

'More Than a Mold' features alumnus' sculpture

9/13/11

Work by Joe Page, AU class of 2008, is highlighted in "More Than a Mold: Contemporary Slip Cast Ceramics," a juried group show of slip cast ceramic sculpture featuring eight artists from all over the United States, at the Baum Gallery of Fine Art at the University of Central Arkansas. The exhibition is one of three opening Thursday, Sept. 15 and running through Thursday, Oct. 27. It coincides with UCA ceramics' new slip casting course and aims to demonstrate the range of artistic expression that this process provides. There will be an artists' reception on Friday, Oct. 7, from 4:30-7:30 p.m. All gallery exhibits and events are free and open to the public. Hours are Mondays, Tuesdays, Wednesdays, and Fridays from 10 a.m.-5 p.m. and Thursdays from 10 a.m.-7 p.m. Joe says his primary concern is "immersing the viewer in a place of both comfort and uncertainty."
