Dear Sir:

You will recall that some time last March Mr. Borglum made an engagement to visit your school about June 21. It is with great regret that he now finds himself obliged to postpone this visit. Mr. Borglum has some work on hand -- his large group for Newark -- which will require his closest attention next week, in preparation for a visit of the trustees; and as he must also make the Commencement Address at Wellesley on Monday, it will not be possible for him to go [to] Hornell. If his work permits, he would be very glad to visit you some time in August or September, if this would be agreeable to you.

Yours very truly,  
Isabel Paterson  
Secretary

Charles F. Binns, Esq. ,
