How do I join a team to sign up?

AU Intramurals Sports and Recreation invites all AU students, faculty and staff to participate. You are encouraged to create your own teams with friends, classmates and neighbors. If you are unable to connect with a group you may contact the director of IM Sports and Recreation for assistance in joining another team.

Who can I have on my team?

Current Varsity/JV Athletes. No more than 2 (on the field at the same time) varsity/junior varsity athletes may participate on IM Sports teams in the sport, or associated sport, in which they competed at the intercollegiate level. An athlete that appeared on an intercollegiate roster at any time during the current academic year is considered a varsity/junior varsity athlete. You may have more than 2 on the roster but only 2 can compete at the same time.

Former Varsity/ JV Athletes. Former varsity/junior varsity athletes may participate on IM Sports teams without restriction provided they have not appeared on varsity/junior varsity rosters at any time during the current academic year.

Get Out and Register to Vote

Alfred University stands behind the idea that we all benefit when a greater share of Americans register and vote. This year there will be an important general election on Nov. 6, 2012. If you are not already registered to vote, please consider doing so now.

Alfred University students often have a choice of registering and voting right here in Allegany County (if you have been a resident in your present address for at least 30 days before the election) or voting by absentee ballot in your home county or state. The choice is yours, but please plan to register and vote on Nov. 6.

You can download the registration form and get more information about voting in New York State, including instructions on how to vote by absentee ballot, at this Web site maintained by the NYS Board of Elections: www.elections.ny.gov.

For information about other states' registration deadlines and absentee ballot request deadlines you can visit www.canivote.org.

State-Wide Burn Ban Issued

Gov. Andrew M. Cuomo recently urged all New Yorkers to take extra caution, as dry weather conditions have led to a heightened danger of wildfires across Upstate and Western New York. In addition, the state instituted a statewide residential burn ban for 90 days through Oct. 10.

At the Governor's direction, the following steps have been taken to properly prepare the state for the increased danger of fires.

The New York State Emergency Operations Center (EOC) in Albany is closely monitoring the situation and is prepared to provide a heightened state of readiness. Representatives from the Office of Emergency Management (State OEM), Department of Environmental Conservation (DEC), and Office of Fire Prevention and Control (OFPC) will staff the State EOC on a 24/7 basis as necessary.

DEC will issue an emergency regulation implementing a statewide ban on residential brush burning through October 10, 2012. Violators of the open burning state regulation are subject to both criminal and civil enforcement actions. In addition, the Department of Environmental Conservation will suspend all burning permits previously issued. A moratorium on new permits is now in effect through October 10.

The Governor urged New Yorkers to take extra caution and do the following:

Refrain from starting any type of outdoor fire and in cases where a fire must be started, take extreme caution.

Be watchful and keep a close eye when grilling outdoors.

For those who smoke, make sure a lit cigarette is completely extinguished.

When camping, use existing campfire rings when possible and keep fires small.

Scrape away litter, duff, and any burnable material within a 10 foot diameter circle. This will keep the campfire from spreading.

Never leave a campfire unattended.

Drown the fire with water. Make sure all embers, coals, and sticks are wet. Stir the remains, add more water, and stir again.

Use a cooking stove instead of a campfire to prepare meals.
