

Plan To Attend
The Junior Prom
This Thursday

HAMILTON WARD —
DONATES LARGE
SCHOLARSHIPS

TO TWO STUDENTS

To Aid Members of
Towns of Ward
And Amity

Mr. Hamilton Ward has just donated to Alfred University \$12,000 to establish two memorial scholarships in memory of his father, the late Hamilton Ward of Belmont, Allegany County.

These scholarships will pay the full tuition charge of two beneficiaries; one is to be awarded to a male student from the territory of the town of Ward in Allegany County; and one to a male student from the territory of Amity in Allegany County. In case there are no qualified candidates for these scholarships in either of these towns, substitution may be made of a male student from other towns in Allegany County.

The President of Alfred University is authorized to make these appointments.

Hamilton Ward, Jr., was born in the town of Ward, and has become very prominent in the legal field and in politics, having been elected attorney general of the state, at which time he was the only Republican elected on the state ticket. He was also a prominent candidate for governor before the state convention last summer.

This gift will be a lasting, living memorial for a very prominent Allegany county family, and one which will go on doing its educational work as long as time shall last, and in the long years to come, many a young man will be holding in grateful memory the donor of these scholarships.

There should be many more of these scholarships established so that all worthy young people may have their chance to obtain an education.

Footlight Club Gets
Seven Members

Seven new members were added to the roster of the Footlight Club as the result of last Thursday's election. The new members are Virginia M. Taylor, Dante Vezzoli, Dorothy Ravit, Helen McCarthy, Varick Nevins, III Phlabia Sheheen, and Kling Anderson.

With the graduation of nine seniors the initial Footlight Club race next September will number fourteen active and two honorary memberships.

At the meeting sixteen members of the Footlight Club were given membership certificates for the first time in the history of the club. This idea was suggested by Harold Gullbergh.

ALFRED ALUMNUS
ASSUMES MILTON
PRESIDENCY JOB

Rev. Jay W. Crofoot '99, an alumnus of Alfred, has accepted the presidency of Milton College, Milton, Wisconsin. Dr. Crofoot will take office on July 1, 1931, as the third Alfred man serving in a college presidency.

For the past several years Rev. Crofoot and his wife, formerly Hannah Larkin '98, have been doing missionary work in China and the Orient. Their intended trip to Milton will mark their first extended visit in this country in twenty-five years with the exception of a few furloughs.

ALFRED JOINS
ASSOCIATION

Recently President Davis received a telegram which informed him that Alfred University had been placed on the approved list for membership in the American Association of University Women.

Dean Dora K. Degen attended the annual convention and fiftieth anniversary celebration of the Association held in Boston, April 8-11. Over three hundred educators were present, and the eight hundred delegates to the convention represented every state in the United States. At this time Alfred University with fifty other colleges and universities was officially approved for membership.

The A. A. U. W. is an association of college-trained women. Since it was organized in 1882, the Association has grown to number many thousand members, and has hundreds of branches all over the country and in Peking, Porto Rico, and several foreign cities. It has established a National Headquarters in Washington, and is a constituent member of the International Federation of University Women. Graduates of approved colleges and universities are eligible to full membership. The Association is primarily interested in the development of women's education and of professional opportunities for women.

Class Banquet To
Meet In New Hall

The annual Junior Banquet will be held May 7th, at which time the 1932 Kanakadea will make its appearance. Preparations for this gala affair have been started under the leadership of Robert Nobbs, chairman.

It is a delightful affair held yearly, at which all the Juniors and several guests including members of the faculty and officers of the previous year book staff are present. The evening is passed with banqueting, speeches, and conversation. It is usually the last important function where the class exist as a whole, so on this evening, handshakes are a little warmer, thoughts a little dearer, and memories a little sweeter, and a definite regard for the future is set up in the heart of every classman.

It is hoped that the traditional banquet may be held in the Social Hall this year for the first time. However, with tables set for over one hundred Juniors and guests it is doubtful whether or not there will be enough room.

Junior Follies
Practice Begins
Under Director

Final negotiations for the Junior Follies were made with the John B. Rogers Producing Company of Castorio, Ohio, for an ultra modern musical play, showing under the name of "That's That".

The big musical comedy will be held at Alumni Hall, May 4th. Rehearsals have started under the professional leadership of the Rogers' director who arrived yesterday. "That's That" is certain of being the biggest and most outstanding achievement of the year.

"That's That" is bright, brand new, up-to-date in every particular and is to be the Rogers feature for 1931. The costuming and scenic effects are reported to be extravagantly elaborate and the musical score was written by Charles Gilpin, who has for some years composed the music for the University of Pennsylvania's annual Masque and Wig shows. It is of a nature that raises it high above the plane of the usual offering of this kind.

Anne Whitford has been chosen by the Junior class as general production chairman of the Follies and Robert Flint is business manager. It is the first time in the history of the University that the Follies has had the distinction of having a company aid in their production and the possibility of its not being a gigantic success is entirely removed.

Continued on page four.

FIAT LUX CALENDAR

Tonight:
Campus Court meeting in Kenyon Hall at 9:00 P. M.

Wednesday:
Sabbath choir practice in the church at 7:00 P. M.
Sunday choir practice in the Community House at 7:00 P. M.
Fiat meeting, Gothic, 7:15 P. M.
Interfraternity Council meeting.

THURSDAY:
Assembly at 11:30 A. M.
Junior Prom at the Davis Field and Track House at 8:30 P. M.

Friday:
Organ recital in the church from 7:30 to 8:00 P. M.
Christian Endeavor meeting at 8:00 P. M.

Saturday:
Sabbath Day services in the church at 11:00 A. M.

Sunday:
Union University church services in the church at 11:00 A. M.
Christ Chapel evening prayer in the Gothic at 5:00 P. M.

KANAKADEA BOOK
OFFERS NOVELTY

Everyone is looking forward with fond anticipation to the moment when they will be able to get hold of a copy of the 1932 Kanakadea. It is rumored that this year's book is going to be bigger and better than ever. Several startling surprises are promised in this beautiful new edition.

The book will have many new and pleasing features. Waning traditions are being renewed, historic events revived, and memories of those things which are held dearest in the hearts of every college person are being preserved in pictures, writing, and song.

It is the custom to keep the dedication, colors, and all the facts concerning a year book in a shroud of mystery and so the 1932 Kanakadea will be the most complete and astounding sensation of the year.

The book will make its formal appearance, as is the tradition, at the annual Junior banquet which is to be held May 7th.

There is a constantly increasing demand for this new book and since only a limited number are being printed, orders should be placed as soon as possible.

Assembly Program
Features New Dean

The speaker who was to have addressed last Thursday's Assembly on Railroadings, had some difficulty with his railroad connections, and Dean Conroe was prevailed upon to take his place.

The speech took the form of selected readings from a book of humorous poetry. The Dean carried on the reading in his usual inevitable style, and concluded with a poem, which came from his own repertoire, and which he had obviously delivered on many a former occasion. Judging from the audience's reaction, the speaker could occupy the chief role at many another Assembly without the slightest degree of boredom resulting.

Dean Conroe's diction and stage presence bespoke of one especially trained and practiced in a speaking role. The occasion marked his first assembly appearance of the present year.

In past years assembly programs were occasionally given over to Professor Conroe's Public Speaking classes. It is hoped that such a program can be given this year.

JUNIOR PROM IS
READY TO START
THIS THURSDAY

NESBIT TO PLAY

Nicely Decorated
Gym Shows Work
Of Juniors

The most outstanding social event of the year, the Junior Prom, will be recorded in the annals of history Thursday night as the biggest and best social event ever held in Alfred.

The dance committee under the direction of Stockton Bassett has been most fortunate in obtaining Joe Nesbit and his Pennsylvanians who will furnish their syncopated rhythm on that memorable evening.

Extensive decorations are now being installed in the gymnasium. Maximum floor space is being obtained by building a platform for the orchestra off the dance floor and also serving the refreshments from tables placed off the ends of the floor. Decorations of modernistic style and harmonious blending will subdue the lights and furnish the proper atmosphere for Nesbit and his band.

Due to the unusually low cost of tickets, it is expected that a record breaking number of merry dancers will fill the gym Thursday evening. Dancing will begin at 8:30 P. M. and last until 1 o'clock. Dress will be formal attire.

The ticket sales for the affair were largely confined to the members of the Junior Class, until yesterday when several alumni and outside subscriptions were made. It is estimated that over 100 couples will attend the annual Prom.

Word has been received that Joe Nesbit and his famous Pennsylvanians will make a two-day stop-over in Alfred this Thursday and Friday. The band intends to feature at the opening of the New Teck theater in Cleveland on Saturday.

Year Book Sales Are
Under Competition

Remember!, "the early bird gets the worm." If students desire a copy of the 1932 Kanakadea, they must get their orders in right away.

Gladys Heard, as circulation manager, reports splendid progress in the sale of books, and the remaining number of copies is limited.

Orders may be placed with Miss Heard, Robert Flint, Robert Lyons, Raymond Schlehr, Varick Nevins, or several other individuals who will be found always at hand.

A copy of the Kanakadea will be given to the competitor selling the greatest number of books. Competitors should see Gladys Heard at once.

Kanakadeas may be ordered every Thursday morning at assembly.

ETA MU ALPHA TO
PUBLISH BOOKLET
FOR NEW FRESHMEN

At a recent meeting of Eta Mu Alpha at Theta Theta Chi it was decided to resume the publication of the Eta Mu Alpha booklet. Kenneth M. Erwin '31, was elected editor-in-chief of the book and was empowered to select his staff. The organization has not published this book since 1927.

The pamphlet will serve as a university publication and will be forwarded to prospective Alfred Freshmen during the coming summer. It is expected that the book will serve to portray campus traditions and scenes, and college ideals.

FIAT LUX

Published every Tuesday during the school year by the students of Alfred University with office in the Gothic.

Entered as second-class matter Oct. 29, 1913, at the post office at Alfred, N. Y., under Act of Mar. 3, 1879. Subscription \$2.50 yearly.

Beta Phi Omega

One year ago on our campus, a group of twelve men under the leadership of Nicholas Latronica organized a fraternity which they chose to call Beta Phi Omega.

Their purpose for organizing was to establish a non-sectarian fraternity and to absorb men of high calibre who had not for this reason, been pledged to any other fraternity on the campus.

The members moved into the Stillman house on South Main street and at the present time have nineteen members and five pledges.

The have a high average scholastic index and boast of members in practically every organization on the campus. They are active in religious and social affairs and are fast forging to the front as a noteworthy organization.

At the time of its organization, it was put under voluntary probation by the Interfraternity Council pending a season of successful growth and activity during its first year of existence.

We believe that Beta Phi Omega has more than fulfilled these obligations and hope that the Council will deem it advisable to admit this organization as a member before the end of the present semester.

The Loyalty Medals

The awarding of a loyalty medal to a man and a woman of the Senior Class each year is the greatest tribute an individual may attain in his four years at Alfred.

Everyone in the Senior Class is eligible for nomination to this great honor and the student body elects the two outstanding individuals.

When voting, it should be remembered that the person for whom your ballot is cast is the one who has attained the greatest number of merits and is representative of all those qualities of which every true Alfredian should boast. The voters should enter into this one great decision with an open unbiased mind, free from personal or fraternal associations. Above all, we should remember when we cast our ballots that we are choosing the man and the woman who most nearly qualify as "Our Ideals".

It has been the custom in the past for the Fiat Lux to nominate those individuals whom the staff believes are true candidates for this great tribute, "The Loyalty Medal".

HUMOR ?

Frater: It's sure terrible the way Bill keeps this room; you can't find one thing of his when you want it.

—A—
"You had no business kissing her."
"I know it. It's a pleasure."

—A—
"We're going for a nice automobile ride."

"No fooling?"
"Well, that all depends on you."

—A—
"You made a bad break in alluding to that woman as an 'old hen'."

"How so?"
"She must be somebody. I see that she has been invited to lay a cornerstone."

—A—
The big question of the hour is whether a Siamese twin would have to pay double tuition at the university.

THE FRESHMAN'S PRAYER

"Dear God: Bless Mamma and bless Papa, and help me be a good little boy. And goodbye, God, I'm going to college."

—A—
There's that one about the Scotchman who died and left a million dollars to the mother of the unknown soldier.

—A—
Is he tough or is he tender?
Is he fat or is he slender?
Can he talk or will he be

Deaf and dumb or flowery?
Will he order something nice
Or will we eat plain water-ice?
Can he dance or will he drag me?
Will he interest or fag me?
Oh, Blind Date, I'd give my eye
To know if you're some swell guy
Or just another of the Those Things
Who neither hoofs, nor buys, nor sings!

—A—
Economics Instructor: "What is the farmer's greatest problem?"
Student: "The traveling salesman, sir."

—A—
"Many undergraduates suffer from the disease called Youth, just as many venerable people suffer from the disease called age."

—A—
First Convict: When does you-all leave heah, boy?
Lifer: De fust.
First Convict: De fust of when?
Lifer: De fust chance ah gits.

—A—
She: Have you heard the last thing about Rudy Valee?
He: No but I'd like to.

—A—
T. K. N.: Woman's greatest attraction is her hair.

K. A.: I say that it is her eyes.

D. S.: It is unquestionably her teeth.

K. P.: What's the use of us sitting here lying to each other?

—A—
"Gee, I've got a rumbling feeling in my stomach."
"Musta been that truck you ate!"

CO-ED CAGERS RESUME CLASS INDOOR TILTS

The girls' basketball tournament was entangled further last week when the Sophs outscored the Seniors, 31-19, and the Frosh upset the highly touted Junior co-eds, 26-12. At the present time the Sophs are leading in the interclass tourney with two wins, while both the Frosh and Juniors are tied for second position with a win and a loss to their credit. The Seniors have failed to crack the scoring ice, have dropped both of their contests. The series will be resumed with the Juniors and Sophs meeting in a crucial tilt after the Junior Prom.

In the first game of the evening the yearlings romped into an easy eight-point margin over the Juniors in the first five minutes of play. The Junior forward wall was unable to find the basket in the first half and trailed by a 13-3 score.

Wilma McLean '32, however, staged a six-point rally in the third period, while the Frosh netted only two tries from the foul line. Dorothy E. Eaton '34, put the game on ice in the final stanza with four baskets.

The Sophs then proceeded to ring up an easy victory over the Senior team, holding an 11-1 edge at the end of the initial period. Freida Smigrod '31, however, went on an individual scoring spree in the next stanza for a total of 12 points. The Seniors still trailed at half-time by a 19-15 score.

The guarding on both teams was closer in the last half and both teams resorted to careful team play. Virginia Taylor '32, broke away in the final quarter for seven points.

All four teams are contesting for points toward a girls' interclass sports trophy which will be awarded at the end of the year. Points are given for competition in field hockey, basketball and track.

Spring Football Gets Under Way

A squad of more than thirty men, made up of last year's varsity and frosh squads, has reported for a few weeks of intensive spring football training under Coach Galloway. Track activities, however, has been responsible for such a small squad.

Already the men have gone through a period of conditioning and will spend this week developing and learning plays in preparation for the grid-iron campaign next fall. The last week will be devoted to scrimmaging.

Coach Galloway intends to spend the major part of the three weeks to instruction in fundamentals, stressing speed and accuracy. From all appearances, next season's team should be light and fast, relying on a strong aerial attack to carry them through a successful season.

INTRAMURAL TROPHY

SPORT LIGHTS

Tennis seems to be in for another panning this spring with little or no schedule to play and about the same amount of money to play it with. As matters have always stood, the players have furnished their own racquets, shoes and sundry equipment, charging the athletic association only for expenses on trips and guarantees for an annual meet at home. As one tennis player said to another, it is an expensive racket!

If the weather gets any warmer, it ought to be a relief to sit on the bench during the spring grid season. Last fall, players complained because the bench seats were too cold and now they aren't cool enough.

We wish that certain upright members of Varsity teams wouldn't keep flaunting athletic equipment before our eyes. We've always noted that men played football or basketball in those jerseys.

It seems highly probable that baseball will find its way into the intramural sports program, after the large amount of enthusiasm and interest which was shown in the sport last week-end. Fact has it that intramural association representatives will pass judgment on such a proposition some time this week.

Believe it or not, but Klan Alpine and Beta Phi Omega already have arranged to stage a contest this Saturday. It looks as though three more games will be on tap.

Now that major league ball is under way and the Red Sox and White Sox are playing every day, nobody seems to care after hearing reports of the opening day's game. The Freshman's big worry, however, is in wondering what happened to the black socks.

Coaches and trainers may judge now concerning the effects of loss of sleep and a general breakdown in the training routine this Friday when interclass track contests go through their paces. The Junior Prom on Thursday evening and the morning after the night before may decide more than one event for the next day.

HORSEBACK RIDING STARTS THIS WEEK

Miss Margaret Myers, girls' physical instructor, wishes to announce that horseback riding for girls begins this week. She plans to give instructions in her classes on how to mount, hold the reins, trot and post, canter, etc.

Prospective riders must sign for horses at least one day in advance. If a rider does not make appearance at the designated hour, he or she must pay a fee of half the price of the ride regardless of whatever excuse is submitted. A time schedule of riding hours will be posted in the Field and Track House, and riders must sign there for the time and length of their ride.

The price per hour is \$1.25, and for two hours of riding a \$2.00 fee is to be charged. Either boys or girls may sign for riding.

THETA NU COPS INTRAMURAL CUP IN LEAGUE PLAY

For the second time in the past three years the Intramural Association basketball trophy went to Theta Kappa Nu at the close of the recent league season. Delta Sigma Phi, winners in the league play last year, presented the award to the State Street fraternity at the end of the second round play-off. The team or fraternity which wins the trophy three times gains permanent possession of the award.

In taking the championship of both halves of the league competition, Theta Nu was not forced to engage in any championship series this year. In the first round of play Theta Nu's cagers dropped only one tilt to the Gym team. They then went into the second half to make a clean sweep through the League B teams, and took a hard-fought, 13-12 battle from Burdick Hall, leaders in League A for the championship of the second half of the league play.

Theta Kappa Nu's chances of repeating next year are good with Common, Holden, Fuller, Sackett and Grantier as a strong nucleus in the 1931-32 campaign.

Six Ball Teams Start League

In the springtime a young man's fancy turns to love—and baseball. Six fraternity teams swung into action last Saturday to furnish more sandlot entertainment in Alfred in several years. It is highly probable that the impetus furnished Saturday's contests will result in the founding of intramural ball leagues.

In the morning of that eventful day Kappa Eta Phi challenged the Beta Phi Omega tossers to a game at Merrill Field. Torella, hurling for the South Main street nine, held the Eta Phi stickers under control and pitched air-tight ball in the pinches to take the game by a 7-5 score.

Delta Sig took the field against Kappa Psi in the afternoon to make short work of a 19-1 contest. Delta Sig offered good support in the field and scored at will with timely hitting at the plate.

In the meantime Klan Alpine and Theta Nu went seven long innings on the Elm Valley Road diamond. The State street nine allowed only one Klansman to reach third base, trouncing their opponents in an 11-0 count. George Hill pitched good ball for the losers, but received practically no support from his teammates.

INTERCLASS TEAMS TO MEET FRIDAY

Outdoor track events, after several weeks of preparation, will begin this Friday afternoon at Merrill Field in the annual interclass meet. The outdoor meet results will complement the scores of the indoor struggle of last month to finally determine class track supremacy. It is expected that a separate scoring will be recorded of the Frosh-Soph competition to satisfy the supporters of traditional underclass rivalry.

It is to be expected that the real competition for the interclass title will rest between the Sophs and Juniors, who led the team scoring in the indoor events. It will be remembered that the Juniors nosed out the rusty Sophs, 39-38½, in the Field and Track House.

Captain Warde and Lester Vance have both speeded up in the two mile and 880 yard runs so that the upper-class runners may upset the Sophs in distance events. The addition of the pole vault, discus and javelin throw on the field program likewise may favor the Juniors if Phillips is entered in the competition.

Salsbury, Maroney, Havens and Clark should furnish some close battles in the pole vault, while Robinson and Buckley should star in the hurdles. Maroney is also anxious to see how well he can top the outdoor high jump bar, after breaking the indoor record last month.

CAMPUS PERSONALS

Infirmary Notes

The Infirmary reports that Dr. Binns has returned to his home after a stay for almost a week.

Virginia Smathers, Ruth Smalley, Robert Spreen, and Albert Brown spent a few days here.

Theta Kappa Nu

The boys have returned from their vacations with renewed vigor for the last month and half of school. The spring weather has brought forth their linen knickers and bright ties, and started the invasion of Pine Hill.

"Beezer" Young popped in for a minute Saturday night, and "Dick" Chamberlain came over from Cuba.

Klan Alpine

Brothers "Hank" and "Joe" Duffy stopped in last week with Sterling Beach ex-32, in tow.

Brothers Gaiser and Guinter went slumming to Williamsport for the week-end, while the rest of the house either went to Hornell or Pine Hill.

The boys tried to play ball with Theta Nu last Saturday; losing in the unlucky seventh by an 11-0 score.

Theta Theta Chi

The girls had a great time at the "Sugar Bush," Sunday noon, which Mrs. Baker gave for them.

Dinner guests Wednesday night were Miss Fosdick, Helen Monroe, and Agnes Rutherford.

Felice Menz was a overnight guest, Friday night.

Did anybody ever hear of a "cat-less tail"?

Kappa Eta Phi

We spent a most enjoyable evening at the Hotel St. George, the last Saturday of our Easter holiday. What a time, and what a dance.

We were glad to see the following Alumni brothers down at the dance: Irwin "Bud" Cohon, Irv. Wisch, Perry Sacks, Perry Ellson, Art. Caplan. The music was supplied by three of the units of the California Serenaders, and it was thoroughly enjoyed.

Pi Alpha Pi

We are pleased to announce the initiation of Sylvia Gordon, Bernadine and Ernestine Barry, Margaret Bastow, Beryl Webber, Mary Mourhess, Elsie Mae Hall, Mary Swan, Vera Weston, and Miriam Walton.

The house has been quite deserted this week-end. Some wish that New York was just a little nearer.

Bill's here.

Miss Pat—does he miss us?

Ruth went to Cornell.

Brick Bats

Spring has come at last! The "Vic" is found near the front door nearly every evening.

Esther Eberhardt '31, is spending the week-end with relatives in Homer.

Miss Dorothy Dickenson is spending the week-end with her sister, Nellie Dickenson.

Myrtle Klem and Margaret Lyon spent the week-end in Elmira.

Alice Thornton was the guest of Boots Lathrop at her home this week-end.

Elizabeth Herrow of Hornell was a guest of Margaret Peace for the week-end.

Kappa Psi Upsilon

Alumni brothers, Sanchez, Weaver, and Perry paid a visit to the house and informed us that as yet the financial depression had not effected them.

President Olander made a business trip to New York City and vicinity, shortly after returning from the Easter vacation.

Brother Bryant, chairman of the social committee and his vice chairman, Brother Reiter, are making a business trip this week-end.

Brother Newton made a trip home, while brother Hurlburt made a trip to Buffalo.

Brother Muller returned from Florida, after an extended Easter vacation. He reports that there is nothing quite so restful for the overworked student than the balmy air of the south lands.

TENNIS CANDIDATES SHOW PROMISE OF STRONG TEAM

Graduate Manager Paul Orvis is hard at work in completing the spring tennis schedule with two meets with Mansfield and possible matches with Colgate, Hamilton and Hobart on tap. However, there is some possibility that the tennis schedule may be dropped this year due to the short outdoor season and a probable shortage on the tennis budget.

The outdoor practice of the past week has shown considerable tennis material among the Frosh racquet wielders with Harold Rinzler, Wolfe, Richard Lawrence and Harry Sterling as the most outstanding candidates for the squad. Members of last year's Varsity including Bassett, Blawat, Wilcox, and Harwood firmly believe that the Purple will have a successful season if a definite schedule is organized.

St. Lawrence Paper Boosts Alfred

The "Hill News" of St. Lawrence University recently published an editorial, commenting on the Alfred honor system situation. The title of the following editorial was "Down At Alfred".

"Down at Alfred they do things right. When a machine won't work and can't be fixed, they throw it out. That's just what they did to the honor system two weeks ago. The system didn't function there any better than it does here, only there they knew enough to get rid of it. The faculty obligingly stepped in and tossed the system out. Down at Alfred they do things right."

It seems that the honor system fails to function at the home of the Larries any better than it did on the local campus. Perhaps the same faculty style of treatment may solve the problem there as well.

W. S. G. TO PRESENT SERVICE AWARDS

The members of the Women's Student Government Council have completed arrangements for a service key. It was voted to present a key to the Council presidents of '29 and '30, Mary Rogers and Florence Ploetz. The emblem will carry the figure of Justice, in keeping with the purpose of W. S. G.

NOTICE

On April 23d, the famous Tony Sarg and his Marionettes will give two performances at the Hornell High School Auditorium. At 4:00 P. M. Rip Van Winkle will be presented, and Alice in Wonderland will be shown in the evening at 8 o'clock.

A special admission fee of 50 cents will be charged to all college students.

JUNIOR CLASS MEETS

There was a short meeting of the Junior class last Tuesday evening at Kenyon Memorial Hall. Plans for the Junior Prom were discussed, and important class business was transacted.

JUNIOR FOLLIES PRACTICE STARTS

(Continued from page one.)

The meeting of a special committee for the purpose of selecting talent for the many chorus groups and to consider the casting of the principal roles was held Thursday evening. Great care is to be exercised in procuring the best talent in school with careful attention given to types and ability.

Reports on the play in other cities, where staged, indicate it to be a top-notch in the field of musical comedy. From critics have come such descriptive lines as: "A hilarious and beautiful musical extravaganza;" "The fastest two hours of the year;" "A continuously interesting performance with a wealth of beauty and music worth listening to."

"That's That" gives ample opportunity for the display of talents of the highest type along a great number of lines, and Miss Anne Whitfield feels that this enterprise will be extremely popular here.
