

Gaze to present Oct. 7 Bergren Forum

9/23/04

Dr. Eric Gaze, an assistant professor of mathematics at Alfred University, will be speaking at the Oct. 7 Bergren Forum. His topic will be "To Infinity and Beyond: An Irrational Tale." Coffee and tea will be available, and those attending may take a brown bag lunch. The Bergren Forum, sponsored by the Division of Human Studies, is held 12:10 pm Thursdays in the Nevins Theatre, Powell Campus Center
