Allegany Artisans Open Studio Tour

Event Date: 10/14/2006

Event Time: 10 a.m.-5 p.m.

Location: Varied

2006 Allegany Artisans Open Studio Tour

Saturday & Sunday, Oct. 14-15

10 a.m.-5 p.m. each day

Unlike other shows that gather exhibitors in one place, the Allegany Artisans Studio Tour is an arts and crafts show that allows the public to visit actual workshops in Allegany and Steuben counties. You will meet and talk with the people who create your personal art treasure.

Only a few of the studios keep regular business hours throughout the year. Many studios function primarily as workshops but the Artisans Open Studio Tour is an opportunity for the public to visit working studios at a time when the artisans are prepared to welcome guests with their work on display and doors open. (Many of these artisans will happily open their studios by appointment. If you are interested in visiting any studio, please call or e-mail the artisan to make arrangements.

For more information, a map, and artist listing, visit www.alleganyartisan.com
