Last Day to Drop

The last day to DROP a Fall semester class on BannerWeb is Sunday, Sept. 7. If you are registered for a class that you have not attended or one that you have stopped attending and have no intention of completing, then you should drop it by midnight on Sept. 7.

A class that is dropped does not appear on your transcript - no grade of any kind is assigned.

On Monday, Sept. 8 the Course Withdrawal period begins. A withdrawn course results in a grade of "W" on the transcript, indicating that you enrolled in the course, but withdrew. The "W" grade does not affect the GPA.

Questions? Call or stop in at the SSC in Seidlin Hall (871-2123) or Email registrar@alfred.edu.

'Elemental,' An Exhibition by Damien Gilley

"Elemental," An Exhibition by Damien Gilley

Location: The Belfry, 406 Canisteo St.

Date: Friday, Sept. 5

Time: 7-10 P.M.

Cost to Attend: Free/Open to the Public

Damien Gilley will be presenting an immersive installation using sculpture and drawing that reacts to the site as both a church and a home. Using common building materials, the work creates an expansive framework that references the dualistic identity of the building.

The exhibition takes influence from Euclid's seminal printed work which outlines foundational geometric postulates and propositions as essential truths. The work is an homage to Euclid's "constructions," looking not to reproduce his studies but explore geometry past physical limits.

Illusionistic flat drawings, transparent walls, floating frameworks and chance sight lines elevate the process of building and making into a phenomena of perception.

Damien Gilley is an artist from Portland, OR whose work exposes hidden architectures through site-specific perceptual installations that combine drawing and sculptural approaches. Influenced by vintage computer graphics, techno-structures, and science fiction the work integrates digital languages with the physical world to question historical, current, and potential environments.

Bongo Ball?

Where paintball can be too messy and capture the flag too boring, Bongo Ball Mania is frantic, exciting, and great clean fun.

Two teams of five don protective gladiator armor and dodge through, under, and over obstacles while

trying to capture the opposing team's flag. Each player takes turns firing the Defender Air Cannon (loaded with Nerf footballs) at the opposing players trying to steal their own flag.

Join us at the Health and Wellness Center (McLane Annex) from 6 P.M. - midnight on Saturday, Sept. 6.

Iron & Wine in Concert - Get Tickets Now!

Singer-songwriter Sam Beam, using the pen name Iron & Wine, formed the musical act in 2002. His music is highly influenced by his southern roots and his sound often mimics folk music of eras gone by.

Rolling Stone said of Iron & Wine's music that "Beam surrounds his wide-eyed vocals with vast, spiraling galaxies of Beach Boys harmonies, New Orleans funeral horns, shimmering strings, drum fills and more."

The show is on Sunday, Sept. 21, at 8 P.M. in the Miller Theater.

Tickets are \$20 with AU student ID and \$25 for everyone else. Get your ticket(s) at the CSI Office on the first floor of the Powell Campus Center or go online to www.showclix.com.

AU's LMS Review

AU's Learning Management System (LMS) Committee is in the process of reviewing three products for the campus's consideration: Blackboard (our current system), Moodle, and Sakai. All faculty are welcome to participate by trying one of the alternative products.

A pilot instance of Moodle is available for the 2014 - 15 academic year. Faculty are welcome to log in and use it with their courses. All AU courses are available in Moodle. Training is available from ITS.

Trial accounts for Sakai are also available. A trial account provides access to one course. ITS can assist with adding students to these courses. Training is available from ITS.

For more information and links to Moodle and Sakai, please visit AU's LMS Review Web page.

If you have any questions, or need to schedule training, please contact Meghanne Freivald at 607.871.2363 or via email.

Need to Order Your AU Business Cards?

The process for ordering official Alfred University business cards changed as of February 2014. We are now working with the Alfred State College Document Center, and a virtual storefront has been developed specifically for ordering our business cards online.

The link to that storefront is:

<https://v2.printsys.net/>

Log on: AlfredUniversity

Password: AlfredUniversity1

There are two templates from which to choose: the first template is indicated for only Admissions and Financial Aid offices because they require specific phone number options; and the second template is designed to accommodate all other offices.

When you double click on your selection, a new window will open that contains a form with fields to enter your information. As the fields are filled, the information will show up on the template at the right so you will see how the business card will look upon completion. Once all the information has been entered, you will proceed to a shopping cart that has options for quantity and payment, using your AU One Card.

In order to maintain the brand identity of the University, a PDF of the card will be emailed to the Office of Communications for review/approval. Once the cards are printed, you will be notified so that you can pick them up at the ASC Document Center, 10 Upper College Drive (607.587.3532). ASC does not deliver at this time. The design and specifications of color and paper are based upon the official AU business card format that is currently in use.

IMPORTANT: For situations where you do not have access to an AU One Card, or a required deviation from the standard format cannot be included within the two template options, you will need to contact Rick McLay at mclay@alfred.edu so that a design can be created and provided to the ASC Document Center. In those situations, the online purchase option will not be available and a paper invoice will be sent to you by the ASC Document Center.

Please contact the Alfred University Office of Communications at 2103 if you have any questions.
