becomes fall, area residents are encouraged to ask themselves, "Can the fire department find our house in the dark?"

The 911 dispatch system identifies locations by street/road ad-

dress only—gone are the days when the dispatcher would give the home owner's name as well as the address over the radio system.

While this gives residents greater privacy, it also means that the fire and ambulance crews may need to think for a moment about locating the house. Many have the house number on the front door, but fewer have the street- or road-side mailbox marked or some other marker visible from the street.

In an area where properties aren't necessarily numbered sequentially, this can mean that emergency responders will have to take more time to avoid "overshooting" an address - time they would rather spend addressing the emergency.

Residents are asked to please consider adding reflective numbers to both sides of their road-side mailbox or a reflective marker with the address on it. It could save valuable time in an emergency.

Whatever property one owns

where there could be an emergency, residents are asked to be sure emergency personnel can see the street number after dark, especially, whether or not the porch light is on!

50 Years Ago, September 16, 1965

Approximately 1,000 incoming freshman students will swell the fall, 1965, enrollment at the State University Agricultural and Technical College here to a record high of 1800 students when classes begin on September 22, Donald H. Gibbs, director of admissions states. This will be the third successive year that enrollment has reached a new high at the college, climbing from 1,494 in 1963-64, to 1,736 in 1964-65, to the present, 1,800 he said. Of the 1800 students, a total of 1406 will be housed in college operated housing units, according to Richard J. Giedlin, acting dean of men and director of student housing...

Lester Ray Polan of 1 Reynolds Street, Alfred, died Wednesday afternoon, Sept. 15, 1965 in Bethesda Hospital, following a long illness. Mr. Polan was born at Jackson Center, Ohio, Feb. 23, 1892. He had been an Alfred resident for the past 34 years. He was a member and deacon of the Alfred Seventh Day Baptist Church. Formerly a professor of mathematics at Alfred University, he retired in 1958 after 26 years of service to that institution. He is survived by his wife, Phebe H. Polan, of Alfred; one daughter, Mrs. Karl Scheffer (Genevieve) of Clearfield, Pa.; one son, Dr. Donald Polan of Rochester; two brothers, Guy Polan of Milton, Wiss., and the Rev. Herbert Polan of Battle Creek, Mich.; one sister, Mrs. Ray Potter of Fort Myers, Fla.; and seven grandchildren...

Robert M. Glover, 57, of 19 High Street, died Friday evening, Sept. 10, in Bethesda Hospital in North Hornell, following a three-day illness...A native of South Dansville, Mr. Glover had spent most of his life in Alfred and for the past 14 years had operated the Glover Grocery on Main Street. He was a member and Past Master of University Lodge 944 of Alfred; a member and Past Patron of Kanakadea Chapter, OES, at Alfred, and a member of the Corning Consistory. He was a member and deacon of the Alfred Seventh Day Baptist Church. Surviving are his widow, Mrs. Ruth Crites Glover; one daughter, Mrs. Paul Kukuvka of Johnstown, Pa.; one son, Jack Glover of Alfred; his mother, Mrs. Mabel Glover of Canaseraga; one sister, Mrs. Lloyd Hubbard of Gorham; and six grandchildren.

A new page in the history of the State University Agricultural and Technical College here begins this week with the relocation of the administrative offices in the old Administration Building to new quarters on the school's west side campus. The transferring of desks, chairs, filing cabinets and other office equipment began Monday. The move is expected to be completed by Thursday...

Smith returned home Saturday night from a visit with their son in Morocco for three weeks. Miss Jennifer Smith left Monday for the University of North Carolina at Chapel Hill, where she will do graduate work in mathematics...Mr. and Mrs. N.F. Tucker spent last weekend with Mr. and Mrs. Earl Beeton at Bethlehem, Pa...Mrs. Larry Sweet and son are visiting her parents, Mr. and Mrs. Albert Rawady and assisting in the store for a few weeks...

Dr. and Mrs. H.O. Burdick were victims of a Labor Day weekend car accident while en route to Rockville, R.I. Rammed by another car, the Burdicks were severely injured and their car was demolished. Both were taken to the Westerly Hospital by ambulance where their son, Dr. Kenneth Burdick of Hanover, N.H., was with them for four days. They were flown by chartered plane to Wellsville, Saturday, and brought to Alfred by ambulance. Both are confined to bed at the present time. Judy Burdick Downey of Camp Hill, Pa., has been with her parents for ten days. Mrs. Mark Sanford came yesterday when Mrs. Downey left and Mrs. Robert Hudson of East Aurora arrived to stay with her parents for the rest of the week.

25 Years Ago, September 20, 1990

Alfred Town officials are understandably upset by 1990 U.S. Census results that show the town's population has decreased by 500 over the past decade. The Post-Census Local Review showed the Town of Alfred with 1,025 housing units in 1990, with 99 vacant units. According to the report, population of the town is 5,690 in 1990, down from 6,191 in 1980. "I can't see how we've lost any," said Town Highway Superintendent Doug Burdick. With 15 days to protest the results, Town Supervisor Robert W. Boyd said he would write a letter of protest...

Doris B. Krusen, 76, of Tampa, FL. died Tuesday, Sept. 4, 1990 in Palms Garden Nursing Home in Tampa. Born in Alfred Station, a daughter of Earl and Bertha Burdick, she was married to Ralph Krusen, who died in 1982. She had lived in the Tampa area since 1956. She was formerly employed by the Alfred Telephone Company...

Gifford D. Hopkins, 53, of Jasper, died Saturday, Sept. 15, 1990 at the Queens General Hospital, Liverpool, Nova Scotia, Canada. Born April 14, 1937 in Hartford, CT, son of Allen and Ethel Drew Hopkins, on June 15, 1962, he was married to the former Sally Ann Lawrence, who survives. He was graduated in 1957 from the Loomis Private School, in 1960 from Yale University and had done graduate work at Alfred University, Elmira College and Lehigh University. A high school English teacher at the Hill Preparatory School for Boys in Pennsylvania from 1960 to 1965, he taught junior high school English from 1965 to 1969 at Canisteo Central School, and was an associate professor of English at Alfred University from 1969 until retiring this year...

Sunbeams—Doris Simpson attended Old Home Day Sept. 16 in Dalton and chanced to see some former grade and high school classmates...Attorney Bill Pulos will discuss "The Living Will" at the Sept. 23 meeting of the Alfred Station Fellowship...Do you know that the new gazebo in Almond's Village Park actually replaces a similar bandstand that was torn down in the 1950s? The new "Leon Hanks Gazebo" was erected in memory of Almond's former mayor who served from 1960 to 1970 and for years tried to generate interest in replacing the old one. During the late 1890s into the 1920s, many a band concert was held there. The Almond Horn Band gave concerts there and is remembered in the red embroidered quilt cover in the Almond Historical Society's quilt collection. Thanks to Bob and Betty Costello, who banded Almond citizens together and raised funds for the new stand. Ron Coleman's students in the Building Trades Curriculum of Alfred State's Vocational School in Wellsville were the builders....Two Allegany County artists have been accepted into Walt Disney World's 1990 Festival of the Masters. The Alfred-Almond Central School Board of Education made two winter coaching appointments following an executive session at its Sept. 12 meeting. John Ninos, who last year guided the Eagles to their first ever Section V Class D wrestling championship, was reappointed wrestling coach. Ninos will have a state champion, Kenny Porter, to lead his squad this season, although he will miss several talented athletes who were graduated in June. Appointed varsity girls basketball coach was Anthony Mastrobattisto, who last year coached the girls' softball team. He is Alfred-Almond's instrumental music teacher...

Eric Winkleman, a member of the Alfred-Almond FFA, was a member of the first place livestock judging team at the New York State Fair. The Allegany County FFA team of which Eric was a member, placed first in statewide competition against nine other teams in livestock judging...Eric was accompanied to the State Fair competition by his Alfred-Almond FFA advisor, Paul Gabriel.

Can the Alfred Saxons regroup and be ready for a typically rugged Ithaca College football team Saturday at Ithaca's South Hill Field? The Saxons had their eight-game win streak snapped by Albany State Saturday night, 24-8, as the Great Danes capitalized on AU miscues to earn their first win of the young season...

(Photo) New Lion News—The Alfred Lions Club entered into their fortieth year of serving the Alfred community with many new additions and exciting changes. New president Sheila Foreman has taken over for 2004-2005 President Wally Higgins. Café Za's top floor has become the new Lions' den for their regular meeting and on Thursday, Sept. 8, the Lions proudly inducted their newest member, Asok Gupta.

Dr. James N. Schubert, who taught political science at Alfred University from 1978 to 1991, died Monday, Sept. 25, 2005 at his home in Arkport. He was 58. Born in Syracuse, Nov. 29, 1946, the son of Glendon A. and Betty Jo (Neal) Schubert, he completed his high school education in East Lansing, Mich., and received his BA degree from Michigan State University. He received his master's degree and his PhD in international relations and political science from the University of Hawaii. He taught for two years at Southern Illinois University, and later taught political science at Alfred University for 14 years, from 1978 to 1991. He then taught at Northern Illinois University from 1991 until his death...

Scene About Alfred—Last week's "scene" was, of course, the enormous new Equestrian Center recently built by Alfred University on Foster Lake Road, in fact, on the old Foster property. It is also, incidentally, the very old property where Ferne Jacox, who was the mother of Frank, Ken, Harold, Nelson, Kay Chapman and Dorothy Goodridge, lived. She once told me the story of the daffodils she planted along the driveway there, now gone, hoping to attract the attention, as she worked, of Ernie Snyder, who lived nearby and came by on a wagon on his way to work. She did attract his attention of course, and founded one of Alfred's dynasties, as the above-named people were all hers and Ernie's children. The cookie for identifying the sunflowers brightening the landscape on Jericho Hill was claimed by Kay Chapman after last week's paper went to press. The cookie for identifying the Equestrian Center was earned by Robert Graves.

(Photo) Summer Readers at Almond Library—Mary Jane Lloyd poses with the first session of summer readers at Almond Library. The group met weekly for five weeks this summer, reading books with a music theme. Teresa Jaycox and Kim Donius were also volunteer readers. This year's preschool group also met with stories read by Mary Trouslot and Katherine Pilgrim and others from the community.

Alfred University's campus is an interesting place. Anything might happen there—a temporary installation in a restroom or on a stair, a spirited dance or song in the quad, or live music that beats its way into the toes, swings up past the hips and gives the entire body a sense of freedom from gravity. That's what I found on Wednesday night in front of Ade Hall. Obscure Azure, four guys who've been playing together for two years, dediced to lug their drums, amps and four giant congas to the front of Ade Hall and just start playing. Members are John Charlwood (Conguero), Avi (electric guitar), Jeff Golden (Bass), and Eric Howard (drummer). THE band has played several benefit concerts and will be part of another to raise money for the Doc Walker Scholarship Fund at 1 p.m. Saturday, Sept. 17. (Dr. Gail Walker was a professor at Alfred University who lost her battle with cancer last spring). If the sun is out, the concert will be in front of Harder Hall. If not, look for them in the Knight Club. They'll be playing with Gaylord, a band from Rochester...

Sunbeams—Mark McFadden, assistant director of the Career Development Center at Alfred University, will be appointed president of the Middle Atlantic Career Counseling Association (MACCA) at the organization's annual meeting in Lancaster, PA...Daniel R. Volk of Alfred Station began work as a professional firefighter with the city of Hornell in January 2005...Veteran educator Dr. Robert K. Bitting of Alfred Station has been appointed associate professor of counseling...Frank Snyder of Belmont, formerly of Alfred, appeared in a recent issue of Time magazine (Aug. 29, 2005, pg. 27) in a photo with Hillary Clinton during the senator's visit to Chuck Deichmann's Willowcreek Farm, an organic dairy farm near Phillips Creek in the Town of Ward. He was pictured posing for photos with the senator, Steve Galle and Alexis Deichmann with the Deichmann home in the background. The photo accompanied a story about Clinton's White House aspirations with a cutline that read, "RURAL TOUR: Courting conservative voters, Clinton meets with dairy farm families in Belmont."

The Alfred University football team lost at Washington and Lee 36-22 on Saturday afternoon...

CLEAN WATER FOR THE WORLD

Upgraded microbiology laboratory results in more efficient research

By **NICK ROZARD**
Special to the Alfred Sun
I've upgraded the microbiology lab, and it's a big upgrade!

So, when you make filters you need to know how good they are at killing bacteria. I have my own microbiology lab built for

Before: Only four samples could be tested each week.

After: The new testing setup can take 22 samples while being much much more accurate. (Photo provided)

just that purpose. Every material that I make is tested in this lab, and It tells me exactly the effectiveness of the filter versus live bacteria.

Before I was only able to test four samples each week. That setup was excellent for understanding the bactericidal effects, but I couldn't take any other complimentary data. And it was so few samples per month!

On top of all that, I had to frequently throw away the samples to be able to re-use the testing holders, and thus couldn't go back if I had later questions.

Now I can run 22 samples at a time with my new setup! I can also run more water through and take data on more variables while I run the bacteria through the filter. The whole reason for the upgrade is to run Statistical Experimental Design experiments, which are awesome.

Basically they use statistical magic to help you tease out differences between the filters. This all means faster research, and much more data. This is what your donations are supporting.

Bottom line: Now I can do about five weeks of work in one week!

Deckers mark 50th wedding anniversary

Mr. and Mrs. Joseph Decker were honored at a 50th wedding anniversary celebration hosted by their four children: Joe (Jenny) Decker of Belmont, Dan (Laura) Decker of Allegany, Tom (Beth) Decker of Manlius and Jennie (Derek) Foreman of Hornell, and held at the Dan Deckers' home in Allegany.

All nine grandchildren were present along with extended family and friends. Festivities included a barbecue buffet dinner and entertainment of a slide show, music of the songs Joe sang over the years, and karaoke.

Former Alfred residents attending included Douglas (Jan) Richmond of Westfield, Retta Smith of Macedon, Carolyn (Mike) Leach of Sherman and Bob Snyder of Minneapolis, MN.

Gas prices fall 5 cents

Average retail gasoline prices in New York have fallen 5.1 cents per gallon in the past week, averaging \$2.53/g yesterday, according to GasBuddy's daily survey of 6,118 gas outlets in New York. This compares with the national average that has fallen 6.7 cents per gallon in the last week to \$2.33/g, according to gasoline price website GasBuddy.com. Including the change in gas prices in New York during the past week, prices Monday were 113.0 cents per gallon lower than the same day one year ago and are 23.8 cents per gallon lower than a month ago.

THE GLORY OF AMERICA

Thursday, September 17

During this week in 1862, a delegation of ministers from Chicago called upon President Lincoln to urge him to issue a Proclamation of Emancipation. The President pointed out that he had already been earnestly approached by religious men of opposite opinions and advice, all equally certain they were speaking for God.

"I hope it will not be irreverent for me to stay that if it is probable that God would reveal His will to others on a point so connected with my duty, it might be supposed He would reveal it directly to me; for, unless I am more deceived in myself than I often am, it is my earnest desire to know the will of Providence in this matter."

AU marks Constitution Day with faculty/student panel

ALFRED—Alfred University will mark Constitution Day 2015 today, (Thursday, Sept. 17) by hosting a faculty/student panel that will focus on the question: Should all children born in the United States automatically be granted U.S. citizenship?

Come join in the conversation at 7 p.m. in Olin Hall, Room 301 where the panelists will debate “anchor babies,” “birth tourism,” and the Constitutional commitments to birthright citizenship. Admission is free.

Constitution Day recognizes the adoption of the United States Constitution and those who are American citizens. Although similar holidays have been observed since 1911, it was not until 2004 that a law officially establishing the holiday was created. Constitution Day always occurs on Sept. 17, although it may be observed on another date if Sept. 17 falls on a weekend or another holiday.

Many educational institutions observe Constitution Day by presenting videos about the United States Constitution, distributing Constitution memorabilia, and hosting Constitution-themed fairs and websites.

ALFRED STATE SPORTS ROUNDUP

Husson runs for 356 yards, spoils Pioneer Homecoming

ALFRED-Husson University rushed for 356 yards on 69 carries as they defeated Alfred State 44-2 on a rainy Saturday afternoon.

The Pioneers scored their lone points of the game just 2:04 into the contest. After forcing a three and out, Husson lined up to punt and the snap went over the punters head and led to a safety.

John Smith and Kenny Sweet turned the game around from that point forward. Smith rushed for three 1st half touchdowns and Sweet intercepted three passes. Smith scored from 1-yard, 6-yards, and 3-yards in the 1st half and Sweet registered three picks and 100-return yards.

On the day, Smith rushed for 184 yards and three scores on 29 carries while Sweet had four tackles to go along with his three interceptions.

Kenneth Nelson (Oakland,

CA) led the Alfred State defense with 13 tackles. Steven Hubick (Fountain Hills, AZ) added 11 tackles while John Garbowski (Mohegan Lake/Lakeland) finished with nine tackles, a forced fumble, and a fumble recovery. The defense recovered four fumbles in the contest.

Cross Country:

The cross country team hosted their annual alumni race. The race featured 45 finishers with the current team defeating the alumni in both the male and female competition.

Keith Johnson (Webster Thomas) was the overall winner breaking the course record by over a minute. He crossed the finish line in 17:00. 2013 grad Alex Farrell was the top male alumni finishing 5th in 18:40. Coach Gary Moore was 20th in 22:15.

Lindsey Thiel (Liverpool) was

the top female finisher. She was 21st overall in 22:40. Assistant Coach Ann Ball was 23rd (23:25) and Kalyn Ligoci was the top female alum finishing in 28th (25:56).

Men's Soccer: 2-2

The blue & gold were tripped up 1-0 at Pitt-Bradford in their lone contest of the week. The Panthers scored the only goal of the contest in the 57th minute. Kenneth Allport (Hilton) made three saves in net for the Alfred St.

Women's Soccer: 3-1-1

The women's soccer team went 1-0-1 on a weekend road trip. They battled to a scoreless tie at SUNY Canton Saturday and then defeated Cobleskill 2-1 on Sunday.

The Lady Pioneers outshot Canton 36 to 13 but could not get one in the back of the net. Alison Danielak (Brockport)

made five saves in the contest.

Keri Teufel (Sachem East) and Haley Vosburg (Fillmore) both scored in the victory over Cobleskill. Morgan Schreiner (Spencerport) made nine saves in net to pick up the victory. Volleyball: 6-0

The Lady Pioneers won all three of their matches over the weekend. They defeated Keuka 3-1 on Friday night and then earned a 3-0 sweep over Morrisville and a 3-1 victory over Mt. Aloysius on Saturday.

Janae Hamilton (Ellicottville) had a big weekend with 31 kills, nine blocks, and eight service aces. Lera Braun (Waterloo) finished with 95 assists, 18 digs, and eight aces, Bryanna Godfrey (Tioga) added 41 digs, 24 kills, and 11 aces, and Jess Padley (Sweet Home) had 26 digs and 22 kills. Valerie Intini (Eastridge) led the team with 50

digs.

The blue & gold registered 45 aces on the weekend and 21 blocks.

Athletes of the Week

Junior volleyball player Janae Hamilton (Ellicottville) and junior football player Kenneth Nelson (Oakland, CA) have been named the Alfred State #PioneerPinpoint athletes of the week.

Hamilton helped the Lady Pioneers to another 3-0 week with a solid weekend. She finished the week with 31 kills, nine blocks, and eight service aces. On the year she has a team high 59 kills and 16 blocks.

Nelson led the Alfred State defense with 13 tackles in their contest with Husson. Six of the tackles were solo. On the year he is tied for the team high with 19 tackles (seven solo and one for a loss).

ALFRED UNIVERSITY SPORTS ROUNDUP

AU holds off RPI in rain, 32-20; soccer team wins 4th

ALFRED-It rained Saturday. And during the football game, it was raining safeties.

Four in all. In what must be some sort of record, the Alfred University football team gave up three safeties and scored one of its own in a wacky non-league football game between the Saxons and the RPI Engineers.

On the strength of two first quarter touchdown drives, the Saxons built a 19-4 halftime lead, extended it to 26-4 to start the third quarter, then held on for a 32-20 win.

The Saxons improved to 2-0 with the non-conference win and will open Empire 8 play by hosting Buffalo State at 1 p.m. Saturday, Sept. 19 at Yunevich Stadium.

Trailing 26-20, RPI was driving for a potential go-ahead score late in the fourth, but Alfred's defense, which was stellar most of the game, forced the Engineers to turn the ball over on downs with just over two minutes remaining. AU scored a touchdown with less than a minute remaining.

A steady downpour that began before kickoff and lasted well into the fourth quarter wreaked havoc for both teams. Errant and mishandled snaps resulted in four botched punts for the Saxons, allowing RPI to score safeties on two as the ball went through the AU endzone and a third off a blocked punt. The teams combined for 21 penalties, with Alfred being flagged 14 times for 140 yards.

AU looked to run away early,

as the Saxons jumped out to a 14-0 lead. After turning the ball over on downs on their first possession due to a fumbled punt snap, the Saxons got on the board following a missed RPI field goal. The Saxons drove 80 yards in six plays, with sophomore tailback Sammy Davis (Union-Endicott) sprinting 56 yards to the RPI 22 to set up a 10-yard TD run by junior tailback Casey Bright (Pulaski) that put the Saxons on the board with 7:02 left in the first.

AU made it 14-0 on its next possession. After forcing a four-and-out, AU took over at its own 44. After driving inside the Engineer 20, junior quarterback Tyler Johnson (East Syracuse-Minoa) hit junior tight end Mike Brien (Victor) over the middle for an 18-yard score with just under three minutes left in the opening frame.

RPI got on the board with a safety off a blocked punt with 21 seconds left in the first. AU answered with a safety of its own as sophomore cornerback Jared Watkins (Buffalo/Cleveland Hill) blocked a punt that went through the RPI endzone. A 21-yard field goal by sophomore Trevor Monk (Liverpool) with 5:37 left in the half put Alfred up 19-2. The field goal was set up by a 68-yard return by junior wideout Maleke Fuentes (Olean) following the safety.

RPI scored its second safety when a botched snap for a punt went through the AU endzone with 10 seconds left in the half, making the score 19-4 Alfred at

the break.

On the second play of the Saxons' opening second-half drive, sophomore tailback Derelle Hunter (Copiague/St. John the Baptist) broke free for a 62-yard touchdown run and AU led 26-4 a minute into the third period.

RPI scored two touchdowns — in the third and fourth quarters — then added a safety in the fourth to make it a 26-20 game.

AU had 314 yards of offense, including 175 on the ground. Davis had 80 yards rushing on nine carries; Hunter had 71 on eight carries and Johnson had 60 on 13 attempts. Johnson throw for 139 yards on seven completions, with junior wideout Brendan Buisch (Hornell) catching two passes for 116 yards.

Junior linebacker Holden Whitehead (Mill Hale, PA/Central Mountain) had 10 tackles to pace the AU defense. Senior linebacker Corry Wallace (Mastic Beach/Longwood) had nine tackles and Watkins had seven tackles and three pass breakups. Junior tackle Andrew Miller (Hilton) had six tackles (1 ½ for loss, one sack) and forced a fumble and sophomore linebackers Michael Joiner (Webster Schroeder) (fumble recovery) and A.J. Licata (Lake View/Frontier) each had seven tackles.

Men's soccer wins 4th straight

Following the football game,

the AU men's soccer team took the field and battled to a 1-0 win over Westminster (PA), handing the Titans their first loss of the season.

The opening minutes of the game were high paced in heavy rain with both teams looking to get a feel for the wet turf. The Titans maintained possession to start the game and put a shot on goal in the fourth minute. However, it would take Westminster until the second half to get their next shot on goal.

Finally, in the 22nd minute a hand ball led to a free kick approximately thirty yards away from the goal. Junior Richard Lander (Narrowsburg/Sullivan

West) ripped a brilliant ball into the box that was tipped by junior James Piombino (Ballston Spa) off the post and in the net.

The second half was played primarily in the middle third of the field with the Saxons mustering six chances. Despite multiple openings, AU was unable to put another goal on the board. The Titan's last break came in the 84th minute when Ethan McCarthy ripped a volley at the top of the eighteen following a corner kick. With plenty of traffic in front of the goal the Saxon defense sighed in relief when freshman keeper Brian Larkin-Gero (Chagrin Falls, OH/Kenston) secured the ball.

Alfred Sun Sports Columnist
dugout2@gmail.com

The following is an interview with Bob Codispoti as he begins his 31st year behind the radio microphone as the football "Voice of the Saxons" at Alfred University.

TD: The obvious question to get started would be how did this job come about in the first place?

BC: Looking back, I remember being asked by Frank Cady from Wellsville to help him do some games on the Wellsville radio station, WLSV. So in the beginning I was doing the games on the Wellsville Radio station. My first year doing the AU games on the radio Jim Moretti was the Head Coach. He took over for Sam Sanders, who left to take a job in the Canadian Football League.

TD: You played football for the Saxons and were on the coaching staff at Alfred University for a while so I am guessing your choice for this position was a logical one as you live in the area as well. Was this a combination choice between the Hornell radio station and the AU athletic department?

BC: I played football at Alfred from 1962-1965. Back then freshman were not allowed to play on the varsity. I played three years at the varsity level playing both offensive and defensive halfback. I was an assistant coach for both Alex Yunevich and Sam Sanders from 1966-1979. As far as I know the University had no role in what personnel broadcast their games. That was the responsibility of the radio station to hire their broadcasters.

TD: There has been more than one radio station, or at least the call letters over the years, right?

BC: Way back when, the Hornell Radio Station doing the AU games was WHHO-AM. Don Hartmann was doing the games for that station. The Wellsville Station, WLSV-AM also did the games and I was helping with the Wellsville Station. When WHHO stopped doing the AU games, WLEA, 1480 started doing the games and I started working for them. Over the years there were a number of individuals who announced games for WLEA and I was one of those individuals.

TD: Each week you have to prepare for the opponent coming into Yunevich Stadium to face the Saxons. Do you get information from the visiting team, the AU football staff, from the website of the visitors or a combination of all?

BC: Most of the information I have received over the years comes from the sports information office. Mark Whitehouse is Alfred's Sport's Information Director and every week prior to the game Mark puts together a packet for publicity and he has been very generous in giving me as much information that I need such as game notes about the upcoming game, roster printouts, and any information that I need or may be helpful in preparing for the game.

TD: Do you get a chance to talk to the Alfred head coach each week heading into the game about their opponent?

BC: I do, but that's a hit or miss proposition. There were times where I would run into Dave Murray and now Bob Rankl and pick up bits of information about certain players, injuries, and information they have garnered from reviewing films of the opponents coming into Alfred.

TD: How tough is it to figure out the different formations by visiting teams or the key players when you obviously don't see them that much and sometimes for the first time?

BC: I put together what I call a "cheat sheet!" It's a 5x8 card with the names and numbers of those offensive players whose name I will be calling during the broadcast, basically the Quarterback, running backs and pass receivers. It becomes difficult when some teams use a variety of formations and a lot of different individuals. It can be a nightmare when a team's numbers on their jersey are small or there is little contrast between the jersey color and the numbers. Also, when some teams use a spread formation or a no huddle offense it gets somewhat difficult to pick up the players and his number so that you can call the play as it happens.

TD: You have been behind the mic now with AU coaches running the program from Sanders to Moretti to Murray and now with Rankl. During that time you have seen changes galore in the Alfred program. What stands out to you as the biggest change during this time?

BC: Well let's go back a little further and talk about what it was like when I was playing in the 60's. First of all, the number of players on the team. If we had 40 guys in uniform that was a lot. Keep in mind that 90% of those guys playing then were playing both offense and defense. Most of us would be on the field the entire game. The last three years Alfred was bringing in over 80 new recruits each year. If you attend a game at Yunevich Stadium you will see approximately 100 players on the field. Very few players if any are playing on both offense and defense. Today, Alfred has a sizeable coaching staff. I attended a practice recently and I would say there were more than 10 coaches on the field. Coach Yunevich was the only full-time coach. We were lucky if we had 3 other part-time coaches. During games, it was Coach Yunevich and maybe one or two others with him. The game has changed a great deal in the last 50 years. Players today are bigger, stronger and they have year around programs to stay physically fit and prepare for the next season.

The Dugout continued...

TD: While this might be an impossible question, during your time announcing, what was the best AU team?

BC: That would have to be the 2010 team that went to the quarterfinals and played Mount Union. There was a tremendous amount of talent on that team. It's a different world in terms of competition when you get into the playoffs in Division III. You are then competing against the "cream of the crop" when playing in those games. Year after year you have teams like Mount Union and Wisconsin-Whitewater always near the top. That was a big deal for Alfred to get that far. Can Alfred get there again? And you have to wonder what Alfred would have to do to be a perennial power in D-3 football.

TD: Best visiting team if just for one game in one season?

BC: Probably the best visiting team to play at Alfred over a period of years would have to be St. John Fisher. Ever since the Buffalo Bills established their training camp at Fisher they have become one of the best teams in the Empire 8 and have for the past few years been at the top of our league and playing in the D-3 playoffs. But even Fisher still has a long way to go to be one of the top D-3 teams as can be seen by their loss last week to Thomas More by a score of 48-0. Fisher was ranked # 23 and Thomas Moore 26th.

TD: Most exciting AU win over the years?

BC: I have had the opportunity to call a lot of exciting games and that is what makes announcing football games fun. One of those games was back in 2011 when I traveled to Frostburg. Alfred and Frostburg combined for 14 touchdowns, four field goals, 58 first downs and over 1000 yards of offense. With 30 seconds left in the game, Alfred was leading only to have Frostburg come back to kick a field goal as time expired to knot the score at 40-40. The overtime was just unbelievable as both teams continued to put points on the board. Unfortunately, Alfred came out on the short end of the stick and lost the game by a score of 54-53. No doubt, that was as exciting a game as I have ever been involved in.

The other game took place at Brockport during their homecoming in 2013. Alfred was down 28-0 at halftime. Tyler Johnson was inserted in at the QB position to begin the 2nd half and ran 74 yards for a TD on his very first play ever in an Alfred uniform. During Brockport's next possession, Calvin Bain intercepted a pass and ran 70 yards for a TD and all of a sudden the score is 28-14 and it was downhill for Brockport the rest of the game. The score in regulation was 28-28. Alfred scored in overtime to win that game 34-28. It was one of those games where you wanted to shut down the broadcast at half-time and go home. It was an unbelievable come-from-behind victory for Alfred. What was also amazing was watching the fireworks display that Brockport athletic department had paid for in anticipation of their victory over Alfred. Unfortunately, the fireworks turned out to be for an Alfred victory.

TD: You have had a number of analysis/spotters over the years, even "lucky enough" to have me by your side now and then. What are you looking for from them as they help out during the game?

BC: Doing the play-by-play I need to concentrate on the offensive part of the game making sure that I give out the information as to what the play is, who's running the ball, where the play is going, who makes the catch, how many yards are gained and a lot more. I depend on whoever is working the game with me to talk about the play, who on the defense made the tackle and basically add as much to what the listeners on the radio need to hear so that they can follow the game as it progresses. You try to carry on a conversation going back and forth giving as much detail about each play as you can within a limited time frame.

TD: In 2010 Alfred advanced to the quarter-finals of the NCAA tournament after winning the E8 and two tournament games it was off to Mount Union. The "shrine" of Division III football at the time. I was really happy to be able to go there and help you as you called the game. How was it being at Mount Union with all their history?

BC: No team in the history of Alfred University football had gotten that far in the D-3 playoff, so it had to be a special moment for our players, coaches and fans. I was just happy to be there to broadcast the game back to those individuals that were unable to make the trip.

TD: Have you missed a home game in your 31 years?

BC: Oh yes. I try to arrange my schedule so that I'm available to do all the home games but there are times that it isn't possible.

TD: Explain a little what you have to do as far as the technical aspect with the pro-

grammer back at the radio station.

BC: It's really not that difficult. I set up the equipment in the press box. Make a phone call back to the station to make sure that everything is ready and that the equipment is working properly. Once the game starts I'm always in direct contact with whoever is working the game back at the station. They listen to the broadcast and when "there's a break in the action," I send it back to the station and they do the commercials for whatever length of time I ask for and then they bring it back and I continue with the game action.

TD: Am guessing over the years there have been glitches, "dead air" time. What did you do then to improvise?

BC: Thankfully, that has not happened very often. There have been times when I have lost contact with the station and the game has gone off the air. So it's a matter of re-establishing contact and continuing with the game.

TD: One recent visiting player who stands out to me from one game was the kicker for RPI. Is he the best kicker you've seen at an AU game ...not counting Kris Johnson?

BC: He had to be one of the best kickers to play at Alfred. I always wonder if he ever had an opportunity to play in the pros.

TD: With the addition of Cortland and Morrisville to the E8 conference the schedule year-after-year will be both demanding for the Saxons and probably exciting for the fans. As the announcer you shouldn't have too many "dud" games on the slate!

BC: I didn't do the game this past week at Husson in Maine but did listen to and watch in on the web site. It was not an easy game for Alfred (39-25) and the schedule is not going to get any easier. RPI beat Norwich 37-0 and Buffalo State beat Otterbein 29-0. Those two teams will be coming to Alfred during the next two weeks and then down the road you are going to have to contend with the likes of Ithaca, Cortland and Fisher. Not an easy schedule and that's why the Empire 8 is going to be one of the toughest leagues in D-3 football.

TD: How many more years do you plan on doing this?

BC: It's still fun to do Alfred games. It keeps me involved in a program that I have been a part of since I came to Alfred back in 1962. Like I once said, "you won't see my name in the program anymore, but I'm still on the team!"

TD: I might regret this but anything you would like to add?

BC: I still have the softball that was used when "Top Shop" beat your team "Farm and Home" way back when to win the A-A Slo-pitch softball league. As opposing pitchers that day, I had your number and I still relish that victory today!

HITS AND MISSES:

The Alfred Saxons (2-0) football team took care of their two, non-conference tilts to start the season as they stopped RPI, 32-20 on a miserable afternoon at Yunevich Stadium in Alfred. The Buffalo State Bengals (1-0) come to town this week as E8 action begins.

A-A grads James Stuart and Tom Wakefield took in the NFL season opener for the Buffalo Bills this past Sunday as they thumped the Colts, 27-14. For Stu it was his 36th straight home opener at Orchard Park. Have to assume "The Traveling Sports Fan" was there as well ... not off California Avenue.

A-A grads Jake Taft and Our Man Frank took in the NFL opener at Raymond James Stadium in Tampa as the Bucs were buried by the Titans and Marcus Mariota, 42-14. While Stubbs was in attendance ... The Scum wasn't!

Former ASC women's hoop coach, Joe Q. French was at the Miami-Washington NFL game on Sunday with his sons as The Fish prevailed.

Former Friendship Little League star, Bruce Emery and his wife Julie, were in NYC over the extended weekend past. They saw the Yanks win on Sunday, had lunch at Fraunces Tavern on Monday and took in the Mets game that nite.

Good weekend past in MA at the "Hilly" Moses residence. Golfed on Saturday at his "home course," playing nine holes at The Glen. Nice course! Was able to nip the former Geneseo resident, 52-55. Good seeing him and his son, Max!

Birthday Greetings this week to: Baker-Lorow-Herbst with a special one to my mom in Florida!
