### Guest Artist - Afro-Semitic Experience

On Friday, Sept. 4, Afro-Semitic Experience will perform in Holmes Auditorium at 8 p.m.

The band is made up of African-American and Jewish-American musicians who are dedicated to preserving, promoting, and expanding the rich cultural and musical heritage of the Jewish and African Diasporas.

Since 1997, the co-founders of the group, African-American jazz pianist Warren Byrd, and Jewish-American jazz bassist David Chevan, have been presenting a unique musical program that merges their distinct cultures and heritages and delivers a positive and meaningful message about Black-Jewish relations.

The group presents interpretations of music from the rich traditions of the two cultures: gospel, klezmer, nigunim, spirituals, bebop and swing. In performance the musicians frame the music, telling stories about what the pieces mean, how they relate to us as individual members of the community, and how they reflect upon the relations between Blacks and Jews.

The public is invited to this performance, which is co-sponsored by the Division of Performing Arts and Hillel and generously funded by Hillel at Alfred.

Studio\*Mrmann was founded in 2005 by Geoffrey Mann, a Scottish product artist who transposes the ephemeral into the tangible through embracing the integration of digital media and the physical form. Through synthesizing the temporal processes of movement, a recurrent theme throughout Mann's portfolio, he reconstructs pure sensation in objective terms through the notion 'motion engendering form' creating tangible objects of mysterious beauty.
