### Last Chance to See "Circle and Square" at the Cohen, Closing Friday

Circle and Square, a survey of William Underhill's cast bronze, iron, and aluminum sculptures, features pieces dating from 1960 through his current work.

Underhill's work formally explores the vessel and architectural form. Circle and Square highlights sculpture that demonstrates a sophisticated use of geometry. William Underhill is an emeritus faculty member who taught at NYSCC, School of Art and Design at Alfred University, from 1969 to 1997.

During this time he taught sculpture and established the first bronze foundry. Underhill's contributions helped to significantly expand the Division of Sculpture/ Dimensional Studies.

Gallery Hours during the last week of exhibition are 12:00 p.m. - 5:00 p.m., Wednesday, August 2 - Friday, August 4.

### Roofing work at Myers Hall

Starting Friday August 4th the parking will be restricted in the Powell Campus Center parking area. The roofing crew needs that space for its operation on the roof of Myers. Thanks, Physical Plant.
