

## **RMF Engineering appoints alumnus Andrew Hay partner**

6/08/17

Alfred University alumnus Andrew Hay &03 has been appointed a partner in RMF Engineering, a full service engineering firm in Baltimore, Md.

“Andy has positioned himself as a leader in his field and used his expertise to directly enhance the success of the firm,” said Duane Pinnix, president and CEO of RMF Engineering. “His leadership skills, client management skills and technical skills are undeniably impressive. I look forward to seeing how he brings his strong skills and critical thinking to our leadership team.”

Hay earned his Bachelor of Science and Master of Science degrees in electrical engineering from Alfred University. He is a member of the Institute of Electrical and Electronics Engineers.
