Be a Part of the AU Alma Mater Video!

"Nestled away 'mid the Empire State hills..."

Imagine that in bluegrass style, or played on chromatic harmonica, or sung by an a cappella duet, or even shredded on heavy metal guitar.

The Alfred University Communications Office would like to produce a compilation video with various clips of people playing the AU Alma Mater. We will post it on YouTube as well as in the online Alfred magazine in early December.

What gave us the idea was a homemade video that was sent to us by Steve Levine of '58, in which he's playing the alma mater on clawhammer-style banjo.

We know that there are lots of other very talented alumni, faculty, and current students, and we want your video submissions! The more creative and entertaining your ideas are, the better.

All we ask is that the alma mater be recognizable during parts of the performance, and that the audio is not so loud that it overloads the microphone on your video camera. The camera can be stationary (on a tripod), or you can do a handheld approach provided it isn't too shaky. As for cameras, you can use pretty much anything from a Flip Video to a high quality HD camera. Formats we can work with are: AVI, MOV, and WMV. Submissions can be mailed on a CD (or uploaded via YouSendIt or similar online upload/download service)

Your submission can be in any key. The deadline for submissions is Friday, Nov. 12, 2010. Feel free to contact Rick McLay '89 in the Alfred University Communications Office (607.871.2103) if you have any questions or suggestions!

See the Link for more information.
