Join the Women's Leadership Academy! Apply today!

Building on Alfred University's heritage as the first truly co-educational institution in the nation, the Women's Leadership Academy (WLA) provides opportunities for Alfred University students to explore, develop, and fulfil their potential as leaders personally, professionally, and within their communities. The WLA is an elite group of AU students who combine academic coursework with experience-based leadership.

Are you interested in...

- Developing leadership skills in project management, public speaking, and conflict resolution?
- Creating lasting relationships with Academy alumnae and your fellow cohort members?
- Participating in WLA-exclusive events, field trips, and workshops?
- Receiving priority access to funding for internships, conferences, and research projects?
- Improving your resume?
- Examining the ways in which gender impacts leadership?

If the answer is YES!, apply today using the attached form or via the JLC's AU Connect page. This year's application form is available under "Documents." Applications will be accepted until April 9th. However, it is STRONGLY recommended that you apply as early as possible.

We seek students (women, men, and non-binary individuals) who are intellectually curious and ready to participate in an academic and experience-based study of leadership. A particular GPA is not a prerequisite for admission, but please note that academic and judicial records will be reviewed. Note: the Fall 2018 course, WGST 201: Gender and Leadership, is required for WLA members. It is two credits and will be scheduled for Mondays, 7:20-9:10. The Spring 2019 required course, WGST 475: WLA Practicum, will be offered based on the cohort's availability.

If you have any questions or would like to learn more about the WLA, please contact Abby Griffith at griffitha@alfred.edu.
