The Office for the Aging is looking for volunteers to help people with their tax returns. This is a great opportunity for people who like working with numbers, have experience in filing their own tax returns, and have some free time during the months of January (for training), February, March, and April.

Nationally in 2009, more than 32,000 volunteers helped more than 2 million taxpayers with their returns. The Office for the Aging invites you to be part of that team. This year our tax volunteers helped 175 people prepare their tax returns and 94 more to E-file their returns.

The Tax Counseling for the Elderly Program (TCE) offers free income tax assistance for low to moderate income Allegany County residents. Volunteer Counselors are trained and certified to help people who are 60 and over with federal, state and local returns. The Office for the Aging partners with the American Association of Retired Persons (AARP) and the Internal Revenue Service (IRS) to provide the TCE program.

TCE Volunteers handle basic forms. If the client's return is more involved, the volunteer directs the person to go to a paid preparer. The training is in Wellsville Jan. 11, 13, 15, 19, 20 and 22, 2010.

If you are interested in joining the team of TCE volunteers, or if you would like more information, please call the Office for the Aging 268-9390 or toll-free 1-866-268-9390 and ask for Lynn.
