## Come help plan a field day for a local school!

**Event Date:** 11/1/2006

**Event Time:** 6 p.m.

**Location:** Olin 400

The American Marketing Association is a professional association for individuals and organizations involved in the practice, teaching and study of marketing worldwide. Our principal roles are:

- \* Improving - Advancing marketing competencies, practice and thought leadership.
- \* Promoting - Being an advocate for marketing and promoting its importance, efficacy and ethics.
- \* Supporting - Being an essential resource for marketing information, education/training and relationships.

On Wednesday, Nov. 1 (TODAY), the AMA will be meeting to discuss orchestrating a field day with a local school district to promote childhood learning. As college students, we are looked up to by these kids and this is a fantastic opportunity for us to use our 'hero' image and show that college is a fun experience and that it's important for children to succeed in school and further their education in college.

This has the potential to be a lot of fun and a great opportunity to gain experience in working with children and a non-profit organization (It will look GREAT on a resume, too!).

All students are welcome to attend this meeting and you don't need to be a national member to attend.

Thanks and we hope to see you there!
