

Career center job fair open to job-seekers, employers

2/06/15

Alfred University's (AU) Career Development Center (CDC) will host its annual Spring Job Fair from noon 2 p.m. Friday, Feb. 20 in the Powell Campus Center Knight Club.

This year's event is sponsored by Kohler, a company with a history in the plumbing industry which is now a multifaceted global family of brands that lead the way to "enhance customers' sense of gracious living." Representatives from more than 50 organizations from all over the country are expected to attend.

The organizations attending offer internships, co-operative work assignments, volunteer opportunities, and full-time and seasonal employment.

Companies currently registered to attend the fair include Accord Corp. of Allegany County; AVX Corp.; Borg Warner Morse TEC; Buck's Rock Performing and Creative Arts Camp; Hornell Area Concert for Youth; Kohler; SMC Powder Metallurgy Inc.; TAM Ceramics; The Prudential Insurance Co.; Wellsville Area Chamber of Commerce; and the WNY Rural Area Health Education Center.

Employers at the AU 2014 Spring Job Fair reported they were "impressed with the energy, professionalism and knowledge of the students" who attended the Fair. The CDC encourages all job-seekers planning to attend to dress business casual/professionally and to bring multiple copies of their resumes.
