Electronic W2

Did you know that you can receive your W2 (the form that reports an employee's annual wages and the amount of taxes withheld from his or her paycheck) electronically in BannerWeb? This feature will be available late-January.

Advantages of receiving Form W-2 electronically

- Your W-2 will be available sooner than a printed copy
- You can reprint a copy of your W-2 anytime during the year
- No possibility that a Form W-2 might be lost, stolen, delayed or misplaced by the U.S. mail service or by the employee
- Multiple levels of security protects all information within the BannerWeb system
- Access can be obtained anytime via the internet-anywhere in the world

If you do not choose to receive your W-2 electronically, a paper copy will be mailed to your home address (current students receive their W-2 in their campus box). Faculty and staff, please ensure the Office of Human Resources has your up-to-date mailing address.

Please see the handout for additional information and how to sign up for electronic retrieval of your W2.

Family Medical Leave Act Training

This is the fifth training in a 9 month series targeted at any AU employee who has supervisory roles in their department. This training can also be especially helpful for any staff who support the supervisors in their department.

This training will encompass: who is eligible for FMLA leave, how long is the leave, intermittent/reduced leave, how employees request FMLA leave, and how employees return to work after leave

Supervisors who may be new in their rolls or need a refresher are encouraged to come. This is also open to any AU employee who would like more knowledge on this topic.

This training will be held on January 6, 2020 from 11:15am-12:00pm and on January 23, 2020 from 11:15am-12:00pm both located in the Kenyon/Allen Room in the PCC. This is the same training both days.

Megan Parry and Mei-ling Hom at Cohen Gallery

Work by mixed media artists Mei-ling Hom and Megan Parry will be featured in the first exhibition of 2020 at the Cohen Gallery.

The exhibition will feature paintings, drawings and prints. An opening reception is scheduled for Thursday, Jan. 9, from 5:00 pm - 8:00 pm; and will remain on view through Jan. 31.

Statement: "Often times when art exhibitions feature paired artists there is the assumption that these artists share conceptual or stylistic groundings. Shared approaches do exist (i.e. biological motifs, making work that makes itself, patterning, finding elegance in restraint) but the genesis of this exhibition grew out of a friendship with the notion that respect for each other will support mutual artistic growth."

Hom, an artist based in Philadelphia and Andover, NY, earned a M.F.A. degree in sculpture from Alfred University's School of Art and Design in 1987. She has garnered numerous prestigious awards including the Pew Fellowship in Visual Arts, a National Endowment for the Arts Fellowship, and a Fulbright Research Fellowship to South Korea (2007). She has had major site installation exhibitions at the Philadelphia Museum of Art, the Institute of Contemporary Art in Philadelphia, and the Sackler Gallery of the Smithsonian Institution.

Parry, whose work has been featured nationally, was born in Hornell, NY, and grew up in Philadelphia. She is the daughter the late Dr. William Parry '47, longtime professor of ceramic art in the Alfred University School, of Art and Design and a 1947 Alfred University graduate. Her career encompasses public and private commissions from Alaska to New York City, with many exhibitions in and around Boulder, CO, where she lived from 1970 to 1989, and in the Detroit, MI, area from 1990 to 2018. Parry returned to Alfred with her husband, film scholar and English professor Lesley Brill, in 2018.
