### THE INSTITUTION AND THE PUBLIC.

The Trustees of the Institution, in presenting their Thirty-sixth Annual Catalogue to the public, would return their acknowledgments for the marked favor and liberal patronage received from its numerous friends and patrons. Their highest ambition and only object have been to found an institution that shall bless the church and the world. They have appreciated the necessity of laying the foundation of intellectual and moral attainments and discipline upon a broad and permanent basis; and they have endeavored to provide the appliances and facilities for securing these objects. They labor to send forth young men and women so educated as to qualify them for the realities and responsibilities of active life.
