W-2 Forms are now available on line. Beat the rush and retrieve today

The 2016 W2 forms are now available on-line and may be retrieved by following the directions in the attachment below. If you elected to receive your W2 electronically in 2015 you will not receive a printed copy. If you did not elect to receive your W2 electronically in 2015 or if you are new to the University you may elect to help us go green by following the directions and making that choice this year. Any W2 that has not been received electronically will be printed and mailed to the address that we have on file for you on January 31. Please help us serve you better by electing to receive these forms the modern way.

Office of Student Financial Aid Announces Self Service on Bannerweb

The Alfred University Office of Student Financial Aid will be rolling out "Self Service" for all students applying for and receiving financial aid. This exciting change means that there will be a Financial Aid tab when you login to your Bannerweb. When you click on this tab, you will have access to your financial aid information, such as status of documents received and required, as well as your current financial aid package. The first step in this process is to view your current year (2016-17) financial aid awards and documents.

We welcome any feedback by email to Harkenrider@alfred.edu.

Once we have 2017-18 information available for review, we will notify you by University email. Stay tuned for more exciting features to come!

The Winter Meltdown

The Winter Meltdown is a five-week holistic health initiative that incorporates the American Heart Association's Healthy for Good campaign's message of "Eat Smart, Move More and Be Well."

The Winter Meltdown starts on Monday, January 30th and runs until Friday, March 3rd.

How can you participate?

First, sign-up for the Winter Meltdown by either stopping by the Wellness Center: Counseling and Health Services or by emailing khodorkovskaya@alfred.edu.

Once you are signed up you can pick up your FREE pedometer to help you keep track of your steps.

There will be sign in sheets at the Joyce Center and the Fitness Center. Anytime you go to use those facilities, you can sign in and your name will be entered into a raffle for a Fitbit. There will also be other opportunities to enter your name into the drawing by attending Wellness Center events and exercise classes such as yoga with Cecelia Beach. The more points you earn, the greater your chance of winning the Fitbit!

You can also enter into the Healthiest Transformation competition. A Fitbit will be awarded to the participant with the biggest weight loss/BMI drop if that is a healthy and possible goal for you. Participants in the Healthiest Transformation will need to come to the Wellness Center every Friday to track their progress.

To help you keep track of all the opportunities to earn points, a weekly newsletter will be sent out to those who sign up for the Winter Meltdown.

Romancing the Toaster: Works by Myles Calvert

Cohen Gallery

January 27-February 22, 2017

Opening reception Friday, January 27, 6-8pm

Artist Talk Thursday, February 2, 4:30pm in Binns C co-sponsored by Print Club

Calvert's work explores the relationships that develop between everyday objects and popular culture references. Following the ideals of Romanticism, emphasis is given to an individual experience of emotion. A moment of spontaneity allows for humour and a subtle twist to avoid an overwhelming glorifications of the past through objects of the mundane. His influences are heavily drawn from contemporary and modern printmakers such as Richard Hamilton, René Magritte, and the self-promoting antics of the YBA (Young British Artist) culture. Myles Calvert was born in Collingwood, Ontario (Canada). He attended the University of Guelph with a focus in printmaking and art history,

before traveling to London, UK where he completed his MA in Printmaking at Camberwell College of Art (University for the Arts, London). Major bodies of work included mass installations of screen printed toast and the idolization of popular British celebrity.

Randall Chair in Ceramic Art - Anja Bache

Thursday, January 26th

4:30 - 6:00 pm

BMH 106 (Room C)

Free

Sponsored by: School of Art & Design

Anja Margrethe Bache is an installation artist and Building Component designer. As the Randall Chair in the Division of Ceramic Art she will introduce her multi-faceted approach to ceramics and address themes regarding settlements, atmosphere, and flexibility in relation to urban spaces. Posing questions around installation and architecture, and approaches to modular, prefabricated living spaces, she will address certain perspectives about and how to orient herself in a chaotic world.

Anja Margrethe Bache holds a MFA in fine Art from the Royal Danish Academy of Fine Arts, School of Visual Art, a PhD in Architecture and a Master of Science Engineering with a specific focus on mechanical engineering and physics for designing new composite materials.
