Viral Gastroenteritis

Health Services continues to see cases of viral gastroenteritis on campus. It has been confirmed that the stomach illness circulating around campus is not bacterial nor is it food poisoning.

The attached resources can provide some insight into basic information on viral gastroenteritis, including diagnosis and treatment, as well as dietary recommendations for recuperating from stomach illness.

If you notice any signs or symptoms of viral gastroenteritis, please call Health Services immediately- 607.871.2400 to speak with a nurse about your symptoms or make an appointment if necessary.

One of the best ways to prevent viral gastroenteritis from occurring is to practice good hand washing (signs are up throughout campus bathrooms on proper hand washing practices). The Wellness Center has face masks and hand sanitizer available for further preventative measures.

'Delicate Decisions' at Cohen Gallery

"Delicate Decisions" is a two-person show featuring the functional ceramics of recent College of Ceramics graduates Luc Hammond-Thomas and Jess Detweiler.

In her work, Detweiler employs a playful attraction to form, volume, color, and elegance. The still-life, genre style display evokes fantasies about future domestic use.

Hammond-Thomas' work acts on the fundamental relationship between pottery and furniture, and how this pairing further expands each material's function. The work embraces the latent duality of functional objects as sculpture.

AU Photo Library Online - Gallery Server Pro

AU has a new searchable photo library, Gallery Server Pro (<http://gsp.alfred.edu>), accessible to AU faculty/staff. This library contains a wide variety of downloadable AU images ranging from seasonal campus scenics, to classrooms/labs, to selected campus events. To access, please go to our.alfred.edu and scroll down the left-hand side to Faculty/Staff. Click on Faculty/Staff and scroll down to Gallery Server Pro.

Gallery Server images are cataloged by semester, by month and by topic, and as new photo assignments are completed, additional images will be cataloged and posted on a regular basis. The photos are extensively tagged to assist in searches for specific subjects.

NOTE: The images have been carefully selected from more extensive photo sessions that include alternative views and formats (landscape vs portrait). Those images are archived separately and you will need to contact Rick McLay, director of Creative Services at 2736 (mclay@alfred.edu) to inquire about those additional images. There is also a separate folder dedicated to faculty/staff portraits, many of which were completed the week of Aug. 17, 2015.

BEFORE YOU DOWNLOAD

The primary use of many of these images is for Admissions and University Relations marketing efforts in both printed and web formats. In order to keep track of downloads (except for faculty/staff portraits), please contact Rick McLay (mclay@alfred.edu) or Judy Linza (linza@alfred.edu) with information on which images you are downloading, and where they are going to be used.

TO DOWNLOAD

Access to Gallery Server requires AU username/password to review images and to download in three formats: 1. Thumbnail (small image), 2. Web optimized (low resolution but full size), and 3. Original (high resolution). To download the image of your choice, use the download/share icon, which is the one on the left in the icon grouping above each image, and follow the directions.

ADDING PHOTOS TO THE AU PHOTO LIBRARY

We welcome the opportunity to obtain images from faculty and staff. Though much effort goes into documenting as many things as possible on campus, it is impossible to cover it all. When there are events such as art shows, or special lab/classroom activities that faculty/staff are photographing, we would very much like to review those images so that the library is as comprehensive as possible. Please contact Rick McLay if you have images that you think should be considered for this.

ATHLETICS PHOTOS

Current images of athletics events are available at (<http://gosaxons.com>). By contractual arrangement with the professional photographer, there will be a charge for athletics images. Mark Whitehouse, AU's Sports Information director (whitehouse.alfred.edu), is the contact regarding usage.

If you have any questions or suggestions for photos you want cataloged and included, please contact Rick McLay at mclay@alfred.edu or Ext. 2736. If a student requests access, please contact Rick McLay.
