Summer Employment Process

Please notify HR of the summer positions available in your department; an e-mail listing is fine. HR will post all open summer jobs electronically and in Greene Hall. When you are ready to review applications please contact HR. Once you have interviewed and made your selection, complete the Student/Summer Payroll Authorization form (link below) and return to HR.

Whenever possible, supervisors are encouraged to give priority to Alfred University students, as well as children of AU staff. AU employees may not supervise their own immediate family members.

Any summer employees who have not worked for the University previously, MUST report to Human Resources to complete necessary paperwork BEFORE beginning employment.

Summer wage will be \$7.15/hour. Each department must stay within budget allocations, which your signature on the hiring form certifies that you have funding available. Please remember that the FOAP to be used is not a student number; summer hires are temporary employees.

Laws covering employees under 18 years of age restrict work assignments and hours, and require that such employees have a valid work permit for employment eligibility. Human Resources must be contacted before workers in this age group are hired.

Consider taking summer courses at AU!

Summer School in warm, sunny Alfred is a great opportunity to concentrate on one course without the burden of a heavy course load. You can complete a full semester course in as little as two or three weeks, take a full-year of the language requirement, get a head start on the fall semester, or make up a course you failed during the fall or spring.

Summer School registration has begun and will continue through mid-May for Summer Session I and late June for Summer Session II. For the most up-to-date summer course information please access the Summer 2007 schedule in Banner.

An updated full-color version of the Summer School '07 Schedule Booklet is attached. Copies of the printed booklet (with green and white cover) are available at the Student Service Center, the Mail Room and the Office of Summer Programs in Carnegie.

If you have general questions about Summer School and/or non-art summer courses please contact us at 607.871.2612. If you have questions about summer art courses please call the School of Art & Design at 607.871.2412.

Visiting Artist, Richard Slee

Richard Slee is a studio ceramist from the United Kingdom whose career spans over thirty years. A craftsman aware of the history of making, the unique pieces produced are detached from a conscious elaborate craftsmanship and deny their complexity of making. His ceramics are intrinsically about the domestic interior. There are references in his work to the decorative, the ornamental and the symbolic both from the past and in our contemporary culture. Dr. Oliver Watson, Chief Curator at the Victoria and Albert Museum, wrote, "Slee understands that the ornamental tradition is meaningful for most people in as complex and as significant way as any self-conscious 'art'. Over time, ornaments have been far more important in most people's lives than fine art has ever been". Richard Slee has an international reputation, and has exhibited in the Americas, Europe and the Far East. His works are part of Public Collections in Great Britain, Australia, United States, Sweden, Holland, Japan and Korea. He was awarded the Jerwood Applied Arts Prize for Ceramics 2001 in Britain for "Expanding the dialogue between ceramic tradition and visual culture in ways that resonate outward".
