## New Alfred Today on Tuesday, Feb. 6

The Alfred Today Improvement Committee, convened by Provost Buckley in fall 2006, finished its work in November with a set of recommendations to improve the functionality of Alfred Today. Since November, the ITS Web Team has worked to incorporate these changes into a redesigned Alfred Today. The new Alfred Today will launch on Tuesday, Feb. 6 with the following new features:

\* Separate editions for students and faculty/staff. Items will automatically appear in both versions, and you may opt out of having the item appear in either one.

\* A listing of both announcements and items from the campus events calendar

\* A Web application that will allow you to better manage announcements and events that you have posted to Alfred Today

\* A link/button in Alfred Today that will allow you to send individual items to your e-mail inboxes

ITS and the Office of Communications will offer several informational demonstrations to help you use the new Web submission forms on Monday, Tuesday, and Wednesday, February 5,6,7 at 12:20 p.m. in the Banner Training Center.
