Monday, July 31, 2006

Alfred Today is a campus-wide listing of announcements for the Alfred University Campus which runs Monday-Friday while school is in session; it will be sent as needed during campus breaks. Please use the form created for listing announcements. It is really quite simple. There is a link to the form in the [MyAU](#) and [OurAU](#) menus under Submit Content. It can also be found [here](#). Announcements must be received no later than 2 p.m. the day before the item is to be used. Items may be used twice within the same week, but must be sent twice. Submissions are subject to editing and will be screened for appropriateness.

No swimming at Foster Lake for remainder of summer

Foster Lake will be closed for swimming for the remainder of the summer. The rainfall and swallow depths of the lake have contributed to high levels of bacterial growth in the lake. It is an unfortunate situation and we regret having to close the swimming area, but the McLane pool will provide extended hours for access pass holders through August 23rd. We hope that everyone will understand our position is to ensure everyone's safety.

Available office furniture

Human Resources has some unused office furniture that we would like to make available to other campus offices. There are two, metal, four-drawer, file cabinets, one with a lock; a small wooden typewriter stand on wheels; and approximately one dozen various sized notebooks. First come, first served.

We are in need of several nice office chairs that could be used in a waiting area. If anyone has a couple chairs available, we would like to take them out of your way.
