Petra Visscher, director of international programs at Alfred University, and Dr. Robert A. Myers, professor of anthropology and public health, will present "Talking (about) Turkey" on Thursday, Oct. 9 at the Bergren Forum, 12:10 p.m. in Powell Campus Center's Nevins Theatre. This event is free of charge and open to the public. "We will report on the CIEE International Faculty Development Seminar, 'Identity, Community, and Culture in Contemporary Turkey' which we attended June 17-28," said Myers. "We'll give an overview of the country, presenting Turkey as the varied, complex, fascinating country that it is." The Bergren Forum, sponsored by the Alfred University Division of Human Studies, meets Thursdays during each academic semester at the University. Participants are encouraged to bring a lunch; coffee and tea will be available.
