The Holiday Break exodus from campus is generally the time of year when belongings seem to disappear if rooms, offices, and cars are not locked. Please take an extra moment to lock all rooms, offices, and vehicles.

If you see a suspicious activity please report it immediately to the Office of Public Safety at 607-871-2108 or 911.

Lock 'em up! Fundraiser Dec. 2-6

Ever fantasize about throwing one of your profs in jail? Here's your chance to get some vengeance out of your system!

AU's Omicron Delta Kappa circle is selling "warrants for arrest" to have some of your "favorite" AU faculty and staff locked up in our "jail cells" in Ade Hall during the last week of classes.

You write the "charges for arrest" and buy a warrant for how long you want someone jailed. Fees run just \$5 to put someone in jail for 10 minutes (if they want to bail themselves out, they have to pay \$7).

Warrants will be for sale starting Monday, Dec. 2 in Ade Hall and continuing all week; Jailing days are Wednesday, Dec. 4- Friday, Dec. 6.

Questions? Contact odk@alfred.edu for more info or just stop by Ade on Dec. 2 to buy warrants.

Proceeds will support AU's Omicron Delta Kappa Circle annual AU EBOARD 101 Leadership Conference.

Web of Science Database Trial - Tell Us What You Think!

Web of Science (Science Citation Index Expanded 1955 - Present) is available on our campus on a trial basis until Friday, Dec. 13.

Web of Science (WOS) is known for its extensive indexing of scientific articles. In particular, it's noted for its citation map which graphically displays forward and backward citations, i.e. how many references a particular article has and how many future articles referred to it in their reference list. This gives a strong indication of the importance of an article.

Scholes Library is sponsoring this trial as part of our ongoing efforts to assess current database offerings and evaluate potential new resources that provide the most relevant mix of research tools for our campus.

To achieve this, we need your help. Please take WOS out for a spin and let us know what you think. Feel free to comment on how it compares to current offerings.

We are also glad to meet with you and introduce the product. Please send your feedback and any questions to Interim Engineering Librarian, Pat LaCourse (laCourse@alfred.edu) at Scholes Library. We appreciate your input.

Holiday Cards for Soldiers

Alpha Phi Omega will be hosting a table in Powell during lunch and dinner hours with holiday cards that will be sent to veterans and active service members for the holidays. These cards are just thanking them for their service, and we are trying to get as many as we can to send to them.

This event is FREE, and all you have to do is write a thank you card. We ask that you please do not include your first AND last name.
