Banner INB & BannerWeb Down Saturday Through Tuesday

Banner 8 upgrade is scheduled for Oct. 9-12. The installation process is considerable and will take 4 days to complete. During this time, both Banner INB and BannerWeb will be unavailable.

Blackboard will be available, but will not be receiving daily updates from Banner.

We have scheduled the upgrade for the Fall Mid-Term Break timeline so that the impact on the campus community will be minimized.

Banner will be down from Friday night, Oct. 8 until Wednesday morning, Oct. 13.

We apologize for the inconvenience that this will cause the campus, but it is required so that we can benefit from the revisions to Banner, but more importantly, receive federal and state updates for Payroll and Financial Aid.

More information will be forthcoming, but I wanted to get this out to the campus so you can plan in advance for this downtime.

The link below will take you to our Banner Web page for more detailed information on the new release of Banner 8.

Please contact me with any questions at kirschdj@alfred.edu or at 2602.

Domestic Violence Vigil, Dance, Displays: Oct. 13

Alfred University students are planning an array of activities to raise awareness of domestic violence on college campuses. On Wednesday, Oct. 13, students will coordinate an evening vigil proceeded by several community art projects.

The events are a collaborative effort between AU and the ACCORD Corp. coinciding with October's designation as the Domestic Violence Awareness Month (DVAM).

The student organizers will begin the day wearing purple shirts to illustrate that domestic violence is not always obvious. The shirts will read "I AM ABUSED" and their faces will be painted with excessive bruises or exaggerated tears. The back of the shirts will provide statistics about the topic.

Another group of students are choreographing silent dances about the four categories of violence; physical, sexual, emotional, and psychological. These dances will be performed from 3 until 5 p.m. on the half-hour.

An additional team of students will create a visual education campaign regarding the topic using sculptures based on the Rock'em Sock'em Robots with a striking contrast of violence seen through a different lens.

The day will culminate with a 6 p.m. dusk candlelight vigil with guest speakers. The vigil will be held at the King Alfred Statue on the south end of campus. The community is invited to attend and asked to wear purple, the official color of the educational movement. For more information, or offers to speak, contact Director of Student Activities at napolitano@alfred.edu or 607.871.2175.
