

Nov. 1 Bergren Forum speaker to talk on 'The Nevins Legacy'

10/26/07

Dr. Joseph Petrillo, assistant professor of mathematics at Alfred University, will be speaking on "The Nevins Legacy" on Thursday, Nov. 1, 2007, at the Bergren Forum, at 12:10 p.m. in the Nevins Theater, Powell Campus Center, on the AU campus. Petrillo will be speaking on the lives of W. Varick and Lillian Nevins, both graduates of Alfred University and leaders of the community. For 48 years the Nevins, together and separately, contributed greatly to AU and on the eve of the 39th annual W. Varick Nevins III High School Mathematics Competition, the Nevins Theater spotlight will shine on the lives of Varick and Lillian. The Bergren Forum, sponsored by the Alfred University Division of Human Studies, meets Thursdays during each academic semester at the University. Participants are encouraged to bring a lunch; coffee and tea will be available.
