### Shred-It Summer Purge Event - June 27

The Division of Business & Finance is hosting a summer shredding event for your office's sensitive and confidential documents.

Enrollment Management has kindly offered Alumni Hall's parking lot as the shredding location once again. This will take place Monday, June 27 from 8:30 a.m. to noon.

Shred-it (formerly Cintas) will supply a secure truck equipped with state-of-the-art shredding technology that will destroy all confidential or sensitive Alfred University documents before leaving our site.

The only requirement of the department would be to transport documents to the Alumni Hall parking lot for the on-site truck. This service is being offered at no cost to the departments.

### Noontime Session - New Overtime Rules with Mark Guinan

The Administrative and Technical Specialist (ATS) Council has invited Mark Guinan, Director of Human Resources Services, to talk to us about the new overtime regulations and how they might impact us at our monthly open informational meeting Tuesday, June 28, at noon in Nevins Auditorium.

The U.S. Department of Labor has recently issued new regulations that set a higher weekly salary rate for persons to be exempt from the minimum wage and overtime provisions of the Fair Labor Standard Act (FLSA). The new regulations will go into effect on Dec. 1, 2016. These new regulations will affect you if you are currently a non-faculty, salaried employee earning less than \$47,476 annually.

At this point, Mark is still working through the legislation to determine how it will affect different employees at AU, so he will not be able to provide definitive answers to all of our questions. We want you to have an opportunity to start discussing changes now since several people have asked about them.

We will invite Mark to speak to us again in the fall when he will know more. If you would like to read about the legislation before the meeting, here is a link to the relevant Department of Labor FAQ page: <https://www.dol.gov/whd/o...>
