Reminder: End-of-Semester Projector Lending

ITS Equipment Lending would like to remind you that we are currently taking projector reservations for the remainder of the semester. Reservation privileges are limited to Faculty/Staff, so we encourage you to consult with your students to determine their special equipment needs.

Due to the high demand for projectors during the last three weeks of the semester, last-minute

requests for equipment are often difficult to fulfill. We therefore encourage you to contact us as soon as possible with your reservations.

Feel free to contact us at 871.3009 or by e-mail at itfasel@alfred.edu at any time with questions you may have about the reservation process.

When Push Comes to Shove

Did you know that one in every three women has been abused worldwide? And that 3 women a day are murdered by their significant other?

Accord Services of Allegany County offers a domestic abuse shelter for abused women and also provide services to help women get past these traumatic experiences and on to living a fulfilled and productive life at no cost.

On Friday, March 25 there will be a "packed basket" silent auction to raise money for Accord's domestic violence services. I'm requesting that students, faculty, clubs and any individual interested assist with creating a basket to be auctioned off.

These baskets can be themed, or they can be a collection of a few things. The auction which will take place in the Knight Club in the Powell Campus Center on Alfred University's campus from noon-5 p.m. on Friday, March 25. This is a great opportunity for you to support an important cause!

Please take the time to look at the flyer for the series of events that are happening.

Wednesday, March 23 there will be a movie featuring Julia Roberts in the WLC at 7 p.m., "Sleeping with the Enemy"

Thursday, March 24 there will be a panel of speakers from Allegany County's Victim Response Team giving a lecture about relationship abuse.

Friday, March 25 there will be a packed basket auction to raise money for Accord's domestic violence services. Please come and bid on some baskets even if you don't make one. (You can even charge to your student account).

I really hope that you will take this opportunity to stand up against abusive relationships and support the community. Please feel free to contact Lindsay Warnes with any questions at lnw1@alfred.edu.

Donate to Japanese Relief Efforts Carefully

State Attorney General Eric T. Schneiderman encourages people who want to donate to Japanese relief efforts to do so carefully.

He offers these tips on donating responsibly:

Give to established charities you're familiar with, or have an experience assisting in disaster relief. Look charities up on the attorney general's Web site, www.charitiesnys.com, the American Institute of Philanthropy, the Better Business Bureau Wise Giving Alliance, Charity Navigator or GuideStar.

Before texting a contribution, call the charity first to make sure they are authorized to receive donations via text message.

Ask how the donation will be used.

Avoid unsolicited spam e-mails. These formats are not usually associated with legitimate charities.

Never give cash.

Be careful about personal information. Avoid giving credit card or personal information over the phone or by text message.

Report suspicious organizations to the attorney general's Charities Bureau at charities.bureau@ag.ny.gov, or call 212.416.8402.

Washington Semester Program Fall 2011

Dr. Heineman of the Social Sciences Division is now taking applications for the Washington Semester Program for Fall 2011.

The Washington Semester Program is sponsored by American University and enables students to spend a semester in Washington, D.C., studying public policy in a variety of areas. Students who have participated in the program have used their experience and contacts to obtain excellent positions in Washington and elsewhere.

In addition to taking coursework, students will meet with government officials and political leaders in seminar sessions and will participate in an internship of their choosing.

In addition to its major focus on American national government, the program also has a number of options utilizing non-governmental resources in the Washington area, including working with interest groups and art and cultural institutions. Some of these are: journalism, law enforcement, public law, economics, international business, international organizations, and women and politics.

Course credits and grades are fully transferable to the student's transcript. Students can obtain additional information on the program at www.washingtonsemester.co.... Juniors or seniors are eligible to participate, and scholarships are available.

Over the past year, Steve Patterson and Kristin Edward Brown attended the program.

Those interested should contact Dr. Heineman in room 209 of the Olin Building. Applications should be
