Chemical Inventory and MSDS Online Reminder

If your division/department uses or stores chemicals or products requiring an MSDS, then a chemical inventory must be submitted to AU Environmental Health and Safety annually.

The submission deadline for all chemical inventories is Wednesday, June 15. The standard Alfred University chemical inventory form (an MS Excel spreadsheet) can be found on the EHS Web site: <http://our.alfred.edu/ind...> under the heading "AU EHS Forms", right click on "Chemical Inventory Form" and select "Save As" to download the spreadsheet on your computer.

Chemical Inventory Submission Instructions:

To facilitate compilation of inventories throughout Alfred University, only the chemical inventory form found on the AU EH&S Web site will be accepted for submission. The form has a comment (small red triangle in the upper right corner of each header cell), which, when the cursor is hovered over that triangle, will provide the specific information required in that cell or column.

The completed form must be submitted electronically to EH&S by attaching to an e-mail sent to envhealthsafety@alfred.edu by June 15, 2011.

Contact EH&S x 2190 if there are any questions regarding the completion of the chemical/product inventory. Once the inventory is completed submit an electronic copy of the inventory using the following file name structure: Division or Department name (all lower case)_CI_MM/DD/YY that file is being submitted, i.e. environmentalhealthandsafety_CI_061008.xls. Make certain that the *.xls file extension (MS Excel specific) is included in the file name.

Those performing the chemical/product inventory may adjust font size, column width or row height, and copy additional blank rows as needed within the spreadsheet, however, there should be no changes made to the font style (Arial), form headers, cell formatting, or printer set-up within the form prior to electronic submission.

You may also find it advantageous to update your MSDS Online database in conjunction with doing your chemical inventory. Please notify EH&S if you have made a change in your MSDS Online site administrator or you have any questions regarding the MSDS Online database system.
