Computer Scam That Asks You to Call a Phone Number

This computer SCAM starts with a pop-up window saying that your computer has been infected and you should call a phone number to fix the problem. This is a SCAM. Once they get you on the phone they will try to remote into your computer. When you allow them remote access, they can put anything on your computer and possibly steal passwords to your bank records and/or charge card purchases.

If you see this pop-up, please reboot your computer without calling them. Once you reboot the pop-up should go away and not return. However, If you have called the number and have allowed them to remote in, please take your computer off the network immediately and call us for further instruction. 607-871-2222.

If this is your personal computer, please call your service provider ASAP.

'Camera Without Borders - the World of Caroline Littell' at Herrick

A retrospective of travel photography by the late Caroline Littell of Alfred will be on view Friday, June 12 through Wednesday, July 15 on the main floor of Alfred University's (AU) Herrick Memorial Library. The public is invited to an opening reception for "Camera Without Borders - the World of Caroline Littell" from 2 to 4 p.m. June 12. The library's summer hours are from 8 a.m. to 5 p.m. Monday through Thursday; 8 a.m. to 4:30 p.m. Friday. The library is closed weekends.

Littell was a freelance photographer whose images illustrated articles on tourism and travel in several dozen newspapers and magazines in this country and in Europe. For more than 30 years, major publications featuring her photography included The Los Angeles Times, Travel & Leisure Magazine, The San Francisco Examiner, The Chicago Sun Times, The Milwaukee Journal, The Athens (Greece) News, The Denver Post, The New Orleans Times Picayune and Ocean Navigator Magazine. In Western New York, her work appeared regularly in The Buffalo News, The Rochester Democrat & Chronicle, The Hornell Sunday Spectator, The Olean Times Herald, and The Alfred Sun. The 60 black-and-white photographs to be displayed at Herrick portray landscapes and people in locations ranging from Greece, Colombia, Thailand, and Burma to the American West and the plains of East Africa. Born in Egypt of English parents, Littell was educated in England and later studied languages in France, Spain, Austria, and Greece. She immigrated to the United States in 1962, moving to Alfred in 1968.

As a photographer, Littell was entirely self-taught except for a brief period of instruction at AU. She worked for the most part in film, experimenting with digital formats only at the end of her career. But whether in film or in digital, her photography displayed a technical mastery of a demanding craft as well as an unerring eye for balanced composition. Like Henri Cartier-Bresson, the French pioneer of modern photojournalism, Littell had the uncanny ability to capture on film that decisive moment of facial expression or body attitude that defines mood or personality.

Littell, former language lab director and study abroad adviser at Alfred University, died earlier this year in Pasadena, CA, after a long illness.

Call for Artists

The 2015 Plein Air Arts Fest will be held on Saturday, July 25 on the eastern side of Seneca Lake. To Sign Up: pay a \$40 artist fee through Monday, June 1. After June 1 the fee will be \$50.

Call 607.546.5557 for registration information.

For many years the Finger Lakes region has inspired many local artists with its bountiful natural beauty and world-class wines. Since the first annual Plein Air Arts Festival in 2012, the eastern shore of Seneca Lake has provided a warm atmosphere and stunning backdrop for many artists' works. Now in its 4th year, the festival will once again invite local artists to create artwork en plein air (in open air) throughout the day, followed by an art reception and auction later in the evening, accompanied by live music with local food and wine.

The Plein Air Art Festival is a public event scheduled for Saturday, July 25, 2015, along the eastern side of Seneca Lake. Between 7 a.m. and 3 p.m., artists will be scheduled to create works of art at various partner wineries. A silent auction and reception for the day's plein air artwork will take place from 5 until 7 p.m. at Damiani Wine Cellars.

Throughout the evening, local food will be available for purchase from Smoke on the Water, including meat BBQ and vegetarian dishes. An eclectic assortment of wines will be available to purchase by the glass from all participating wineries. Live music from local jazz band Professor Tuesday's Jazz Quartet will accompany the evening's silent auction.
