

## Figuerola 06 finds foodies flock to Madrid

8/06/15

Washington Post food writer Geoff Edgers happened upon (Kristiana) Joy Figuerola, AU Class of 2006, when he signed on for a food tour of Madrid touted as away from the city&s main touristy stops. Joy, who moved to Spain a few years ago, was the tour guide for his group. The first stop proved to pay off, according to Edgers. To read his full report in the July 30 2015 post of “Mushrooms, vermouth and jamon: Food-touring in Madrid,” please visit:
