Temporary power shutdown Saturday

ATTENTION

In order to make the final electrical changes for the Herrick Library Project, the electric has to be shut off on Saturday, 1/13/07 from 11 a.m. to 3 p.m. Only a portion of the campus will be affected. The power will be off to the Brick, Kruson, Alumni Hall & Saxon Inn. All other campus buildings will have electric as usual.

Get the word out!

As we begin the new semester, start thinking about all the events and activities your department/division, club/ organization is planning for the upcoming months.

Please contact Debbie Clark, Communications Dept., ext. 2040, clarkd@alfred.edu as soon as you have your activity or event organized. This will enable us to assist you in getting the best possible publicity. The sooner we receive your information, the better. Thank you.

Have you experienced a toxic workplace?

I am looking for a couple of faculty/staff panelists for our Career and Professional Development class on the topic of dealing with toxic workplaces (sexual harassment, backstabbing co-workers, unpleasant organizational culture -- that sort of thing).

We are seeking stories that can be presented and processed in a humorous way, but that will give students an awareness of real-life work situations and how to approach them. All examples will be anonymous with regard to the specific company or organization.

If you're interested, our class is Thursdays from 2:20 - 3:10. Please contact me and we can talk about the details.
