**Faculty and Staff in Residence Halls - New Security Request**

While we love having faculty and staff in residence halls for programming, workorder responses, and visits of all kinds, we need to step up our security a bit. Sometimes students are nervous when they see an unfamiliar person in their "home."

Starting in August, we are requesting that all faculty/staff visitors in our residence halls wear or display their AU ID. We realize it can be inconvenient but believe this is a reasonable safety request on the part of our students.

Thank you all for helping us with this and please contact Kathy Woughter ([woughter@alfred.edu](mailto:woughter@alfred.edu)) if you have questions or concerns.

### Recent Study Ranks AU Higher Than Yale, Dartmouth

The Buffalo News recently read an article highlighting the University's significant success on its graduates' careers. AU scored on par with Princeton and better than Yale and Dartmouth in the Brookings Institution's "value added" assessment of some 4,000 schools nationwide.
