Blood Drive Tuesday the 10th

Sooner or later, most of us will face a time of great vulnerability in which we will need blood. Why not donate Tuesday, Sept. 10, any time from 10 a.m. until 4 p.m.? Your donation will take between an hour and 75 minutes.

If you would like an appointment, please sign up using the Web site below. WALK-INS ARE WELCOME TOO!

Can't donate, but still want to help? We need volunteers too. Please contact studentaffairs@alfred.edu to find out about volunteering some time.

Thank you to the office and staff of Res-Life for sponsoring this blood drive.

Consider being a blood donor or volunteer on Sept. 10.
Thanks - Brian Pierce, Red Cross Intern

How do I join a team to sign up?

AU Intramurals Sports and Recreation invites all AU students, faculty and staff to participate. You are encouraged to create your own teams with friends, classmates and neighbors. If you are unable to connect with a group you may contact the director of IM Sports and Recreation for assistance in joining another team.

Who can I have on my team?

Current Varsity/JV Athletes. No more than 2 (on the field at the same time) varsity/junior varsity athletes may participate on IM Sports teams in the sport, or associated sport, in which they competed at the intercollegiate level. An athlete that appeared on an intercollegiate roster at any time during the current academic year is considered a varsity/junior varsity athlete. You may have more than 2 on the roster but only 2 can compete at the same time.

Former Varsity/ JV Athletes. Former varsity/junior varsity athletes may participate on IM Sports teams without restriction provided they have not appeared on varsity/junior varsity rosters at any time during the current academic year.

'Present Perfect: Alicia Eggert, Solo Exhibition'

Present Perfect: Alicia Eggert, Solo Exhibition

Date: Sept. 10 - Oct. 11

Location: Cohen Center

Open Reception: Friday, Sept. 13

Time: 5-7 p.m.

In Present Perfect, Alicia Eggert presents a body of work that serves as an ongoing investigation of time. Works including drawing, photography, neon, and kinetic sculpture, juxtapose cyclical, linear, finite, and infinite representations of time.

One kinetic sculpture repeatedly creates and destroys the word NOW, but just like time itself, it never quite comes to a complete stop. Another sculpture has been programmed to have a human lifespan, and to "die" after 78 years. A photograph of a man looking at his watch captures a dying gesture, and a 12-foot-long drawing measures time in feet and inches.

If time is a construct, Present Perfect seeks to figure out how, exactly, it's constructed. To view more work of Alicia's visit: www.aliciaeggert.com.

AU's Suggestion Box for Faculty, Staff and Students

In 2012, AU inaugurated a "Suggestion Box." All suggestions are received by the University's Ombuds Officer, and from there are directed to the appropriate administrative or faculty office. The following points outline the system suggested by the President and Ombuds Officer:

- 1) Place "Suggestion Box" in the subject line of your emailed suggestion;
- 2) Keep suggestions civil and constructive;
- 3) Depending on the volume of email received, the Ombuds Officer may not be able to acknowledge suggestions. However, your suggestion will be forwarded to the appropriate office(s);
- 4) If you want your suggestion to be anonymous, please specify that in your email. Anonymity will be respected;
- 5) Finally, community members should feel free to offer suggestions about how to improve the "Suggestion Box."

All suggestions should be sent to: suggestionbox@alfred.edu
