Nominate Innovative Student(s)

Each year, the Board of Trustees awards the Richard V. Bergren Student Innovation Award to a student or group of students who recognize a need and create a lasting solution. Do you know of any such students?

Please send Dan Napolitano just a few sentences about the student and their effort. Nominators could be professors, staff, or fellow students. Please don't assume someone else will nominate impressive student contributions - your suggestion could make the difference!

Please submit nominations by Tuesday, Jan. 17. Send to napolitano@alfred.edu

New Alfred Online Magazine Live!

The latest edition of Alfred Online is available at [http://alfredmagazine.alf...](http://alfredmagazine.alfred.edu)

Take a look at the 175th Anniversary video:

Dec. 5, 1836 was a Monday and the day Bethuel C. Church called together the first class, some 20 students, to the new Alfred Select School. Fast-forward to Dec. 5, 2011, also a Monday and the 175th anniversary of the Alfred Select School, or what evolved into Alfred University. The occasion was marked in a proper but festive way.
