Students in Distress - Who to Contact

Dear faculty and staff,

This is the time of year when stress and emotions run high among our students, and our mental health emergency response calls really start to pick up.

If you are concerned for the safety of a student, your 24/7 phone number is 607.871.2108. When Public Safety is not on duty, the call will go to 911. Those dispatchers have phone numbers for our RD on call, our Student Affairs incident coordinator, the counselor on call, the Dean of Students, etc., so please work with 911 just as you would our Public Safety staff.

The Wellness Center/Counseling Service reserves time at the end of the school year for crisis and walk-in needs. Please call 2300 during business hours to consult or refer a student. Counseling Service after-hours message has a recording on how to contact the Counselor on Call.

For non-life threatening concerns please remember to utilize our Care Network at <https://alfred-advocate.s...?>

Thank you.
