Mrs. C. R. Armstrong,  
Box 6,  
Trudeau, New York.

Dear Madam:-

A catalogue of this school is mailed  
you under separate cover. The best available  
book at the present time is "Pottery" by Cox.  
No doubt, you would find my book, "The Potters  
Craft" of value but it is out of print.

Yours very truly,

Director.
