Movie Night : 'The Angel Returns'

"The Angel Returns" is a film set in Somalia, where the tradition of female circumcision is firmly entrenched. Isnino Ahmed Musso is a determined and articulate woman who wants change. She uses all methods at her disposal to change the mindset of her people, including radio debates, meeting with religious leaders and elders in villages, etc.

Throughout the film, the audience will learn and understand Somaliland traditions, religious practices, women sexuality, and how FGM negatively affects many women.

The Women's Leadership Academy Center invites AU Students, Faculty and Staff to attend this movie night on Monday, Feb. 28, 2011 starting at 7 p.m. and ending at 8:30 p.m.

At the end of the movie an open discussion will be held in order to share opinions about Female Genital Mutilation and other forms of torture faced by women worldwide.

The Women's Leadership Academy is not only a unique learning community where members explore the many meanings of leadership but one in which supports and raises awareness to issues affecting women on a global scale.

Byrdcliffe Artist in Residence Program

The Woodstock Byrdcliffe Guild offers month long Artist in Residence (AIR) opportunities for visual artists, composers, playwrights/screenwriters, and writers of fiction, nonfiction and poetry. Longer residencies are available for ceramic artists. The AIR sessions generally occur during the months of June, July, August, and September. The Woodstock Byrdcliffe Guild's goal is to provide solitude in a community and uninterrupted time in which to concentrate on creative work alongside fellow artists. Opened in 1903, the Byrdcliffe Art Colony was placed on the National Register of Historic Sites in 1979 for its architectural and historical significance. It is located in the Catskill Mountains, 1.5 miles from the center of Woodstock, New York.

The application deadline is Tuesday, March 1, 2011.
