Banner 8 INB to be turned off August 3, 2020

On July 1st, ITEC and SICAS disabled access to Banner 8 INB for any campus they are hosting. Alfred University hosts our own servers so Banner 8 INB is still currently available.

Ellucian, ITEC and SICAS are no longer providing support for Banner 8 INB. Therefore, effective August 3, Alfred University will also disable access to Banner 8 INB (baninb.alfred.edu). At that time, all access will need to be through Banner 9 Administrative Pages (banner.alfred.edu).

Ellucian is still developing modules for Banner 9 SSB so we will continue to use Banner 8 SSB (banweb.alfred.edu) until all necessary modules have been released. ITS will release additional updates with regards to Banner 8 SSB as progress is made with Banner 9 SSB.
