

Three special events included in April Art Walk

4/04/19

ALFRED, NY – Three special events will mark the April Art Walk in Alfred. Stroll through Alfred, NY, Thursday, April 18, during this month's Art Walk and view exhibitions in galleries and venues throughout the village and on the campuses of Alfred University and Alfred State College, as well as in the nearby communities of Alfred Station and Wellsville.

Alfred Art Walk, which is free and open to the public, is held the third Thursday of each month. The April Art Walk, held from 5-8 p.m., will feature four special events:

Terracotta Celdon Building, Main Street, Alfred. "Thesis Part I. Sitting With Marta by Andrés Monzón": 5-8 p.m. The artist says of the event: "This exhibition is comprised of a series of ceramic objects inspired by my grandmother, Marta Echeverri Gutiérrez (1925-2016). Due to instability and political unrest in our native Colombia during the 1990's and early 2000's, hundreds of thousands of people, including most of our family members, left the country. Marta however, did not. When I moved back to Colombia after more than a decade in exile, Marta and I spent hours together in her dining room, sometimes in silence. We shared meals, looked at photographs, discussed her childhood, marriage, and her experience relocating to Cuba in the 1940s."

Community Table, Powell Campus Center, Alfred University: Paintings by Juanita Sanford-Barone Dietrich, and pop-up restaurant. Display of artwork by Artwork by Juanita Sanford-Barone Dietrich, a special woman an important part of The Community Table. She created the logo and painted the tree which adorns a corner of the space from floor to ceiling. Some of her paintings will also now be displayed for Art Walk. We are honored to share them with you.
