CPR/AED class

Event Date: 01/19/2007

Event Time: 9 a.m.-Noon or 1:30-4:30 p.m.

Location: Knight's Club Powell Campus Center

It is my distinct pleasure to invite you to attend the SUNY Lifesaver Program. This program is designed to comply with enactment of the state's AED legislation and to train University faculty, staff, and students in the skills of CPR and use of an AED.

This CPR/AED certification program has been approved by the NYS Department of Health. It is the equivalent to the American Red Cross and American Heart Association CPR/ AED programs. Upon completion you will receive a certificate that authorizes you to perform CPR on adults, infants and children.

EH&S is actively seeking volunteers for this program. At this time, anyone who wishes to participate and become certified is welcome to attend the training sessions. In particular, we need to have at least 3 volunteers from each floor in Binns Merrill Hall, Harder Hall and McMahon Engineering Building.

If you are interested in attending a training session please contact Cherise Haase, EH&S Coordinator, Myers Hall Room 117 or at X 2190. For a schedule of training sessions please view the EH&S Web site at <http://our.alfred.edu/index.cfm/fuseaction/ehs.first.cfm>

Share your thoughts about AU's residence halls!

Event Date: 01/27/2007

Event Time: See Attached Schedule for Specific Times

Location: Powell Board Room

All students (on campus, off campus, transfer, international, graduate, etc.) are invited to participate in a discussion with the Task Force on Residence Life about how Alfred University can better meet your needs while living on campus in the residence halls. The members of the Task Force have been charged with exploring new models of residential education and living environments.

We need to hear from YOU, our students, about what your needs are and if they've been met in residence, what changes or improvements you'd like to see to our current facilities, what amenities might a new residence hall have that would be attractive to you, etc.

Please review the attached Focus Group Schedule and make your plans to help us out by attending a focus group session that you best identify with.

Please contact Brenda Porter, Director of Residence Life, if you have any questions. Thanks in advance!

****ATTENTION BANDS, PERFORMERS & AU CLUBS & ORGANIZATIONS****

AURS is planning ahead for a benefit concert this semester on Saturday, March 24 @ 10pm. The proceeds will go to the Relay for Life Cancer Research Program and the Hornell City Animal Shelter.

If you have a band, if you know someone who has a band and might be interested, if you are a performer (student or faculty/staff) or if you would like to get your student organization in on this variety concert, please contact me through AU Rescue Squad's e-mail at AURS@alfred.edu.

Performers and bands are NOT limited to Alfred University students. If you are interested or know someone who might be interested, e-mail me and I'll provide more details.

How much time each act will have depends on how many acts respond.

I would like to get as many AU organizations together and involved as possible. AU Dance Team, Middle Eastern Dance Organization, AU Swing Society, The Tastebuds, The Acafellas, etc. If you have any ideas, I'm willing to listen. With your help, I'm looking forward to donating to a great cause while putting on some quality entertainment.

Thank you very much,
