

Check out what AU Summer Programs has to offer!

4/30/19

Each summer our AU campus comes alive with students and visitors from over the country and internationally who join us to experience the many exciting programs we offer. From summer high school institutes and sports camps (both residential and day) to our Summer Ceramic Workshops and our Most Art's Festival, our campus is the hub for summer fun. We also offer several Summer Term courses that can be taken here, in person, or online.
