

## **Alfred University's Ball named Empire Eight Goalie of the Week**

10/09/01

ALFRED For the second time this season, Alfred University junior Kevin Ball (Wheeling, WV/Linsly School) has been named the Empire 8 conference Goalie of the Week. Ball was honored for his play last week, in which he allowed one goal in a 2-1 overtime victory over Geneseo as AU improved to 7-1-2 on the season (3-0-1 Empire 8.) Ball has yet to allow a goal to a conference opponent this year and has allowed only four goals all year on his way to logging six shutouts. He had previously won the award for the week ending Sept. 16.
