Mr. George A. Bole,
5 Belvidere Place,
Montclair, N. J.

Dear Mrs. Bobe: [Mrs. *sic*. Bole: *typed, erased, fixed*]

I am enclosing an acknowledgement of order
from the Will Corporation which I think should come
to you. The bill will, of course, go to the College
office.

Nora and I are busy working but don't for-
get to have good times once in a while. Summer school
is in full swing but there isn't so very much doing.
I hope you are hav[ing *erased and fixed*] a pleasant time,

Sincerely yours,
