

Need a job? Check out AU's Career Fair

3/13/02

Alfred University's annual Career Fair will be held Thursday (March 21, 2002) from 1-4 p.m. in the McLane Center gym on campus. The event is free and open to the whole community as well as students and alumni. The Career Development Center recommends wearing professional business dress for the event and bringing several copies of a resume. Companies are recruiting candidates to fill part-time, temporary, contract, and permanent positions, plus internships and co-op jobs. Most positions will require a college degree.
