**What's Happening?**[More Events...](#)[TODAY](#)[TOMORROW](#)[THURSDAY](#)**Scholes Library Hours during Orientation Week**

Scholes Library will be open 8 a.m.-4:30 p.m. during Orientation Week with the following exceptions: on Monday, Aug. 18, we will be closed until 1 p.m. for a staff retreat. On Tuesday, Aug. 19, we will be closed until 11 a.m. so that staff can attend the 2008 Opening Session and the College of Ceramics meeting immediately afterwards.

[back to top](#)[Send Email Reminder](#)**Traffic on Main St on 8/20**

On Wednesday, Aug. 20, both AU and ASC will be welcoming new students to campus starting at 8 a.m. We suggest that faculty and staff avoid the traffic light on Main St. if at all possible, as there will almost certainly be a long line.

Also, please be aware that if you use the ASC loop for access, traffic on that loop will be one-way for 8/20 only.

### New Staff in Instructional Technology Services

ITS is happy to announce that we have hired two new staff people in the Instructional Technology team.

Andrew "Anton" Flint is our new Classroom Technology Support Specialist who among other duties will support classroom technology, videoconferencing, and instructional equipment lending.

Meghanne Freivald is our new Instructional Technologist who will support faculty in their use of Blackboard and other instructional technologies. In addition to supporting faculty, Meghanne will also be offering technology training to both faculty and staff.

We are interested in hearing your suggestions about what technology training would be most helpful to the campus community. Please send an email to [helpdesk@alfred.edu](mailto:helpdesk@alfred.edu) with your suggestions.
