### Students' Rights under FERPA

Under the Family Educational Rights and Privacy Act (FERPA), students have certain rights with respect to their education record at AU. One of these is the right to block the release of "directory information."

Attached is a document that summarizes students' FERPA rights and provides a form that can be used to prevent release of directory information during the time you are enrolled at AU.

Please read the form carefully noting the consequences of blocking directory information and then, if you wish to keep the fact that you are enrolled at AU entirely confidential, sign the document and return it to the Student Service Center in Seidlin Hall.

If you have questions or would like more information, contact the SSC or email [registrar@alfred.edu](mailto:registrar@alfred.edu).

### **'Present Perfect: Alicia Eggert, Solo Exhibition'**

Present Perfect: Alicia Eggert, Solo Exhibition

Date: Sept. 10 - Oct. 11

Location: Cohen Center

Open Reception: Friday, Sept. 13

Time: 5-7 p.m.

In Present Perfect, Alicia Eggert presents a body of work that serves as an ongoing investigation of time. Works including drawing, photography, neon, and kinetic sculpture, juxtapose cyclical, linear, finite, and infinite representations of time.

One kinetic sculpture repeatedly creates and destroys the word NOW, but just like time itself, it never quite comes to a complete stop. Another sculpture has been programmed to have a human lifespan, and to "die" after 78 years. A photograph of a man looking at his watch captures a dying gesture, and a 12-foot-long drawing measures time in feet and inches.

If time is a construct, Present Perfect seeks to figure out how, exactly, it's constructed. To view more work of Alicia's visit: [www.aliciaeggert.com](http://www.aliciaeggert.com).

### **Climbing the Green Monster!**

Hello Everyone! My name is Blake Mayo and I am the firefighter that was using the Green Monster to train for the National Fallen Firefighter 9-11 memorial stair climb. I went to Lancaster, Pa. and participated in the climb on Sept. 8.

I successfully completed the stair climb. The temperature warmed up to 80 degrees with 90% humidity. That was the hardest part of the climb.

I got to meet many firefighters who have very personal stories. I completed the climb in 2 hours.

I would like to thank AU and the community for the support. I would also like to note that that Mike Cady a, photographer that at one time worked for Alfred University also climbed in Binghamton.
